

Islam's Onslaught of America: A 21st Century Trojan Horse

Part 1: Muslims carry an entirely opposite world view on women's rights, religious rights, free speech and religious choice.

This series will upset you, distress you and warn you. If our current Muslim immigration invasion isn't stopped, this report illustrates our consequences and our fate.

"Diversity within a nation destroys unity and leads to civil wars," said social scientist Garret Hardin. "Immigration, a benefit during the youth of a nation, can act as a disease in its mature state. Too much internal diversity in large nations has led to violence and disintegration. We are now in the process of destabilizing our own country. The magic words of destabilizers are 'diversity' and 'multiculturalism'."

December 16, 2014, an Australian-Muslim named Man Haron Monis held 17 people hostage in a downtown Sydney restaurant. He killed two before being killed. Politically correct media reported on his "insanity" and being a "lone wolf", but in fact, Islam drove his actions toward violence.

In November 2016, Ohio State University student Abdul Artan, a Somali refugee enjoying free college tuition and expenses, ran over and then stabbed nine other students. In a White Cloud, MN shopping mall this fall, a Somali immigrant stabbed nine shoppers before being shot. Another Muslim in Minnesota raped a mother on a bus traveling from Crookston to Minneapolis December 13, 2016. (Source: Valley News, Crookston, Minn. A recent immigrant to Minneapolis from Somalia is facing 2 felony charges in the northern valley.)

In the Koran; Chapter 4 verse 89: "They desire that you should disbelieve as they have disbelieved, so that you might be

(all) alike; therefore take not from among them friends until they fly (their homes) in Allah's way; but if they turn back, then seize them and kill them wherever you find them, and take not from among them a friend or a helper."

The Koran specifically states, "Convert or kill all non-believers." Mohammed, an illiterate and savage tribal warlord, who inspired Islam, beheaded and be-handed anyone who opposed him.

In the 21st century, Muslims disrupt every Western country they inhabit. It's the nature of their "beast". Muslims lead with violence when they don't get their way. Once they get their way, they lead with more violence to their own. One look at the Middle East and Africa shows endless violence toward others led by Islamists.

In order to be faithful to the Islamic religion, Muslims ultimately must degrade and kill all other people who follow any other religions. Islam means "submission." Once all others submit to Islam, peace will occur.

Unfortunately, once Islam dominates, no one enjoys free speech, choice of religion, choice of thought, women's rights and/or any chance at a free society.

One look at Islamic societies shows continual violent atrocities beyond Western imagination, i.e., stoning of women buried in sand, female genital mutilation, honor killings of women, acid in girls' faces, killing gays, arranged marriages, loss of free speech, loss of women's rights, etc.

December 17, 2014, a Pakistani-Muslim slaughtered 141 children at a school, all in the name of Allah. In 2014, in Moore, Oklahoma, an American-Muslim beheaded a fellow worker at a processing plant. In 2014, a New Jersey Muslim-American beheaded and be-handed two Christians for violating the Koran.

One American-Muslim in New York beheaded his wife for filing

for divorce because of his regular violence toward her. He produced and directed an Islamic television station showing the "softer side of Islam".

In New York, February 16, 2009, FOX News, Joshua Rhett Miller reported, "The estranged wife of a Muslim television executive feared for her life after filing for divorce last month from her abusive husband," her attorney said – and was found beheaded Thursday in his upstate New York television studio. Aasiya Z. Hassan, 37, was found dead on Thursday at the offices of Bridges TV in Orchard Park, N.Y., near Buffalo. Her husband, Muzzammil Hassan, 44, has reportedly been charged with second-degree murder. "She was very much aware of the potential ramification of her filing for divorce might have," said attorney Elizabeth DiPirro, whose law firm represented Aasiya Hassan in the divorce proceeding. "But she wanted to proceed despite the potential for it to erupt."

Hassan sits in a jail cell for first-degree murder. Another father killed his daughter Noor in Arizona by running her over. He sits in a jail cell for premeditated murder. Ironically, Muslims kill on average 20,000 wives and daughters annually in Islamic countries, and get away with it. They enjoy the "right" to kill their loved ones in the name of "honor."

In 2015, another African-Muslim captured 300 African girls, raped as many as he could along with his men and sold them. No one can find them. The list goes on and on forever. Today in America, Islam wages its centuries-old war against Christians, Jews, Buddhists, Hindus and every other religion on the planet.

October 2016, Rocky River, Ohio, a Muslim father shot his daughter twice in the head while she slept. The girl had disobeyed her father by becoming too Westernized. (I visited that location in October 2016 and read it in the newspaper. I cried while reading it.)

Nonetheless, according to ABC's politically correct David Muir, NBC's Brian Williams and CBS's Scott Pelley on the major networks, each individual act of "Jihad" constitutes a "lone wolf" or an "insane" person or "misfit."

When in fact, those individuals and groups follow Islam's dictates.

Dr. Ali Gomaa, Grand Mufti of Egypt, said, "Muslims must kill non-believers wherever they are unless they convert to Islam." Al Ahrom, 4/7/08

Killing Idolaters—Koran Chapter 9 verse 5: "So when the sacred months have passed away, then slay the idolaters wherever you find them, and take them captives and besiege them and lie in wait for them in every ambush, then if they repent and keep up prayer and pay the poor-rate, leave their way free to them; surely Allah is Forgiving, Merciful."
(Yeah, right!)

As of 2017, around 4 to 7 million Muslims reside in America. They fled bloodshed, poverty and misery in their own countries. Yet, they continue pressing for their religion by saying that Christmas, Easter, Halloween and other traditions in our society "offends" their religion. Many feel that the American flag offends them, so we must take it down in our schools. They demand footbaths in our schools. They demand special foods and prayer rooms in our secular schools. They demand that our children study the Koran.

As their numbers grow in every Western country, their power and their arrogance to change those civilizations grows. Everyone in Europe today stands silent and frightened in the face of the Islamic onslaught.

In 1899, Winston Churchill said, "Individual Muslims may show splendid qualities, but the influence of the religion paralyzes the social development of those who follow it. No stronger retrograde force exists in the world."

This series on Islam in America exposes the facts of this country's sociological-cultural predicament when 7 million Muslims turn into 20 million and 20 million turns into 50 million.

Muslims will change America from a free country into an embattled religious-tribal clashing civilizations, horrific acts of violence and continued free-fall into multicultural chaos. It's going to get uglier than any liberal, conservative, libertarian, independent, Christian, Jew, atheist and politically correct media person understands—and it's all going to occur in America.
