

# Islam's Onslaught of America: America To Become Another Europe

***Part 10: How do we stop such an aggressive and violent religion? How do we not become another Europe?***

If you take one look at Europe today, you see firsthand the Islamic onslaught. One imam stated unequivocally that "Sweden is Europe's first Islamic State." Once they gain greater numbers from greater birth rates and endless immigration, they literally take over.

This video of Belgium becoming an Islamic state shows all of Europe's fate. Along the way, Muslims don't care what Europeans think as long as they step aside. Guess what, Belgians flee their country as more and more Muslims commit more and more violence. [This video on Belgium sobers anyone who watches it.](#)

President Teddy Roosevelt presented the American people the most important quote for our entire existence: "The one absolutely certain way of bringing this nation to ruin, or preventing all possibility of its continuing to be a nation at all, would be to permit it to become a tangle of squabbling nationalities. We have but one flag. We have one language, English."

Note in that passage, "or preventing all possibility of its continuing to be a nation at all," should send a shudder up your spine.

One of my dear friends in Holland said, "Within five years, we're going to face a civil war in our country—our Muslim immigrants against us."

In Norway, the government people keep pumping in hundreds of

thousands of Muslims. Their Norwegian women cannot walk alone anymore in Trondheim, Oslo or Bergen for fear of being raped and killed by Muslim men who treat all women at the level of a mongrel dog. My Norwegian friend said, "In Norway and Europe, some serious Muslim sh\*t keeps on building. This lifetime is going to get more and more exciting by the day, by the year. Bombs will start going off over here, constantly. Going to be some serious pushing on Western life in our country. Millions of Muslims already here, the birthrate off the scale and every day, more coming in.

"The West has done it to itself. Still doing it to itself. America is doing it to itself. It is going to be interesting to be here when hopefully in the future, someone starts looking into who in the hell and why in the hell did we do this to ourselves. Mind blowing to me. Worst of all, it's not going to end well for any of us. Muslims push and we back up, they push some more and we run away, they keep pushing and we lose our country."

The Quran contains at least 109 verses that call Muslims to war with nonbelievers for the sake of Islamic rule. Some exhibit graphic violence with commands to chop off heads and fingers and kill infidels wherever they may be hiding.

[Quran \(33:60-62\)](#) – "If the hypocrites, and those in whose hearts is a disease, and the alarmists in the city do not cease, We verily shall urge thee on against them, then they will be your neighbors in it but a little while. Accursed, they will be seized wherever found and slain with a (fierce) slaughter."

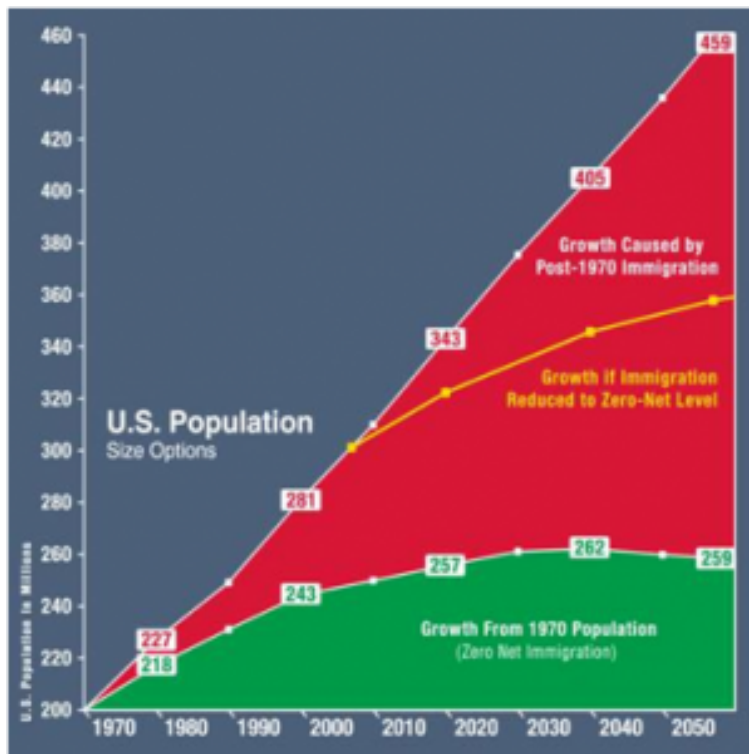

Look at the Council for American Islamic Relations in the U.S. today. It's not about relations as authorities named C.A.I.R. a terrorist organization that supports terror groups like the Muslim Brotherhood. Of those 2,250 mosques spreading across America, many send their money to terrorist organizations. So much of it grows that our own State Department cannot keep up

with the money flow.

[Bukhari \(11:626\)](#) – [Muhammad said:] “I decided to order a man to lead the prayer and then take a flame to burn all those, who had not left their houses for the prayer, burning them alive inside their homes.”

When you look deeply into Islam, it frightens you that 1.5 billion believe the way to Heaven means violence, suicide and beheadings of non-believers. Each terrorist enjoys 72 virgins at his final destination after death. As Islam thickens with numbers in American cities, watch for more and more push against our way of life, our Constitution, our schools, our foods, our rituals and our ethos. Watch for Sharia Law becoming dominant in Muslim communities. Already in Minneapolis, Minnesota, a friend told me that Muslim instituted defacto Sharia Law stemming from their huge numbers.

Just like the video on Belgium, the same thing accelerates in the United Kingdom, France, Spain, Italy, Germany, Austria and Denmark with growing degrees of violence toward host countries. The killings in Paris, France provide a small sample of what all of the Western world faces as it continues importing millions of Muslims. It's already happening and 2015 will bring us more beheadings and violence in America from our Muslim immigrants.

What astounds me stems from the harsh reality that we Americans go about our business as if Europe's Muslim disaster won't touch us. We guarantee our children's lives to be lives of growing violent Islamic violence and takeover wherever they can get their "camel's nose" under the tent. We've injected the most violent religion in the world

into our own country. (Permission to republish this population graph by Roy Beck, [www.NumbersUSA.org](http://www.NumbersUSA.org) )

Will we sit back and watch the invasion? Yes, each month, thousands more pile into our country. Will we become part of the violence that hit Paris, France? Yes, we already suffer from endless Muslim immigrant violence as depicted in this series. Will we do anything to stop Muslim immigration? Probably not! Too many Americans don't care and aren't affected at this moment. What will we do when the Muslim riots begin? Run, back off, back down and back away. But at some point, it's going to get uglier and uglier. We will fight to save our country from Muslims. I feel sorry for them and us because we invited jihad into our own country by our own stupidities and apathy.

You bet your bottom dollar that Paris, France and all the multicultural nightmares now engulfing Europe, Canada and Australia will visit us with greater frequencies.

If you don't want a Paris, France, San Bernardino or Orlando or Fort Lauderdale event in your community, it's time to call for a total "Immigration Shutdown Now."

Call your senators and House rep: [1 202 224 3121](tel:12022243121) or [1 888 995 2086](tel:18889952086). Demand a stop to all immigration and stop to any Syrian immigration.

Definition of slogan: "Immigration Shutdown Now means the American people want a total shutdown on all legal and illegal immigration. That means we want all illegal immigration stopped by arresting, prosecuting and jailing employers of illegal aliens. We deport all illegal aliens by taking their jobs away and as we catch them. We want English mandated as our national language. We demand a cessation of Muslim immigration in order to protect our culture, language and way of life. We can't save the world but we can save or destroy our civilization. We demand a stable population that allows everyone to live, work and thrive into the 21<sup>st</sup> century. Especially our children." FHW

Muslims cannot in any way become Americans. The Koran forbids it. Their entire context of religious-political Sharia Law demands subjugation to their religion with no allegiance to the U.S. Constitution. The Koran forbids women's rights, marital choice, free speech, gay rights and religious rights. Our way of life remains completely out of bounds to Islam.

That's why you need to take action. Send this series to everyone in your network. Educate them. Urge them to take action by joining these websites to become faxers of prewritten letters and phone callers. We must force Congress into an "Immigration Shutdown Now!"
