

Islam's Onslaught Of America: Replacing US Constitution With Sharia Law

Part 9: Islam, a violent religion in the 21st century, ***Imam said, "It is my duty to replace the US Constitution with the Quran."***

If you look from Paris, France to Amsterdam, Holland to Denmark, to Sweden, to the United Kingdom to Sydney, Australia to Ontario, Canada to Fort Hood, Texas to Berlin, Germany to Fort Lauderdale, Florida—the violence of Islam manifests at blinding speed.

Muslims kill people when they gain enough numbers to make their power known. They make demands on every host country to conform to their Sharia Law. You cannot escape the reality that Islam provokes violence, teaches violence and lives violence everywhere it lands.

Muslim husbands and brothers "honor kill", on average, 20,000 women annually. Their women cannot drive, vote, speak up or dress as they wish. They cannot choose a husband. They suffer female genital mutilation at the hands of Muslim men. They cannot go out into public without a male. They suffer rapes at the will of Muslim men.

Islam teaches violence to its children to brainwash them into being suicide bombers.

[Quran \(17:16\)](#) – *"And when We wish to destroy a town, We send Our commandment to the people of it who lead easy lives, but they transgress therein; thus the word proves true against it, so We destroy it with utter destruction."*

Do you see a pattern here? Do you see that Islam provokes terrorists inside and outside its own countries. Their violence now manifests with too much frequency throughout the USA.

February 19, 2013, the New York Daily News reported Islamic violence in Buena Vista, New Jersey: "Cops arrested Muslim Yusuf Ibrahim, 28, of Jersey City on Sunday after detectives found the bodies of the two men, aged 25 and 27, behind a home in Buena Vista Township. Their severed heads and hands were discovered at a separate burial site. The investigation into the grisly murder began Thursday following reports of suspicious activity at the Buena Vista home. Cadaver dogs located the bodies, which both suffered a single gunshot wound to their chests." (Source: New York Daily News, 2/19/13)

The imam, Siraj Wahhaj, once remarked, "It is my duty and our duty as Muslims to replace the U.S. Constitution with the Quran."

Why exactly does our U.S. Congress continuing importing millions of Muslims into our country? Why aren't you speaking up to stop it? What will become of your children? What will it take for the American people to finally say, "Enough Muslim immigration! In fact, enough of all immigration."

Our country stands in the cross hairs of a multicultural nightmare bequeathing violence upon us as our Congress and presidents dump another 100 million legal immigrants onto this civilization within 30 years. We need to reduce all immigration to less than 100,000 annually and no more Muslims if we hope to survive the 21st century. We must deport every one of them living in those jihadist terror training camp compounds.
