

Leading The People To Empty Promises: 'Q-Anon' Just Another Psyop

by Bradley Dean

“Those who mean to destroy through lies will be destroyed by the truth.”

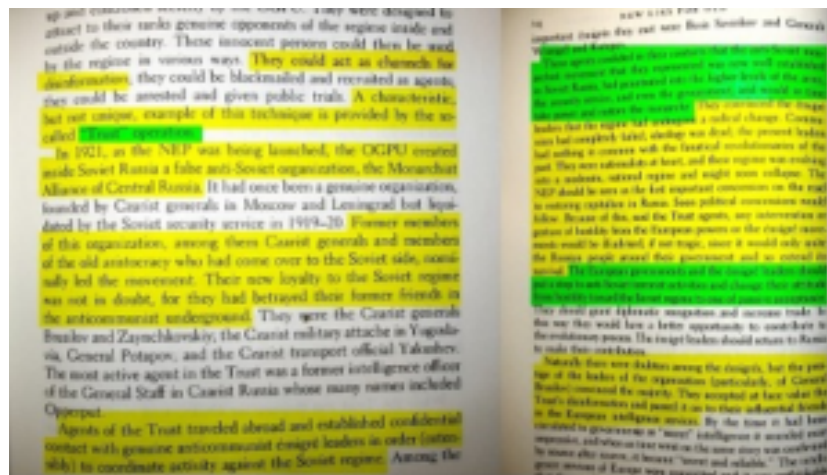

While preaching in Michigan this last week, I had an individual ask me my thoughts on ‘Q-Anon’ (Luke 19:10).

Although ‘Q-Anon’ has been forecasting promises un-fulfilled (smoke and mirrors) for years I was a little taken back that there were still them that were hanging on to this obvious pysop that is taken place in America today, then again, this does explain why these people are hopeless and confused (Psalm 18:21; Daniel 9:7).

This only works with a people when the people put their trust in men and speculation as desired outcome rather than having their faith in Christ (Jeremiah 11:13, 1 Corinthians 15:58).

Let me explain. Recently, Information Liberation highlighted ‘Q-Anon’ bears striking resemblance to Bolshevik psy-op from 1920s known as ‘Operation Trust.’

"Operation Trust" was a Bolshevik counterintelligence operation run from 1921 to 1926 aimed at neutralizing opposition by creating the false impression that a powerful group of military leaders had organized to stop the communists' takeover.

Conclusion: 'Q-Anon' is responsible for more than nothing than leading the sheeple to un-fulfilled predictions, and that for years (Jeremiah 5:21).

'Q-Anon' is nothing more than an operation of deceivers to lead people into chasing shadows and, of course, that is exactly their end aim, to bring the people that are following them to nothing (Jeremiah 6:16). To date, that is has been exactly the result.

This then only buys them more time to dismantle the country and undermine and weaken the people into compliance. Yet, the problem is that they just do not realize that they are also destroying themselves (Luke 22:48).

"Those who mean to destroy through lies will be destroyed by the truth."
