Yesterday, we highlighted Ilhan Omar spewing out the truth in her confusion. This she did while serving a foreign state posing as a state representative (2 Corinthians 11:14-15).

If only the people in this country would awake to the history of these destroyers that now confront us in the present (Hosea 4:6).

[On Tuesday](#), a video from December 15, 2022 resurfaced, sparking renewed calls for the expulsion of Omar from Congress and the revocation of her naturalized American citizenship.

These demands came in response to a speech she delivered on Saturday to Somali-Americans in Minneapolis.

Two versions of a segment from Omar's 2022 speech were shared

on Monday. In the clips, Omar can be seen heaping praise on Somalia's President Hassan Sheikh Mohamud, who also spoke at the event.

Omar said, according to translations, "I am very honored to have the chance that our president, president of Somalia, President Hassan Sheikh Mohamud, let us give him a warm welcome, Minnesota! (her comments about the cold December weather in Minnesota were edited out in one version.)

The president and I have a special relationship. I call him uncle and he calls me his girl. Welcome to your home. Our home is your home. Welcome to Minneapolis.

We are very happy that Hassan is our president. Somalia is our home. It is home to all the people gathered here. We do not feel that it is far from us. Somalia is our heart. It is in our hearts. We always think about Somalia."

End Wokeness recently shared an edited version omitting Omar's remarks about the cold December climate in Minnesota. Instead, they suggested that Mohamud should plan his next visit during the summer season.

Read Deuteronomy 28:43.
