

# London, England: Muslim Terrorist Strikes; Soon America Again

In London, England this week, Islamic terrorist Khalid Masood drove a vehicle over 29 people with four dying and the rest hanging on for dear life. Married with three children, Masood carried out Islamic terror directives to “use your car to run down infidels or stab them with a knife.”

Whether it's running them down at Ohio State University and stabbing victims with a knife or stabbing people to death at a White Cloud Mall, Minnesota—Muslim terrorists operate in every Western country because Western leaders don't possess the brains, common sense or courage to deport all Muslims. Instead, the elite continue importing them by the hundreds of thousands.

Not only does it invite an invasion by a hostile force, it facilitates Islamic jihad at every juncture. Even as the latest terror attack commenced in London, Prime Minister Theresa May allowed 480 Islamic British citizens to go fight with ISIS and then, welcomed them back. As reported by this British man in the streets, over 3,000 Islamic terrorists remain on police dockets in London, but police cannot arrest them until they kill someone.

You will never hear this story in the mainstream media. CNN, NBC, CBS and ABC or BBC cannot allow the truth to escape to common citizens: [\[Link\]](#)

That British guy spelled it out. The elites invite more terrorists into the United Kingdom because those elites never deal with the Muslim slums, rapes, killings, no-go zones, Sharia patrols, FGM, honor killings or gay killings. But they go on daily in the 2.5 million strong British Muslim throng.

Back here in America, when the president of the United States attempts to protect the American people, federal judges of the 9<sup>th</sup> Circuit Court in Washington and Hawaii—belay Trump's executive orders. Ultimately, Trump will prevail in the courts, but in the meantime, any number of Muslim terrorists may kill any number of U.S. citizens.

All the while, Syrian Muslims, loaded with jihadists, continue flooding into America at the hands of the Lutheran Church, Catholic Charities and other outfits living off the immigration scamming system. [www.refugeeresettlementwatch.org](http://www.refugeeresettlementwatch.org)

Unfortunately, the more Muslims we import, the more terror events await us. It's the nature of the religion. It's not going to change, because, as their numbers grow, so does their push for Sharia Law. There's no way to soften their prime directive: "Convert or kill all non-believers." One look at Europe shows you our future.

Journalist Daniel Greenfield wrote, "When you turn on the evening news and see a running death toll, it's happening more and more often. The new brand of Islamic terror only needs one thing... Muslims. Lone wolf terrorism operates off the existing Muslim population in a particular country. The bigger the Muslim population, the bigger the risk. The FBI or other law enforcement agencies cannot monitor even a fraction of the Islamic settler population sympathetic to terror. As the Muslim settler population in the country increases, the number of cases will grow." (Source: Right Side News, Stop Lone Wolf Terrorism by Ending Muslim Immigration, August 2, 2016)

While Senators Charles Schumer and Elizabeth Warren invite more Muslims into America, some American citizens will become the next victims of the next "Muslim terror event." That includes: 9/11; Boston Marathon; Chattanooga, Tennessee; Garland, Texas; White Cloud Mall, Minnesota; Ohio State University campus; Orlando, Florida; Fort Hood, Texas; San Bernardino, California; Times Square, New York City; Rocky

River, Ohio....

Not to mention the fact that our U.S. Congress allows 35 Islamic terrorist training camps from New York to Washington to Los Angeles to continue training terrorist 24/7! Do you know about them? Of course not! The MSM refuses to report on their operations. Not a peep out of "60 Minutes". Not a whisper out of Charlie Rose. Not a report out of NPR's Terry Gross. No word from "Meet the Press" or "Face the Nation". Instead, some U.S. citizens somewhere in America will become victims of the next Muslim terror event. [This video shows the camps](#):

Notice in all of the terror attacks, the "moderate Muslims" never condemn the attacks. Without a doubt, the mosques where these terrorists attend, know exactly who will create the next event.

Radical Muslims constitute the snakes of Islam while moderate Muslims become the grass where the radicals slither around. It's a two-pronged Islamic mandate: "Convert or kill all non-believers."

Question: are American leaders leading Americans to their own graves? Why are we allowing ourselves to commit national suicide?

Why not engage our laws to deport all Muslims because they all follow the Quran and Islamic Sharia Law, which stands in violation of the McCarran-Walters Act of 1952? It outlaws any organization dedicated to destroying the U.S. Constitution.

Islam, by its own dictates, remains dedicated to destroying America and install Sharia Law. Sadly, we sit around watching Islam advance across America without pause.

["Arise all Muslim believers and kill the Americans in their own homes"](#) -

America will not be safe nor will Canada and Europe until every Muslim finds him or herself deported back to his or her 6<sup>th</sup> century countries. Muslims cannot function in 21<sup>st</sup> century civil societies.
