

Marxist Progressive Ideology Has Been Established in America

By Pastor Glynn Adams

September 8, 2024

“My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being My priest. Since you have forgotten the law of your God, I also will reject your children.” (Hosea 4:6) The Old Testament was written for our instruction. Romans 15:4, 1 Corinthians 10:6-12

We should have the knowledge that we know exactly what is going on in this nation that Communists/Marxist Progressive ideology is being established daily in this nation and we should be viciously taking a stand against it and defending our nation against it. But the church is silent. Many of our Christians and citizens have no knowledge and are uninformed because we are too wrapped up in our own agenda and pleasure to be engaged in responsible Christianity and citizenship.

There is so much deception in our nation, I am not sure if many people in America really have the knowledge and understand what Communist/Marxist Progressive ideology is, how destructive it is, and that it is being established in America daily as we read. Progressivism sounds so good and wonderful but it is a dark agenda whose fountainhead is from Satan and is demonic in nature and very destructive. That alone should wake the church up.

If the church in America had the knowledge of how Jesus walked while on this earth, we would know He spent one-third of His ministry on this earth against Satan and his demons of darkness and destruction. But we clearly are not walking as He walked but sleeping and ignoring our spiritual reality and responsibility. With the wisdom and discernment of God and the Holy Spirit to guide us, we still can't figure out what God wants us to do!!! Or, is it rebellion and disobedience? Or, maybe we don't have the Holy Spirit and these gifts? Something is terribly, terribly wrong in the Body of Christ in America!!!!

Communism/Marxism/Socialism/Progressivism/Liberalism is from the same fountainhead. Their god is a big, repressive totalitarian government. It is the very opposite of our Constitutional form of government. That should wake the church up!!!! We are acting like we want bondage more than freedom!!!! Continue to do nothing to get bondage but we have to fight to maintain our freedom. The elites in Progressivism want the people in a nation depending on this big repressive government. They promise health insurance for life, free college, and other free stuff. But it all comes at a price especially when they continue to pay for this with printed fake money and on credit!! Progressives think they know what is best for us, so they want to control every facet of our lives, and tell us how to live our lives. It's all about control.

Progressives hate Christianity, Capitalism, and our Constitution and seek to destroy each one. They attack the family and other foundations that made this nation workable and livable. They want utopia such as the old Soviet Union, North Korea, or Cuba. These Progressives omit their history of Progressivism that Stalin killed 25 million people and Mao Zedong murdered 65 million of their citizens to implement the Communist/Marxist Progressive ideology. They omit the fact that Socialism is a failed system in every country it has been

tried and people live in extreme poverty and the basics necessities of life are not available. Communism/Marxism/Socialism/Progressivism/Liberalism will only be embraced by citizens who are deceived!! But here it is in America!!!!

How do the Marxist Progressives overtake a nation? They must first implode the family. Attack the sanity of marriage, easy divorce, add alternatives to marriage. Get the mother working outside the home. Give family benefits that exclude a father figure in the home. Move the nation to God is dead, sexual immorality, perversion, and division. Attack Christianity, Capitalism, and the Constitution while intimidating the leadership of each, especially the church. Institute a false narrative of separation of church and state and 501C3s. Rewrite history, and take over the news media, movies, and the education system to indoctrinate the masses, especially the young. One of the fathers of the modern Communists/Progressive re-education and indoctrination camps known as public school was John Dewey. He is the person who started the movement to remove the public schools in our nation from local control to government control which allows for the perfect venue for the government to control the curriculum and the agenda. So now we have The Department of Education run by the Federal Government!!!

Our current public-school systems cannot be trusted like they were even thirty years ago. Today our public schools have Marxist agents who influence our schools to support Communists/Marxist/Socialist/Progressive agenda. They have taken the responsibility of raising our children and place them into the hands of government minders we call public schools and universities. In every public school, there are also counselors who address and advise our children on sex, drugs, homosexuality, and gender. Their advice is anti-American, anti-God, anti-capitalism, anti-family, and anti-Constitution along with anti-nationalism.

These hell holes we call public school and universities have but one purpose – to redirect, mold, and nurture our children – replacing the moral framework that families have instilled in their children. I hate to be so blunt, parents, but sending your children to the public schools and universities today is like, as in the days of Israel in the Old Testament, of sacrificing your children to the god Molock. Mom, you may need to give up your day job, sell your big house and BMW and homeschool your kids. God will hold all parents responsible for what is taught to our children and who teaches your children. “A shack in God’s will is better than a Rockefeller mansion out of it!!”

All citizens, as well as all parents, should be confronting our public -school officials and demand they teach Biblical morals and not their progressive agenda. God warns us about offending these little ones that it would be better to hang a millstone around your neck and jump into the ocean. We must get involved while we have the opportunity!!!

We have a demise in Western Civilization. The Church is not making sufficient disciples of Christ and the Communists/Marxist/Socialist/Progressives are making Progressive and Socialists disciples of our children using the most modern psychological means of mind control from the Chinese and Russians. Our younger generations are exiting from our churches at an alarming rate and racing toward the ways of the world and Satan’s curses and traps of drugs, alcohol, suicide, sex, perversion, occults, and only God knows what else.

If we do not redeem them back, not only will we not have sufficient citizens to maintain our Republic and culture, in addition many churches will close their doors for lack of members while millions of our children will be swept into the ways of this world system and its consequences. Due to our unwillingness to resist this evil, the abundance of pain is here and increasing exponentially. I am amazed at the silence

of our parents and citizens over what is going on in our public schools and universities!!!

Christians must get on a war-footing now against this evil using the Name of Jesus, the authority of Jesus, the Word of Jesus, the power of Jesus, and the mighty weapons of God. The work of God is done in our culture, out where the people are, and not in the church building!!! But we are so disengaged, sitting on our religious ass, preaching another Jesus, and practicing our ineffective, dead religion in our church buildings while our children, our citizens, and this nation are being overcome by demonic strongholds and doctrines of demons.

This is leading them to depression, torment, suicide, drugs, alcohol, and all the destructive ways of this world system. How dwelleth the love of God in us? Why are we so selfish? In our generation, on our watch, we are reducing Christianity to where it means nothing in America!!!!

Many places in Scripture, God said I will deliver you from your enemies and the inhabitants of your land but you must drive them out of the land. (Joshua 6::2-5) Where are the pastors to lead their flocks to action and sanity? Unfortunately, most of these false pastors and hirelings ((Jesus warned us in Matthew 7:15-16a, "Beware of the false prophets, who come to you in sheep's clothing, but inwardly are ravenous wolves. You will know them by their fruit.") are intoxicated in demonic selfish ambition seeking their own glory in numbers to justify bigger buildings, bigger staffs, and more programs and to hell with the Kingdom of God, instead of tending and teaching the sheep the things and ways of God, and obedience to such things as making disciples and resisting the evil in our land (Ephesians 4:12, Matthew 28-18-20).

Woe to the pastors and the nominal church members because God will not hold us guiltless for what we are allowing to happen on our watch to our citizens and nation. Our disobedience and

rebellion are storing up one of two things: Either our own wickedness will correct us and we will have a great awakening or more severe judgments will come to the Body of Christ and our citizens and nation and one terrible day the unexpected will come upon us when God has had enough of our arrogance and foolishness and lack of repentance. I love you and tell you the truth. Repent and return to God!!!!!!

A WARNING as my heart is broken and in tears: Christians are directly in the crosshairs of these Marxist/Progressives. To succeed, they must remove all vestiges of God, His Ways, and Christians. This should wake us up!!!! Marxists/Progressives need violence, anarchy, and lawlessness. If we continue to allow these Marxists/Progressives to operate in this nation without opposition, they will continue to destroy and create great harm and destruction to our families, and citizens. More judgments are coming to America as we continue to remain silent. "Silence in the face of evil is itself evil. God will not hold us guiltless. Not to speak is to speak; not to act is to act." (Bonhoeffer)

"If you do not drive out the inhabitants of the land from before you then it shall come about that whom you let remain of them will become as pricks in your eyes and as thorns in your sides, and they shall trouble you in the land in which you live. And it shall come about that as I plan to do to them, so I will do to you." (Numbers 23:55-56) HATH GOD REALLY SAID?

Yes, we just read it which means we need to obey the Word of God rather than analyze it, speculate on it or ignore it!!! This should wake us up but our pulpits remain silent and the churchgoers love it so in doing nothing!! I hope to God we hear what the Spirit of God is saying to us and the judgment that is coming if we continue to ignore Him!!!!!! God bless, I remain His warrior and watchman, Glynn Adams
