

Mid-Term Elections Are About Power & Dirty Money

Well, the holiday season is over and President Trump has lawfully arrested a lying cheating drug cartel gangster, imposter Venezuelan President Nicolás Maduro and his wife, Cilia Flores. No question (just like the fake 2020 election, Maduro cheated his way into office.) Maduro makes Al Capone look like a choir boy.

President Trump had every legal right to have our courageous Delta [Force to arrest Maduro as he had already been indicted by a federal grand jury. Law Professor Jonathan Turley: Trump Did Not Need Congressional Approval to Capture Maduro](#) (VIDEO).

Jan. 3, 2026

“Turley uses the example of Manuel Noriega, who was removed from Panama by the United States in 1989 under similar circumstances. He refers to the actions of other presidents as well.

“Democrats and their media allies will object in the months ahead, but there is legal precedence for all of this...

“This operation will be justified as executing the criminal warrant and responding to an international drug cartel, a very similar legal framework to the one used against Noriega. There is precedent supporting that earlier operation, which will now be used to defend the actions in Venezuela...

“Democratic members quickly denounced the operation as unlawful. They may want to review past cases, particularly the decision related to the Noriega prosecution after his capture by the administration of President George H.W. President Barack Obama killed an American citizen under this “kill list” policy.

“If Obama can vaporize an American citizen without even a criminal charge, Trump can capture a foreign citizen with a pending criminal indictment without prior congressional approval.”

But of course, the paid (big salaries) whores in the fake media care nothing for the law. The Democrat Communist Party USA is in itself a brutal, morally bankrupt rotting criminal enterprise and has been longer than I’ve been alive. As I’m sure you’ve noticed, all the “left” wing media, crooks and criminals who belong to that rancid pile of steaming you know what, have been crapping their pants over Maduro’s arrest.

Not to say the Republican Party hasn’t and still does have too many RINO’s in elected offices; many work inside cabinets and agencies in an effort to turn OUR beautiful, free America into a sh*t hole as Maduro did to the poor people of Venezuela. They are Trump haters, make no mistake about that.

When word came out after Maduro and his wife’s arrest, their people and those who are fighting to stop the tyranny going on world-wide rose up thanking the U.S. for getting rid of Maduro. Venezuela was at one time a very prosperous country, their people living a happy life in their culture and traditions. The last few years under Maduro they eat out of garbage cans and wear rags. *There is NO excuse for such extreme poverty in a beautiful oil rich country like Venezuela.*

As for Trump “running the country” until a transition team is in place to govern, ah, I don’t like that plan: [“We’re going to run the country until such time as we can do a safe, proper and judicious transition.”](#) Excuse me, but it’s up to the people of Venezuela to choose their lawfully elected leadership (or hold a new fair, legal election) to decide who will run their country.

However, there appears to be some stinky back-room hanky-pankie that went on. [Inside Job? Reports Suggest New Venezuela’s Interim President, Delcy Rodríguez, Negotiated With the US the Removal of Maduro, With the Mediation of UAE](#), Jan. 4, 2026 (62% of UAE are muslims. 72% of Venezuelans are Catholic with a lot of Protestants. Oil has no religious preference.

Why the hell would they want the same VP, Rodríguez, who served under a crook and drug king to become their new dictator? *Beware the wolf in sheep’s clothing.*

[Venezuela’s interim government vows unity behind ousted dictator Maduro following US capture](#), Jan. 4, 2026: “A top Venezuelan official said Sunday that the [South American](#) country’s government remains united behind ousted dictator Nicolás Maduro.

“Here, the unity of the revolutionary force is more than guaranteed, and here there is only one president, whose name is Nicolas Maduro Moros,” Interior Minister Diosdado Cabello said in a recording released by the United Socialist Party of Venezuela. “Let no one fall for the enemy’s provocations.”

“Officials in Maduro’s government have denounced Saturday’s seizure of Maduro and his wife, Cilia Flores, as a kidnapping,

Reuters reported.

“Vice President Delcy Rodríguez has assumed interim leadership of the country but has said that Maduro is still president.”

And: “Rodríguez insisted that Maduro remains Venezuela’s “only president.” [She declared that Venezuela would continue Maduro’s policies](#) and “never be a colony ever again.”, Jan. 4, 2025

After Maduro’s arrest, Trump said Maria Corina Machado was a “nice lady” but doesn’t have the “respect” of the country to govern following the ousting of Venezuelan President Nicolás Maduro. [“I think it would be very tough for her to be the leader. She doesn’t have the support within or the respect within the country. She’s a very nice woman, but she doesn’t have the respect,” Trump said.](#)” What a slap in the face. With a 70% approval rating from THE PEOPLE in Venezuela and a modern-day Samuel Adams determination, Machado is loved by the people there.

Why do people think Machado got the Nobel Peace Prize? Sometimes newly elected office holders do “learn on the job” as time goes on. Trump learned that hard lesson during his first term when Sessions, [Barr](#) and so many others turned on him with a smile on their faces. Personally, I think Trump should have had a sit-down face to face with Machado and

discussed the situation. Instead, he announced the U.S. would run Venezuela until a transition *he likes* is in place. President Trump: I voted for you three times but on this one, I am deeply disappointed.

Next comes the court battles. Communist Comrade Mamdani is vowing to protect NYC from ICE agents performing their duties under the LAW. Nitwits and lazy-ass bozos stand behind him cheering on his plan to make America muslim Communist controlled. All those groups, organizations and allegedly elected public officials can hardly wait to file law suits against Trump over immigration and now Maduro.

Much will be written about Maduro for months to come along with the massive fraud machine by thieving Somalis in this country. But WE THE PEOPLE HAVE MUCH TO DO BETWEEN NOW AND THE MID-TERM ELECTIONS.

Vote fraud is number one at the top and two is for voters to do their homework and not count on 30-second TV commercials to decide your vote. There are very dirty RINO's just as there are members of the Democrat Communist Party USA and believe me when I say they are going to do everything they can get away with to get their minions and more loads of foreigners like the Somali's who've pulled off the third biggest fraud heist in our nation's history elected – especially as judges.

First is the unconstitutional privately owned “Federal” Reserve. Second is its collection agency, the IRS, robbing us blind to pay interest on our OWN money; my member of Congress, House & Senate and yours by **spending zillions of “dollars” in debt to fund debt** in violation of the U.S. Constitution ([see my last column](#)) and third, covering up the non-ratification of the Seventeenth Amendment.

(Massive fraud is now being uncovered in California and several other states, just like Minnesota. It seems like every day and I predict it will mushroom into a gigantic scandal

that will make people's heads spin. Tip of the iceberg:

[Pam Bondi Issues Damage-Control Statement After Explosive Backlash Over DOJ's Alleged Failure to Act on Massive Minnesota Somali Fraud](#), Dec. 29, 2025: "According to Bondi:

- 98 individuals have been charged
- 85 are of Somali descent
- More than 60 have already been convicted

"She warned lawmakers that "more prosecutions are coming," adding, "*Buckle up.*" (Too bad they can't get con artist crook, Zelensky.)

"This country has nothing to fear from the crooked man who fails. We put him in jail. It is the crooked man who succeeds who is a threat to this country." Theordore Roosevelt, 26th President of these united States of America.

We must make honest, accurate elections top of the list. (Election Fraud: The most corrupt AZ, GA, CA, OR, MN, MI, PA, NV & Ohio)

Many, many counties are now going to use paper ballots hand counted in front of witnesses. The upcoming mid-term elections is about POWER and DIRTY MONEY– NOT to preserve and protect you, your family or our constitutional republic.

If the Democrat Communist Party USA takes the majority in either the house or senate or both – and that includes governors and state legislators, *we will have a disaster most can't even imagine.* They probably won't try to impeach Trump again but with a majority, all the good he's trying to do will blow away like dust in the wind.
