

# More of Hell Moving Into America

By Pastor Glynn Adams

April 13, 2025

Over the years, many, many pastors have attempted to wake up the dead religious churches in our nation by constantly reminding the church-goers they are to be obedient to the LORD Jesus Christ. These pretenders in our churches do not have good soil for the Kingdom of God and have no fruit so they have become a breeding place for religion, demons, demonic strongholds, deception, love of the world, and many church-goers show no fruit of being born from above. It is evident the religious in America do not like to talk about demons and the demonic spiritual world overtaking this nation. Religious people turn a blind eye to such Scriptures that command us to resist the evil in this nation. Most church-goers in America have no idea that one-third of the ministry of Jesus Christ on this earth was dealing with demons, demonic sickness, and demonic destruction of the human body. So in Matthew 12:26, Jesus is dealing with the religious leaders of His day after they accuse Him of having a demon so it is no great surprise that out of the mouth of Jesus came these words, "If Satan cast out Satan, he is divided against himself. How then will his kingdom stand?"

The reason the religious leaders in Jesus' day did not deal with demons nor cast out demons is because they were a part of the religious kingdom of Satan. The reason most of our churches in America ignore Satan and refuse to deal with

demons and cast out demons is because most of America's churches are part of Satan's religious kingdom. Jesus told the religious leaders in Matthew 12:28, "But if I cast out demons by the Spirit of God, surely the Kingdom of God has come upon you. Most churches in America are not part of the Kingdom of God but will work to expand the religious Kingdom of Satan in America.

It is clear that the fruit of the American Church is from the Kingdom of Satan and not the Kingdom of God. Because someone says they are a Christian does not mean they are Christians. "You will know them by their fruit." The fruit of our religious institutions that man has built in America is hell and the ways of hell. This explains why the religious church in America is so silent. Our American churches do not cast out Satan because Satan does not cast out Satan. America now has more false religious churches, evil spirits, demons, demonic strongholds, rulers, spiritual forces of wickedness, high places, and false prophets than any nation in this world by far. America's false religion is causing our nation to reap a nightmare harvest of religious hell and Satanic ways.

Most of you say Jesus is your LORD but your actions do not prove that. Your in-action correctly tell of your falling away from the living God and that He is not your Lord! For years now the American Church has been tolerating evil and has remained silent when the demonic systems of this world invaded our nation. The Christian Community was warned in 1963 that Communists/Marxists agents from the Frankfurt School in New York had declared war on Christianity in America, our morality, our family structure, our children, and the American Church totally ignored the warnings. But don't take my word!!! Look at the church in America today as the enemies of Christ exalt themselves against the Word of God and so-called Christians are silent and remain in their safe zones. When the enemies of God said that God was not Creator and that man evolved, the church in America was silent and did not practice

the Lordship of Christ in our nation. When the enemies of God assaulted our Christian values and our moral compass, Christians in America remained silent and did not practice the Lordship of Christ in our nation.

In recent years, when the enemies of Christ begin to change the meaning of our language, the false church in America did not respond with the truth of God's Word. When the enemies of God began to assault the gender of men and women, and thousands of people, young and old, were mutilated by evil surgeons and the American Church did not proclaim the Word of God that God created male and female. No! Our actions proved that so-called Christians were church-goers and not Christians at all. We fell away from the living God and were silent. We were silent during the homosexual revolution, the sexual revolution, and when the enemies of God took the Bible, His laws, and prayer out of our culture, the demonic church of Satan in America remained silent and would not fight to get them back. Why not? – Satan does not cast out Satan!!! Jesus said, "You will know them by their fruit."

Even at this hour the American Church is silent when the enemies of God go on the internet, social media, television, movies, and late night talk shows and rail assaults against our Christian morality, the Word of God, and God Himself and the American Church is silent and remain in their safe zones. No, those who claim to be Christians, your actions do not line up with the Word of God. Jesus said those who hear the Word of God but do not act on it, build their houses on the sand and today, the storms of life are destroying home after home in this nation. Jesus said, "You will know them by their fruit." So-called Christians in America, God has your number. You fool a lot of people but you don't fool God!!! God knows who your real father is!!!!!! If you were of Jesus, you would be doing the deeds of Jesus!!! Jesus said to the religious in Mathew 12:30, "He who is not with Me is against Me, and he who does not gather with Me scatters abroad."

There is a reason it is so important that Christians who make Jesus their LORD and resist the evil before them. In the 1600s when the Puritans and Pilgrims were coming to America to escape severe religious persecution in England while at the same time Sir Francis Bacon, a demonic occultist and Satan worshipper was working in secret bringing occultist to America promising them that America would be the New Atlantis, an occult utopia. When the Christians found out about this secret evil plan, they “aggressively resisted the Sir Bacon forces of evil” while influencing the Founding Fathers to give them a Constitution with inalienable rights from God to protect the citizens against ruthless governments. This story has been lost in history until Paul McGuire recently discovered it in his research. What a contrast between the Christians in 1600 and so-called Christians today in America!! Without Christians resisting the evil before them in 1600, America would not have our Constitution and our rights from God. Because so-called Christians are not resisting the evil in this nation today, we are losing our Constitution and rights from God. The moral of this story is simple – those who resist evil are Christians and those who do not are lost.

The time for playing religious games in our churches in America is over. If you say Jesus is your LORD, you must bring forth fruit that shows it. To be a pretender, is mocking God. God is not mocked; whatsoever you sow that shall you reap. We have tried to fool God long enough. Judgment is for those who claim to be a Christian but their life and fruit show something else. Yes, the time of church pretenders are over. “Those who hate the LORD would pretend obedience to Him and their time of punishment would be forever!” (Psalm 81:15)

Every day, every minute, every second, something is telling me to quit, to back off, chill out, ease up – things will get better. Even now God is shaking everything that can be shaken. No things will not get better until Christians change their thinking and get back to obedience to our LORD Jesus Christ.

In America, with all our freedoms, Christians do just about anything we please. We wrap it in our religion and the Name of Jesus but it has gotten us into one big spiritual mess. Only Jesus and our obedience to Him will get us out of this spiritual mess. You can believe that and become part of the solution – or we may perish as a nation.
