

Muslim terror festering in America: exposing Obama's Islamic operatives

As we head into 2016, Islam remains on course to dominate the United States of America. While somewhere between five and seven million Muslims inhabit our country today, they expect to gain 20 to 30 million of them by 2050—at current legal immigration rates.

If you recall 30 years ago, economists and academics called Lebanon the “Switzerland of the Mediterranean.” Unfortunately, it began its quest to “multiculturalize”—and succeeded. Today, Lebanon runs the gamut of Islamic terror attacks, multiple cultures, multiple languages, ruined economy and shredded civil society.

In France over the New Year's night celebration, Muslims torched 804 cars in various forms of jihad against the French. (Source)

While Muslim numbers statistically remain minimum in the USA, they push at every opportunity to bring Sharia Law into being in our country, i.e., Garland, Texas; Minneapolis, Minnesota; Detroit, Michigan where their numbers explode. They remain pernicious in their quest.

America's number one Muslim, Barack Hussein Obama, features in excess of 12 Islamic aides in the White House. Each carries on “soft or stealth” jihad against America.

Artif Alikhan, Mohammed Elbiary, Rashad Hussein, Salam al-Marayatii, Imam Muhammad Magid and Eboo Patel advise Barack on a daily basis.

If you remember back in 2007, Obama promised to “fundamentally

change America.”

This video proves with documents and facts how Muslim operatives wage their jihad against America. There are more of them, but this video chills any American with the facts by top ranked American federal agents.

This video should go viral: it's a playbook for overthrowing our country: EXPOSING OBAMA'S MUSLIM OPERATIVES

After you watch the video, you may want to vomit or see your counselor or call your representatives. We face serious threats from Obama in his last year office.

Whether you appreciate Islam's march across Europe and think it won't begin to dominate here, you would be sadly mistaken. It's not a religion solely. It commands total domination of economic, banking, religious and daily life through Sharia Law. It's malicious and degrading to all of humanity. It's violent beyond anyone's understanding.

“Islam isn't in America to be equal to any faith, but to become dominant. The Qur'an should be the highest authority in America, and Islam the only accepted religion on Earth.” Omar Ahmed, director of Council on American Islamic Relations.

At its core, it provokes violence toward anyone who does not understand its doctrines. Its Sharia Law proves itself the most violent, angry and sickening set of rules ever written down on paper on this planet.

“How dreadful are the curses which Mohammedanism lays on its votaries! Besides the fanatical frenzy, which is as dangerous in a man as hydrophobia in a dog, there is this fearful fatalistic apathy. Improvident habits, slovenly systems of agriculture, sluggish methods of commerce, and insecurity of property exist wherever the followers of the Prophet rule or live. A degraded sensualism deprives this life of its grace and refinement; the next of its dignity and sanctity. The fact

that in Mohammedan law every woman must belong to some man as his absolute property – either as a child, a wife, or a concubine – must delay the final extinction of slavery until the faith of Islam has ceased to be a great power among men.”
– (Winston Churchill / 1874-1865)

As you can see from these great historians, no one writes a good word about Islam.

“I studied the Koran a great deal ... I came away from that study with the conviction that by and large there have been few religions in the world as deadly to men as that of Muhammad. As far as I can see, it is the principal cause of the decadence so visible today in the Muslim world, and, though less absurd than the polytheism of old, its social and political tendencies are in my opinion infinitely more to be feared, and I therefore regard it as a form of decadence rather than a form of progress in relation to paganism itself.” Alexis de Tocqueville

Please forward that video to all your networks. Americans flat out don't possess a clue as to Obama's power to destroy our country in the coming 12 months. Whereas France suffered 804 torched cars over the New Year's, Muslim can't wait to torch the United States of America.

If you don't want a Paris, France or San Bernardino event in your community, it's time to call for a total “Immigration Shutdown Now.”

Call your senators and House rep: 1 202 224 3121. Demand a stop to all immigration and stop to any Syrian immigration.

Definition of slogan: “Immigration Shutdown Now means the American people want a total shutdown on all legal and illegal immigration. That means we want all illegal immigration stopped by arresting, prosecuting and jailing employers of illegal aliens. We deport all illegal aliens by taking their jobs away and as we catch them. We want English mandated as

our national language. We demand a cessation of Muslim immigration in order to protect our culture, language and way of life. We can't save the world but we can destroy our civilization. We demand a stable population that allows everyone to live, work and thrive into the 21st century. Especially our children." FHW

That's why you need to take action. Send this series to everyone in your network. Educate them. Urge them to take action by joining these websites to become faxers of prewritten letters and phone callers. We must force Congress into an "Immigration Shutdown Now!
