

# **New Portrait Of Trump Driving Liberals MAD(ER)**

Frequent contributor to this column, Lawrence Craig sent us this note and portrait which affected this writer deeply, and included this note:

“I LOVE THIS PAINTING OF SIR DONALD OUR COMMANDER IN CHIEF AND PATRIOT TRUMP PICKING UP OUR FLAG, HOLDING IT TO HIS HEART WITH SUPREME LOVE AND DETERMINATION ON HIS FACE, GENTLY WIPING THE SEDIMENT OF WAR FROM HER STARS AND STRIPES, SO SHE, WHILE WOUNDED, CAN CONTINUE TO BE OUR GALLANT SYMBOL OF LIBERTY, PRIDE AND FREEDOM AS WE THE PEOPLE UNITED WITH OUR PRESIDENT STRIVE TO DEFEAT THE PLAGUE OF COMMUNISM SEEKING TO ENGULF US AND ALL FUTURE GENERATIONS.”

Mr. Craig could not have described this painting better. I personally felt a lump in my own throat when seeing it, due to the gratitude I felt for Mr. Trump for putting his own wealthy life on hold to dive into the mess America has become due to a faulty steering wheel, which he will fix.

Embrace this portrait with your eyes and THINK how fortunate we are that God sent him to us.

The gifted artist who created this image of President Trump, Jon McNaughton, was inspired by the NFL's ugly protests against the American Flag when The National Anthem is played before their games, the very flag under which they all became famous multi-millionaires. Strange protests indeed. Nuts if one wishes to be precise.

This is what led portrait artist Jon McNaughton to place his subject in the middle of a football field, titling the work, "Respect the Flag." The love and respect President Trump's face and body posture displays as he clutches the American Flag over his heart says it all. The reception of this portrait was hugely embraced by the public

The only protests against this portrait is from the Democrat-Communists, defined as 'dead from the head.' They only want to tear down anything of beauty, passion and patriotism. They produce gloom wherever they gather, attack people and slander anyone in the news. They want every American to be just like them and want America to become a third world progressive dictatorship

So let us examine what the opposite kind of "art" would look like from a Democrat Communist. Here's that headline: HOLLYWOOD Actor ATTACKS Sarah Huckabee Sanders via Democrat"art"(?)

It is pathetic to see one pretend have talent such as being an actor or entertainer or even an artist even though they have no talent. Yet they are all over the place.

We now put the spotlight on alleged movie actor Jim Carrey, who fancies himself as an artist and proceeded to paint a portrait of The President's Press Secretary, Sarah Huckabee Sanders and had it published for the world to see. That horrfic political painting was a deliberate insult because she is a conservative. Why would Carrey do this to a very respected and kind woman? Simple. Carrey is a Hollywierd Democrat, and Ms. Sanders is a Conservative with a conservative father, Michael Huckabee.

Unlike the REAL artist, Jon McNaughton, who painted the portrait of President Trump, which was his intention, Carrey's work was created to insult his subjects making them look like angry constipated zombies.

How dare the totally untalented Carrey portray Ms. Sanders in such a degrading manner! How dare he?

Ms. Sanders is absolutely the best, most knowledgeable, efficient, press secretary in history. She is a gracious young woman who does her homework and is always thoroughly prepared. She looks good, dresses properly and inherited her father's manners and decorum.

So, forget anything Jim Carrey does. His movies have long ago been forgotten. This "sick painting by him is only in the news since a REAL artist was recognized after painting a very beautiful, accurate, and right on target portrait of the most powerful man on earth which is rightfully getting all the attention.

RECOMMENDED. Go to the facebook page for artist Jon McNaughton and order a copy of his painting. That is the way to fight back and support a great artist who is also a patriot. You can also find that trashy “portrait” that Jim Carrey did of Ms. Sanders.

So there dear readers, we have exhibited a tutorial of how conservatives and leftists differ, whatever they do.
