

# New world order neocon republicans voting for Hillary

[NOTE: The opinion in this article is the opinion of the author and is not necessarily the opinion of NewsWithViews.com, it's employees, representatives, or other contributing writers.]

I've been biting my fingernails wondering if I should pursue the Jewish issue further since I had both favorables and an unfavorable remark to my last article, but mostly favorable which gives me courage to try again.

The first favorable was from Jon: "Shocking! Not what you published, but that you published it. Presumably you are aware that you will now be branded an anti-Semite and various other slurs by the ADL, SPLC and lesser attack dogs, thus limiting your influence amongst the profane. We must be wise as serpents, but harmless as doves. I have been factually aware for at least two years that America is controlled by political Zionists, but have been reluctant to categorically state it as such, because it's too strong a dose of truth for lethargic and overly busy people who've been propagandized for at least a century or more – propagandized by government, educational institutions, which includes the establishment churches, and various media modes. "

And then there is Charlie who sent me a 40 minute video about who destroyed the World Trade Center building on 9-11 so lethargic and overly busy people can hear the truth about who was responsible. [YouTube Link] And two books by Rebekah Roth.com describe the deliberate destruction and how, right around 9-11, roughly 180 Jewish Art students were rounded up in a spy ring. Most were actually military or Mossad agents,

some trained in explosives and lived on the 91st floor of the WTO.

Despicable Disgrace to Christianity Tries to Educate the Profane

And then there was Ken who said he was an Orthodox Christian and he found me to be a despicable disgrace to Christianity and used a number of adjectives evaluating my IQ and that I was totally ignorant of the subject matter and that he was sending the article to NewsWithViews requesting that hate filled bigots such as me should not be allowed to have anything on their website," which proves what Jon said above "thus limiting your influence amongst the profane;" And because I'm 80+, I don't have much more time to influence the profane, so while I've been blessed with good health and many "truth seeking" friends who love to do the heavy-duty research, I'll give it one last try. Blessed be the Lord my strength, which teacheth my hands to war and my fingers to fight. Psalm 144:1

However, had Ken, the Orthodox Christian critic checked, he would have noticed I was one of the first contributors on NWV going way back to October 2001. With only a high school diploma, no Piled Higher and Deeper (Ph.d's) degrees and only the degrees of MRS (61 years)and MOM, I wrote my first article for NWV. I gained my courage in the 80s from using recently deceased Eagle Forum Phyllis Schlafly's material when I'd testify before the Oregon legislature. Charlotte Iserbyt and her education researchers likewise gave me plenty of material for my numerous newsletters I published. I recommended them to NWV which helped the alternative news website to grow rapidly. My first article was printed on October 1, 2001 entitled "Our Lives, Our Fortunes and our Sacred Honor."

THANKS TO PAUL WALTER AT NWV FOR HIS COURAGE

My long time friend of many years, Paul Walter, founder of NWV

should be thanked for courageously publishing my articles. I'm sure a few bucks in a thank you note would be appreciated for this website and mailed to NewsWithViews at P.O. Box 370, Merlin, Oregon 97352. He was born in Slovenia (which used to be a part of Yugoslavia) and came to the U.S. in 1958, assimilated and has worked diligently ever since for his new chosen country. Ironically, the day after I typed this sentence, NWV put out an e-mail alert on 9/23 stating they were launching a Huge Fundraising Drive to Grow and Educate New Readers called "Crowd Funding" and they went on to explain how it works. In September 2014, Paul was honored with the "Fount of Freedom" award in the nation's capital.

#### HILLARY SENDS OUT WARNING TO PROTEST

And at this very same time (Sept. 21), Hillary Clinton was shrieking on a 45- second T.V clip to a group of Union Members in Tulsa, Oklahoma" "Why aren't I fifty points ahead?" giving a clear signal to unions, who can be quickly agitated and organized by their communist leaders if she loses in November that all Hell should break loose and we'll have a REVOLUTION. I would pray these members who are forced to pay dues to support liberal causes which they do not approve would not fall into the trap because I highly suspect many of them are voting for Trump.

Astute Americans have been saying for quite some time that Obama will have a Third term because a "revolution" will break out after the election if Hillary loses, Obama will declare Martial Law (his Smoking Gun) and put all of us in "lock down" and he'll go on to be President which could result in a coup d'etat and a new president inaugurated in January.

#### THE LAST COUP IN 1910

Our last coup d'etat that has brought us to the breaking point in America was in 1910 when the Federal Reserve was spawned at Jekyll Island, Georgia with a large group of primarily Jewish

bankers. It was nothing less than a coup by the elite bankers, taking control over the US money supply since the Federal Reserve is not federal at all, it is a collection of 12 privately held banks, nor is it a reserve since they literally create money out of thin air.

First of all, let me make it perfectly clear, I do not hate the Jewish people. My first employer was named Ail. Another employer was Greek and I'm German. How's that for diversity? I listen to Jewish radio talk show hosts who always treat Christians with deep respect. I've probably had Jewish friends and didn't know it because occasionally they change their names, i.e current Secretary of State John F. Kerry (really John F. Kohn), a Yale University Skull and Bones initiate. The 8/23/2004 NEW AMERICAN said this "secret society" is not a laughing matter. It is not Fred Flintstone and Barney Rubble at the Royal Order of the Water Buffaloes or Jackie Gleason and Art Carney in their fictional Raccoon Lodge. This is one of the highest political offices of one of the most powerful nations on the planet being sold in a closed auction where both bidders are members of the same secret society of high-level power brokers and anything but harmless or benevolent and the NEW AMERICAN article helps readers to understand why things rarely change in politics.

But when it was leaked by Kathleen Hartington Townsend, a Democrat and daughter of Robert Kennedy on her Facebook that old 92 year old veteran Republican and former President of the U.S. and a BONESMAN George H.W. Bush was going to vote for Hillary, the adrenaline started pumping again and I remember all the hours and \$\$\$\$ I put into the Republican party after breaking free of the socialist/Democrat party when a couple GOP precinct women showed me a platform comparison. My husband and I were business owners and we definitely were Republicans. So, in 1980 we re-registered as Republicans and our farmer parents also died as Republicans. While many of our new recruits from the Democrat party tried to increase the GOP

numbers in Oregon, statistics prove it was the “Non-Affiliated” and “Others” that were gaining ground and if these figures hold true in other states, as I think they will, this is why we see the Trump candidacy so successful because he is seen as an “outsider.”

## PARTY PLATFORMS LIKE A WHITE WEDDING DRESS

Now, I’m the first to recognize that party platforms are like white wedding dresses, worn once and often fly under false collars but all the new converts to Republicanism from the Democrat party were determined to make a change. My faithful husband whose name you’ll never see on a marquee kept the roof over my head as I began innocently dabbling in this corrupt political system thinking I could make a difference. I’m continually reminded how President George Washington early on warned us not to get entangled in foreign affairs and on the recent 9-11 Memorial as I watched families still grieving over the loss of their loved ones in another false flag mentioned above in the 40 minute video, I was reminded of the thousands of lives lost in all the false flag wars such as the ISIS one we are in today.

## AND THEN THERE WAS THE PROJECT FOR THE NEW AMERICAN CENTURY

So why did we get bogged down in Iraq? The Project for the New American Century from liberal-controlled Wikipedia (PNAC) said it was a conservative think tank based in Washington, D.C. that focused on United States foreign policy – exactly what George Washington warned us not to get involved. The PNAC was established as a non-profit educational organization in 1997 and founded by today’s “Never Trump” Trotskyites William Kristol and friends. The PNAC’s stated goal was “to promote American leadership.” The organization stated that a “American leadership is good both for America and for the world”...

## HOW WASHINGTON CREATED ISIS

Of the twenty-five people who signed the PNAC’s founding

statement of principles, then went on to serve in the administration of U.S. President George W. Bush, including Dick Cheney, Donald Rumsfeld, and Paul Wolfowitz. Observers such as Irwin Stelzer and Dave Grondin have suggested that the PNAC played a key role in shaping the foreign policy of the Bush Administration, particularly in building support for the Iraq War. Readers will recall, Bush convinced Congress that Iraq had Weapons of Mass Destruction so they voted on his Resolution to attack Iraq and now people wonder why we are so hated in the Middle East because no weapons were found? The mother of all blowback: How Washington created ISIS.

But lest we forget, it may bode well for Bible thumpers to remember Genesis 36 and how Abraham and Sarah's disobedience to God started this whole mess in the Middle East between Jews and Muslims so could that be a message for America and our disobedience? Will Pride Destroy America? Under President George Bush our intelligence services (CIA, NSA, etc) were also tainted, crooked, corrupt and untrustworthy. Former Secretary of state Colin Powell later said he was "embarrassed" that he went before the U.N. Security council and lied about Saddam Hussein's non-existent weapons of Mass Destruction.[1]

The project for the New American Century ceased to function in 2006; it was replaced by new think tank Foreign Policy initiative- again co-founded by Trotskyite Republican Bill Kristol and "Never Trumper" friends in 2009. Traitor Bill Kristol on FOX with Brit Hume on 9/21 was really worried Mrs. "Status Quo" Hillary might lose.

#### THE U.S. TO BECOME ISRAEL'S PROXY

Another source indicated the Neocon Zionist Agents of influence were given a script to go by formulated by radical Trotskyite communists – men like William Kristol, Paul Wolfowitz, Dick Cheney, Donald Rumsfeld, Libby Lewis, Douglas Feith, Richard Pearle, Michael Ledeen. The PNAC essentially

called for the U.S. to be Israel's proxy. (BTW, Hillary claims she had a Jewish grandmother.) As the world's sole Super Power, the U.S.A. was to flex its diplomatic and military muscles. A new Cold War was to be launched, this time against a newfound, virtually imaginary foe, hordes of Hollywood-carricatured Arab Moslem "terrorists." Following a horrendous and bloody 9-11 ritual sacrifice , the Illuminati were convinced that an aroused populace would give their inspirational puppet, George Bush , the Orwellian tools to bring in a police state.[1]

So, how does scenarios #2 sound as compared to #1 from the liberal controlled Wikipedia? President Obama's Chief of Staff , Rahm Israel Emanuel once said never let a crisis be wasted and we've been creating crisis after crisis and then chasing Muslim terrorists ever since 9-11 in a variety of so-called terrorist attacks. Google HOAX and the name of some of these so-called attacks, i.e. HOAX Orlando nightclub.

NWV long-time contributor has spoken out about ISRAEL and Jews in his article KILL THE INFIDELS! He also recently wrote about America's ten worst presidents naming BONESMAN George W. Bush and all his unconstitutional maneuverings bringing the U.S. closer to the globalist's dream of the Biblical one world government. In the interest of space, I won't mention more. Just read his article. However, the U.S. did become a surrogate for Israel to wage WAR in the Middle East countries in order to control the oil and all this had to be done with the puppet George W. Bush in the White House. So the grooming began.

#### BUSH PRETENDS HE'S CHRISTIAN AND BECOMES TEXAS GOVERNOR

Bush knew the State of Texas had a large population of Christians so when he decided to run for Governor against his Democratic opposition, the silver tongued reprobate, Ann Richards, he let it be known when asked if he believed Jesus was the only way to heaven, he responded: "I believe that

people who do not accept Jesus cannot go to heaven.”

But five years later when he wanted to run for President he knew he would first have to win approval of the Jewish bigwigs. Chief among the Jewish groups he would have to bow down to was the Talmudic elite of the Jewish ADL whose president is Abe Foxman. Read in my earlier article how Foxman rightfully criticized Reverend Billy Graham for his hypocrisy. And if Bush wanted to become president, he'd have to “ditch Jesus.” Noooo problem for an unprincipled and ambitious, would-be president of the U.S. born with a silver spoon in his mouth who understood he'd have to become a lackey of the militant nation of Israel.[1]

#### ALL FAITHS GO TO HEAVEN

Young George just rounded up his mother, Barbara, and His Illuminati family pal and Judaizer extraordinaire, Billy graham and, using them as “cover,” he just up and changed his religious view on a dime. As Governor Bush's spokes person the talented Karen Hughes, put it in an official statement made to the Austin American-Statesman newspaper, Mother bush, Barbara the gray head, an Episcopalian who, incidentally, is a big believer in abortions, assured her son that people of all faiths, Hindu, Buddhist, Jew, Moslem, were going to go to heave even if they rejected Jesus as Lord. And then reinforcing Mama Bush's wide, umbrella-like religious spirit, Billy Graham told an inquiring Bush seeking the renowned evangelist's sage advice that he should never, but never preach to people that only the Christian religion was right or that Jesus was the only way. “Never play God...don't be harshly judgmental of others,” Graham counseled Bush. What a difference a run for the Oval Office makes![[1]
