Here's The List Of Those Still Supporting Bill to Remove His Secret Service Protection

Nine House Democrats are STILL pushing to have Trump's Secret Service protection (such that is isn't...) removed, on the basis that he is a convicted felon. This list is current as of July 15, two days after the attempted assassination.

Without further ado, here's they are:

- *Joyce Beatty – OH03
- *Troy Carter – LA02
- *Yvette Clark – NY11
- *Steve Cohen – TN09
- *Bonnie Watson Coleman – NJ12
- *Jasmine Crockett – TX30
- *Barbara Lee – CA12
- *Bennie Thompson – MS02 (Bill Sponsor)
- *Frederica Wilson – FL24

These elected “representatives” want Trump dead. There is no other way to put it. They continue to support the Bill, from April when the sham “verdict” came out.

Could they be accessory to the refusal of the Secret Service to properly protect the candidate? Inquiring minds REALLY want

to know.

If you live in any of these districts, OR KNOW ANYONE WHO DOES, make this fact known to ALL. Then, ACT. Here is their contact information:

A vast majority of Americans REGARDLESS OF RACE, CREED, PARTY AFFILIATION OR MEDIA-LABELLED "PREFERENCE" were shocked and horrified at the attempt on Donald Trump's life. Many have switched their support to him for the upcoming election. Many had already abandoned the Left. The upcoming election will show that in spades, as they say, if we are allowed to get there.

Usually, citizens' wishes are expressed at the ballot box, but since the Marxists in DC have obfuscated that process, we have

advance work. Serious, end-of-the-republic-as-we-know-it kind of work, and it cannot wait one more day.

CONTACT **YOUR** REPRESENTATIVE, be loud and clear. If you live in the district that one of these anarchists represent, do so multiple times. Make sure everyone you know in that district knows – INCLUDING Democrats, who can no longer close their eyes to the horrors afoot. THAT may take some nerve on your part, but you owe it to them and to America. The lib-otomized are often too far gone to connect the big obvious dots.

As reported by the [Daily Express US](#),

“A staffer for [Mississippi](#) Democratic rep Bennie G. Thompson has been fired from her job after posting on social media that she wished Thomas Matthew Crooks, the suspected shooter at Donald Trump’s [Pennsylvania](#) rally, had taken “shooting lessons” so as not to “miss” the next time.”

There is NO excuse for this. No amount of media blather or dogged party “preference” makes this OK.

While we still can, we MUST ACT.

You know I don’t mean taking to the streets. For now, we can still take to the internet WHILE WE STILL CAN. At the moment, we still have modern day comms. If the Marxist (Globalist/Uniparty/Aniu-American)insanity continues, that, too will disappear. You KNOW I’m not exaggerating; you saw or felt the Crowdstrike “web strike” last week. That was only a tiny taste.

Here is what to do;

*contact your “representatives” REGARDLESS of where you live. REMEMBER THOSE GOOD RED STATES OF TN AND FL ELECTED TWO OF THE NINE ON THIS LIST.

*SHARE THIS ARTICLE. Share this information, as widely as you possibly can.

We MUST – there is NO JOB MORE IMPORTANT – let DC know how we feel. 90% of them think they can do anything, because we won't. I've preached this for years.

OUR FAULT – OUR FIX!

Granted, at this late date, because we kept returning the same bums to office, our voices are often disregarded. But, with the attempt on the life of Donald Trump, there has been a seismic shift.

The Left and the DC cabal are off base and nervous. They have a party in disarray, as Joe Biden officially removed his name from their November ticket, and endorsed the only person in DC less competent than he, Kamala Harris, to be the Democrat Presidential nominee. He had to, of course, because she was their token 'black woman', but much of the rest of the party disagrees, even Obama! lol. They have some rough sailing ahead, in a craft listing badly.

For instance, THINK of all those 100 million or so pre-voted ballots that are now in the WRONG NAME! AND, will the illegals, already instructed to "vote for Biden" understand enough English to change that? LOLLOL

Chances are, though, they will bail out their sinking party enough to present a ticket of some sort to the fools who still believe that the Left is right. Scum floats.

Get busy. Use your "free time" in service of our freedom.
