

# No Troops Required, Just, The People, and The Law

Andrew C. Wallace

I have the utmost respect for what President Donald Trump has accomplished, and what he will do for America in the future. But he must stop the burning, killing, destruction, and insurrections promoted by Communist (Democrat) Politicians.

President Trump could use troops, but it would be far better if he empowered the people, to defend themselves and their property in accordance with our Constitution. He should also charge the crooked politicians with obvious violations of federal law, 2383 and 2385 of 115 of 18 USC. See details below.

It is difficult for many of us to understand why the President does not arrest the Politicians who are obviously violating the laws of the Republic by promoting insurrection.

We understand the difficulty, when much of the DOJ is supporting the criminals, and the FBI is beyond any redemption for their criminal behavior. It is common, and accepted knowledge that Equal Justice does not exist as long as major politicians such as Obama, Biden, and Hillary, et al, remain free of charges. The people, absolutely do not believe that Equal Justice exists. Many people believe that elected politicians have no ethics or morals whatsoever.

I am advocating two courses of action that would stop the terror and burning of our cities, and the ongoing efforts at insurrections. I have no confidence that our politicians in

either party will do anything unless they are pushed. Here are the two courses of action that will end the Communist Burning and Insurrection.

1. Empower the people, in accordance with the Constitution to defend themselves and THEIR property with deadly force, if required, without fear of politically motivated and crooked prosecutors. I called out Gov. DeSantis of Florida on this very thing in my last polemic.

### [FL. Gov. DeSantis, Allowing Denial of Florida Constitutional Rights](#)

Governor DeSantis, you have been a good governor, but you can't overlook, or dodge this responsibility. You will be harshly judged, if you fail to make it possible for citizens to exercise their rights, without fear, under the Florida Constitution, and a Civil War results. If you dodge your responsibility, like most weak politicians, odds are that you will turn over your state to new Communist Rulers...

2. President Donald Trump does not need troops, he only needs the courage to arrest the Democrat politicians for their violations of several sections of Chapter 115 of 18 USC. According to these simple laws, criminals could no longer hold public office. I encourage you to read the simple laws I have copied below.

**I hope you agree, and can support me in this effort. I look forward to your comments.**

**Go with God.**
