

# No true Catholic can vote for Hillary Clinton

I was shocked back in 2008 when I read how many Catholics voted for the criminal impostor in the White House, Barry Soetoro aka Obama, and Hillary Clinton.

But, then I read there were are many flavors of Catholics!

[Courting Catholics in 2008](#): “What we have is not one Catholic vote but several different Catholic votes: a Catholic Republican vote, a liberal left Catholic vote, a Catholic swing vote and a Catholic Democratic vote, which includes most minority Catholics. Among white Catholics, these differences are based in part on Mass attendance and religious beliefs. For example, more-observant Catholics tend to vote Republican while less-observant Catholics tend to vote Democratic.”

The author goes on to write: “Many white Catholics in states like Ohio and Pennsylvania have other characteristics that may lead them to vote for Hillary Clinton: Many are older, from ethnic backgrounds, are working-class people and members of labor unions – all groups that have tended to support Hillary Clinton.

“There may be some religious reasons for this support as well. Roman Catholics tend to have a communal focus on politics, particularly when it comes to social welfare issues. Sen. Clinton over the years has talked about social welfare issues in a way that can appeal to those communal values of white Catholics. For example, a few years ago, Hillary Clinton wrote a book called, *It Takes a Village*, in which she talked about how the community should come together for the welfare of children. Many conservatives criticized that book, arguing that it was collectivist, having a village rather than a family take care of children. But to many Catholics, this

sounded like just the right degree of communal involvement in the welfare of children.”

Yes, Hillary Clinton is a dyed-in-the-wool Marxist make no mistake about that. Her ‘community’ propaganda is communitarianism ([A VERY important read](#)). As for Hillary Clinton’s tried and true staple she cares about children, just like Obama, they both are supporters of killing innocent babies in the womb. No matter how Planned Parenthood, Hillary, Obama or any other ‘liberal’ try to dress it up, abortion IS murder. [Watch this video \(less than 10 minutes\)](#). You will see through modern technology an unborn baby developing and at **32 days**, that living, breathing baby is developing arms and legs. **LOOK and see the truth.** From conception to birth.

Do women really think an embryo is some dead piece of tissue that suddenly comes to life down the road? Hey, it’s magic! No, it’s life begins at conception. Too many babies who survive abortions [have been left in metal pans to die](#). Think Almighty God is going to bless those who allow such a heinous thing to take place? How Jesus must weep each time an unborn baby is killed in the womb or a baby born during an abortion survives and is left to die for He so loves the children.

The Catholic Church has never wavered: Abortion is murder. It is a sin to kill an innocent baby. There are no other factors to justify such a heinous act of savagery. There is no justification for ANY true Catholic to vote for a ‘pro-choice’ political candidate. It does not matter if the voting Catholic individual is working class, a millionaire, member of a labor union, Caucasian, Mexican, black, brown, Latin American, Asian. It does NOT matter. What matters is your soul if you’re Catholic and vote for an individual like Hillary Clinton, who like Obama, support not only abortion but the most barbaric procedure called ‘partial-birth abortion’.

“After dilating the cervix, the physician will grab the fetus by its feet and pull the fetal body out of the uterus into the

vaginal cavity. At this stage of development, the head is the largest part of the body. . . . the head will be held inside the uterus by the woman's cervix. While the fetus is stuck in this position, dangling partly out of the woman's body, and just a few inches from a completed birth, the physician uses an instrument such as a pair of scissors to tear or perforate the skull. The physician will then either crush the skull or will use a vacuum to remove the brain and other intracranial contents from the fetal skull, collapse the fetus' head, and pull the fetus from the uterus."

Infanticide and Hillary Clinton [supports and defends it](#). One would expect nothing less since Hillary Clinton publicly drools over Margaret Sanger, a leader in the eugenics movement:

Exclusive: [Devyv Kidd exposes racist icon admired by Clinton](#) (Sources for quotes in column link)

"Sanger's vision was the work of Satan so much admired by Hillary Clinton:

"We should hire three or four colored ministers, preferably with social-service backgrounds, and with engaging personalities. The most successful educational approach to the Negro is through a religious appeal. We don't want the word to go out that we want to exterminate the Negro population, and the minister is the man who can straighten out that idea if it ever occurs to any of their more rebellious members."

"Sanger's vision so greatly admired by Hillary:

"Birth control is not contraception indiscriminately and thoughtlessly practiced. It means the release and cultivation of the better racial elements in our society, and the gradual suppression, elimination and eventual extirpation of defective

stocks – those human weeds which threaten the blooming of the finest flowers of American civilization.”

“Human weeds? Make no mistake about Sanger’s words – she is talking about black Americans.

“Margaret Sanger, October 1926 issue of Birth Control Review: “[Slavs, Latin, and Hebrew immigrants are] human weeds ... a deadweight of human waste ... [Blacks, soldiers, and Jews are a] menace to the race. Eugenic sterilization is an urgent need ... We must prevent Multiplication of this bad stock.”

“[Our objective is] unlimited sexual gratification without the burden of unwanted children .. [Women must have the right] to live ... to love ... to be lazy ... to be an unmarried mother ... to create ... to destroy ... The marriage bed is the most degenerative influence in the social order ... The most merciful thing that a family does to one of its infant members is to kill it.”

A poll I caught on October 22, 2016, allegedly shows Catholics would vote for Clinton 55% to Trump at 34%. According to this report for 2016, a whopping 69% of Democrat Catholics think Hillary Clinton would make a good president. Really? Those ‘Catholics’ apparently are willing to spit in God’s face while they wait to see what Hillary will promise them for jobs and **unconstitutional spending** for ‘women’s issues’ and welfare programs. Those ‘Catholics’ seem perfectly willing to ignore God’s commandments, NOT requests: Thou shalt not kill. For material things they are willing to defy the teachings of the very religion they claim to be part of putting their souls in jeopardy for all eternity.

[Catholic bishops condemn ‘ugly’ and ‘anti-Catholic’ emails between Clinton team](#) – Hildebeast has not denounced such bigotry.

Like Obama, Hillary Clinton is also a true champion of sexual deviants. Men who **choose** to have bowel movement sex. Yes,

that's what homosexuals do when they practice their filthy sexual **preferences**: Have sex in each other's poop. For anyone to claim putting a man's private part into another man's rectum and mix it into their feces is normal, natural and healthy is a liar.

ANY so-called Catholic who supports Hillary Clinton spits in God's face for it is HIS laws by which we must live by until our day of judgment comes. HIS laws are clearly spelled out in the Holy Bible, KJV:

Leviticus 18:22 – Thou shalt not lie with mankind, as with womankind: it [is] abomination.

Leviticus 20:13 – If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood [shall be] upon them.

Romans 1:26 – For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature:

Romans 1:27 – And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet.

Romans 1:32 – Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.

Now, I'm sorry if Catholics are offended by this column, but it's not me you should be worrying about. It's Almighty God's wrath and your soul that you should be worried about because no one escapes this life alive. Eternity is a long time and you can't take your car, welfare check, your job, your nice house, wardrobe or any other earthly possession with you as you take your last breath. It is at that moment we all

experience alone that we WILL face the one true God.

If Catholics who don't like the Catholic Church's position on abortion and sexual deviants, go find another religion for 'Christians' that will accommodate sin, debauchery and whatever current cultural fad is in favor.

This past week:

[Voters are Reporting Trump-Pence Choice is MISSING From Ballot](#). In March 1996 when I ran for Congress, on primary night my name was missing from the ballot in the biggest county in the district. My mother and I had to write in my name. The Republican Secty of State at the time (now serves in Congress) didn't find anything wrong with that. Told me to sue if I didn't like the outcome of the election. That's when I left the GOP to become 'no party' and have remained so ever since.
