

Now MAGA's Are Turning On Trump?

Will They NEVER LEARN???

Publicly calling out our President is the same as joining ranks with the Left, at this moment in time.

IMHO.

Tucker Carlson and Senate leader John Thune (R – SD) are two who have engaged in this treachery in the last week. Great guys, I'm sure. HOWEVER . . .

Donald Trump is OUR BEST HOPE FOR PRESERVING OUR FREEDOM. He seeks peace. Everyone must understand that by now. That is THE reality of today. Lifting legs on him does NOT preserve our Republic. It only serves to divide people.

LIKE TRUMP OR NOT, our lives are in his hands. Listen up, Tucker., et. al. We are “following” freedom far more than we follow you.

In the last week, Tucker Carlson has led the public charge to call Trump out for his handling of peace/war efforts. After the exchange of attacks between Israel and Iran, others commenters are joining in.

UpChuck Shumer, has become your new bedfellow.

The utter silence of Senate Majority Leader John Thune (R – SD) puts him in league with Shumer, and the “No Kings” Rioters.

Three groups of losers stand out: those looking for more clicks; those who honestly think that dividing Conservatives is somehow smart; and those who have been afraid of mentioning an crucial issue for fear of retaliation but now join the “Trump did wrong” gang: I am very disappointed in you all. You know who you are, and it is clear that you do not care.

Now is the time to draw Americans together against the One World Communists who are calling for more destruction this weekend and onward. Now is NOT the time to critique our leader.

It is NOT the time to whine about the most pro-American POTUS we have ever had.

In the last days, since Israel decided it could wait no longer to destroy Iran’s nuclear capabilities, and Iran has fired hundreds of rockets back on Tel Aviv in retaliation, The world is on the brink of WW III.

Sane minds pray for peace.

However, the demeaning of the ONLY world leader who has stood for world peace, is beyond ignorant. For all the “truth seekers” and headline grabbers hungering for revenue from more clicks, here is the message: Your freedom to speak may well soon be gone, because you could not hold your water.

Think before you spew. Trump is the one to follow if we want to live in freedom.

Whining is for children and leftists. Patriots stand behind the only person, it seems, who wants peace. Our president is far from perfect, but he is our future.

Decide if you want to stand with Shumer and the Marxists

dressed as “Republicans”, or with those of us who are praying hard, for peace.
