

# **A Macro View of Growth, Corruption, Subjugation, and Renewal of the Republic**

President Trump was using tariffs to return jobs to the United States and to end wars. No other President in my lifetime had the balls to attack these major income sources for the PSRRC. This is why the PSRRC, who owns the media and government, has been doing everything to destroy him.

---

## **Police Can't Protect You! Citizens Must Secure 'You Loot, We Shoot' Legislation**

Remember that we live in a Republic, and we need to get it back. We don't live in a Democracy which always fails and is nothing but mob rule. Democracy in America only means the right to vote in a Republic.

---

## **Failure to Use Constitutional Tariffs to Protect Wages,**

# **Jobs and Industry is Criminal**

A return to tariffs and the Constitution would reduce government expenditures by at least 50%, and double the living standard of the people bringing peace to the world. Of course, this would not apply to those who could work but who refuse; they would starve or be in prison.

---

## **Definition of Congress: Venal Traitors, Second only to Judas Iscariot**

You really have no choice, if you have a brain and like to eat and live. I do a lot of reading, and I have learned that every major Economist that I know believes that, unless changes are made soon, the government and all their programs will collapse. This would cause a Civil War.

---

## **Politicians that Take Big Donor Money Will Not Get Our Vote, It's A Matter of**

# Loyalty

We must all stand up to be counted and vociferously demand that Congress follow the Constitution. If you don't effectively and vehemently convince Congress to do right, you will be supporting a dictatorship and/or a Civil War, similar to the French Reign of Terror, and it will be your fault, simple as that.

---

## **Are UAW and Auto Companies Ignorant or Corrupt for Refusing Tariff Protection?**

The average citizen can't afford an EV, even with government subsidies. The only purpose for EVs is to impoverish the people and ultimately to force them to use public transportation and public housing, like the poor slobs in the Communist Democrat Cities.

---

## **Millions Died From Shots, Blood Clots, Masks That Didn't Work, Now They're**

# Doing It Again?

Among those 80 problems are Myocarditis, Blood clots, Autoimmune Disorders, Fertility problems, Female Disorders, Reduction of the Immune system, and accelerated Cancer. This paper does not purport to cover even most of damage done by this vaccine. At my age, I would be dead if I got the shot because it would harm my immune system.

---

# Get Off Your Butt and Demand Your Rights Before Your Family Starves

I am aware that many people, like 'woke' college-educated women, don't like President Trump because of how he talks, his many foibles, and the PSRRC's continuous vilification, framing and smearing by the media and the corrupt justice department.

---

# Bribed Congress Enacts Unconstitutional Laws and Spends Trillions Unlawfully

Some writers estimate that for the last 100 years, 70% of federal laws were unconstitutional. The bottom line is simply that most members of both parties in congress are whores and

traitors who sold out the people. The courts are not much better.

---

## **Military Dead 108,866, Wealth Looted, Freedoms Denied By Parasitic Rulers**

The military industrial complex of the PSRRC counts their blood money, we count our dead, and the decline in our purchasing power required to finance the wars for profit and care for the disabled. Of course our losses are the PSRRC's gain.
