Donald J. Trump's Integrity

☒ Trump turned down \$300 million to accept former Speaker of the House, Gingrich as VP! This ought to confirm, for the Trump doubters who don't believe he's a genuine conservative, that he most certainly is, and more than that...he's true to his own honorable principles and integrity. We need to support this man monetarily as he needs \$2 Billion to help defeat Hillary Clinton.

There are a few reading this who I know don't understand that Newt Gingrich is a slick talking globalist politician and CFR (Council of Foreign Relations) member. Most folks don't even understand that since the 70s he's been an [Alvin and Heidi Toffler Third Waver](#). He's a loyal globalist and New World Order puppet. Bottom line, Newt is just another neo-con Trotskyite.

☒ If you still aren't sure about Gingrich, his stance on the Second Amendment should make it clear to America where he stands. If you check on the voting list of those who voted "yea" on [Public Law 101-216](#) in 1989 (**an update to the General and Complete Disarmament Law, Public Law 87-297**) you will find that Newt Gingrich voted in favor of section 2 of this disarmament bill which reads:

"(2) as defined in this Act, the terms 'arms control' and 'disarmament' mean 'the identification, verification, inspection, limitation, control, reduction, or elimination,

of armed forces and armaments of all kinds under international agreement to establish an effective system of international control."

Gingrich's disarmament vote alone would discredit him from even a long list of folks considered for Mr. Trump's Vice President. Trump's comments after the Orlando shooting tell where he stands. Trump didn't mince words Friday,  in Woodlands, Texas, as he addressed the Orlando terrorist attack, referring to the gunman as a "son of a b--" and arguing that guns in civilian hands could have mitigated the carnage.

Trump Says NO THANKS to Bribes

Here's the reality of Trump's true integrity. Trump needs donations, but he refused \$300 million (basically a bribe) to accept Newt Gingrich as his vice president. The MSM reported that casino magnate [Sheldon Adelson](#) was willing to contribute \$100 million to Trump's campaign, but what wasn't reported was the additional \$200 million the establishment offered Trump in exchange for choosing Gingrich.

Sheldon Adelson

Remember JFK and LBJ? LBJ was chosen as the VP for JFK because FBI Director, J. Edgar Hoover, gave LBJ the file on Kennedy's dalliances with other women. In 1959-1960, the news of Kennedy having affairs outside of his marriage would have ruined his career. Can you say "blackmail?" And then on November 22, 1963, Kennedy ends up assassinated, and we end up with LBJ as president and his unconstitutional "Great Society."

In 1980, Ronald Reagan was elected, and although many of us knew what Ronnie really was, he was elected despite his choice of George H.W. Bush for VP. Maybe he decided he was going to do the presidency his way, but only 69 days into his first term, on March 31, 1981, an [attempted assassination occurred](#).

John Hinckley Jr. was not the shooter. The shot that hit Reagan came from above and nearly killed him. After this assassination attempt, Reagan's administration was filled with CFR members. Years ago John Judge was a guest on the Roger Fredinburg show for two hours and he exposed what really happened with Reagan's assassination attempt. [[Link](#)]

Trump does not need another LBJ as vice president in the form of Newt Gingrich. If anything happened to Trump, Gingrich would bring the country right back into the NWO globalist fold, and Trump knows that.

All the talk of Senator Bob Corker being a VP choice is also just talk. Trump knows that [Corker was the deciding vote for the Iran deal](#).

So please stop listening to the MSM spewing all their beliefs and polls, because 99 9/10th of what they write is false. Trump needs a Vice Presidential candidate who has the same policies and beliefs that Trump has.

Gingrich Retaliates

✘ For weeks Gingrich was on every Fox News show, spoken about in the MSM, and portrayed as the number one choice by Trump for VP. As soon as Gingrich found out that Mr. Trump had declined the monies (which he needs), Gingrich started [lashing out at him publicly](#). Gingrich became vitriolic in his criticism of Trump. He stated that Trump made "one of his worst mistakes" for pointing out that the federal judge, (who should recuse himself) handling the Trump University lawsuit, has close ties to [LaRaza Hispanic nationalist organization](#). Gingrich told the Washington Post, "I don't know what Trump's reasoning was, and I don't care."

Gingrich talking to the Post was another purposeful slam at Trump. The Post is owned by Trump hating Jeff Bezos of Amazon. Trump has pulled the press credentials of the Washington Post

at any of Trump's press conferences because of the well-known malicious and venomous lies they spew about Trump. See the video below of Mr. Trump's press conference today and you will see the decent man that he really is.

Trump Needs our Donations

There have been millions of Americans who have attended Mr. Trump's rallies. I am calling on all of you to pass this article to any other Trump supporters. Why? Because Trump now needs the funds for his campaign against Hillary Clinton. He financed his own primary campaign...he received no PAC monies, but now he needs our help. If each of us who have attended Trump rallies would send \$100.00, he would be helped so very much.

I'm sending a donation to Mr. Trump every month because I want to save my country. We must now put our money where our mouths have been. "GO TRUMP" means we financially support him to MAKE AMERICA GREAT AGAIN.

DonaldJTrump.com and CommitteeforAmericanSovereignty.com are two authorized Trump PACs. To send a check by mail to the Committee for American Sovereignty, send to this address:

Conclusion

What did Jesus say in Revelation 3:16? "So then because thou art lukewarm, and neither cold nor hot, I will spew thee out of my mouth." So many are like this, lukewarm in all they do, but not Donald J. Trump!

The establishment crooks offered Mr. Trump mega bucks to take

their Vice Presidential choice of Newt Gingrich. Because of the integrity and honesty of Donald J. Trump, he refused their "offer," despite the fact that his campaign needs the funds. Trump is no "lukewarm" candidate, he's strong on his principles, and he hasn't wavered. Those principles and policies have resonated with Americans.

I fully believe the Lord's Hand is on Mr. Trump. I also believe that as long as Trump stands true to his convictions and never wavers, that God will supply his needs. Please, do what you can to help this man succeed and become America's 45th United States President.
