

Please Help Our Innocent Friends in Jail

By Coach Dave Daubenmire

I have been writing a near-weekly commentary for over 20 years. I cover a variety of topics with the central theme being how THE CHURCH has lost its effectiveness in the culture.

Here are 2 links to most of my commentaries [here](#) from 2004-2017 and [here](#) from 2017 onward. In the neighborhood of 1000 weekly commentaries about the way I see things...from a Christian perspective.

Check them out. I've been right more often than not. Not bragging...just telling the truth.

During that time I have never really tried to "rally the troops" to actively engage our governmental enemy. In all my 72 years I have never seen such criminalization of freedom as we have experienced over the past decade.

Today I am going to ask you to GET INVOLVED...to actually put fingers to your faith. Our fellow Christians need your help.

President Trump will be sworn in as President in less than two weeks and many of our friends are currently languishing as political prisoners as victims of a "government sponsored fake insurrection" on Jan. 6th, 2021. We must go to bat to see them released.

President Trump has vowed to release them, but it is imperative that he knows that we support HIM...and the political prisoners that he is duty-bound to release. He can do it with the stroke of a pen.

But the fake commie media has lied to the American people about what REALLY took place on that day. I won't take time to go into the details...but you can find all you need to know at www.stophate.com. Please take the time to visit and learn the real truth about government entrapment of American citizens. [Watch this!!](#)

The wrong people are in jail. The entire government-media narrative has been a lie. Over 1000 men are currently locked up in gulags across America...MANY STILL WITHOUT A TRIAL. Destroyed by a weaponized injustice system. President Trump has hinted that they would be released...WE MUST DEMAND THAT THEY BE RELEASED IMMEDIATELY UPON TAKING OFFICE.

Dr. King told us "injustice ANYWHERE is injustice EVERYWHERE." We, The People, must demand their immediate release.

Will you help us help them? YOU!! Will you just shrug and keep on reading, or will you actually help our friends who are being unjustly punished.

The [Bible reminds](#) us *"If you faint in the day of adversity, Your strength is small. Deliver those who are drawn toward death, And hold back those stumbling to the slaughter. If you say, "Surely we did not know this," Does not He who weighs the hearts consider it? He who keeps your soul, does He not know it? And will He not render to each man according to his deeds?"*

In addition, some of our fellow Believers are serving time in jail for peacefully rescuing unborn children in Tennessee. One of them, [Eva Edl is an 89 year old Holocaust survivor](#). She and 10 of her hero friends are facing decades in prison

for PEACEFULLY pleading for the pre-born.

Please watch this [1 minute video of Eva](#).

You do know, don't you, that there is no Constitutional right to an abortion in America? The SCOTUS struck down Roe v Wade and remanded to the states. THERE IS NO CONSTITUTIONAL RIGHT TO AN ABORTION. It is now a STATES RIGHTS ISSUE...yet the FEDS continue to overreach and prosecute beyond their authority.

These brave, compassionate Christians are my friends...laying down their lives to rescue the innocent.

Here is how YOU can help justice rescue my friends.

Simply send an email to President Trump. He must know that it matters to US and that we support the same mercy that President Biden granted to his own criminal son.

Go to [this website](#). Here is his email.
<https://www.45office.com/info/share-your-thoughts>.

Make your appeal short and sweet. Something like *"President Trump please free all J6 defendants as well as the brave Pro-life Americans incarcerated for standing up for the pre-born."*

Our friends have suffered enough. Their lives have been ruined. "The Lord Loves righteousness and justice..." [Psalm 33](#)

Please help my friends. Do it today. Share it with your friends.

These Believers will never be able to thank you enough. They are counting on you...I
