

# Presidents I've known

*Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the LORD; and in his law doth he meditate day and night. -Psalms 1: 1-2 KJV*

Sometimes you come across a piece that you could never make any better yourself and this is one of those pieces. The fact it was written by a retired military man makes it even better since military men of earlier years were pretty darn smart and observant.

Unfortunately, some of our military today are very liberal and have lived and served under the Obama regime for the past 8 years quietly standing by as he tried to turn our military into a “bunch of whining, sniveling” followers. It was very apparent Obama was not a leader of men by his actions and back stabbing of “some” of our active military.

Our military needs to know AMERICANS – TRUE AMERICANS care about them and pray daily for their safe return home in one piece. We are truly thankful for your service as we enjoy the freedoms so many have given their lives for.

Because I am a “lifer” in the military, I’ve seen the impact of a president more than many of you can imagine.

I enlisted with LBJ as president and saw just what a Democrat cluster flock was all about.

I went to Vietnam and saw how we were constantly and incessantly bombarded with micromanagement from Washington that got thousands of military people killed.

I sometimes wonder if I'll get to heaven, but if I go to hell, I'm sure I'll still be a few hundred floors above those bastards Robert McNamara, LBJ, John Kerry, Jane Fonda, and yes, even the "hero" John McCain.

After Johnson "abdicated" rather than having his ass waxed, I lived through Nixon who was hawkish but allowed the generals (and there WERE a few real generals back then versus now [like Creighton Abrams]) run the show. He was so out of touch that he never knew North Vietnam was about to surrender when the Paris Accord was presented.

Only God could help us after Gerald Ford was beaten by Jimmy Peanuts who'd been funded by Saudi money. The military was turned into Section 8 and even the White House suffered the austerity.

Then the light began to shine and Ronald Reagan swept into the fray. He not only loved the country and the military, they loved him back. Esprit d'corps was off the scale during his presidency.

The Liberals were slowly turning into socialists, however, and about this time all the draft dodgers of the 1960's who'd been given amnesty by Jimmy Peanuts were turning out college graduates with degrees in socialism.

✘ Bush 1 was an enigma from the CIA, and though he never did much either way, he NEVER DID MUCH EITHER WAY.  
Welcome to Bill Clinton. Clinton spent most of his two terms

wagging the dog and creating the Oral Office, sending a bomber to blow up Quaddafi's tent and killing a goat or two, while allowing the UN to set up the infamous Black Hawk Down situation. He made history by becoming only the second president to be impeached.

I actually felt sorry for Bush 2. He was doomed to infamy from the start. He thought most of America was still the rah-rah patriots of WWII, when they were simply socialists waiting to feed him to the sharks.

Then there came the Manchurian Candidate with a faked (OK Dems, let's say "of questionable origin" to assuage your PC brains) birth certificate, who'd gotten a free ride through college under a foreign student exemption, and whose college records and complete life history had been sealed. (We know more about Thomas Jefferson's supposedly bastard children than we do about Obama, Michelle, OR their two kids.)

From his inaugural address, he slandered America and within days had begun to encourage dissension of the races, as well as slandering police who "acted stupidly." That was mild compared to the crap that would come in doubling the national debt from what had been built by ALL PREVIOUS PRESIDENTS COMBINED, feeding us bullspit about how Muslims built this country, and nationalizing American industries. Fueled by George Soros' money and using the Air Force fleet as his personal charters, he appointed malcontents and traitors into positions of authority. He trashed the Constitution by installing "czars" (interesting he chose a title like that) to bypass Congressional authority.

By that time, Congress was completely corrupt on both sides of the aisle. No one had balls to impeach this charlatan. Mysteriously, the lone outspoken conservative Supreme Court Justice suddenly dies in his sleep, his body immediately cremated without an autopsy, at an Obama pal's hunting lodge and the Supreme Court is evenly split. Finally, Congress shows

some balls and rejects Obama's nomination.

The Libtards aren't worried because the fix is in. Soros has paid demonstrators to cause turmoil at all the Republican gatherings, Obama concedes that illegal aliens should vote as they won't be prosecuted, and Soros-manufactured voting machines are caught switching votes in certain precincts. Hillary has cheated her way to the nomination and her lies are completely ignored by the brainwashed minions of sycophants who follow her.

But a shocking thing happened on the way to the forum. Middle America had had enough and although the pollsters and the pipers tried to convince them not even to bother to vote, they were fed up with the denizens of the swamp. It was time.

Florida was designated a "swing" state ignoring that all those old retirees living in St. Petersburg, and the fed-up Cuban-Americans in Miami weren't interested in their platform. Ohio and Pennsylvania where coal production was blacklisted and where Obama had ridiculed them for "clinging to their Bibles and their guns," lay waiting for the supposed "landslide" Hillary vote **and creamed it.**

The Socialist world of the Democratic Party disintegrated. An American who expressed unbridled love of country and respect for police, firemen, and military steamrolled across the heartland and the liberals realized their scheme was trashed. A CONSTITUTIONALIST would be nominated to the Supreme Court, and if the hag who'd claimed she'd retire if Trump were elected would actually leave, the Supreme Court would have a massive majority of CONSTITUTIONALISTS for the next 40-50 years.

Now, the same party who'd ridiculed Trump on his comments about the election being rigged, started screaming that the election was rigged. They even advocated having the election

repeated. They created mobs that burned and pillaged, stopped traffic, threatened murder, batter, and rape of Trump supporters, and became the anarchists that the socialist dream thrives upon.

They run like castrated pigs for safe zones and use diaper pins as their national symbol. This is exactly what happens when political correctness takes over and participation trophies are awarded to everyone. They can't conceive how disgusting and subservient they have become.

Donald Trump may NOT be the best person for the job, but he's such a welcome respite from the candy-assed whimps who've been running the swamp that it's refreshing to see. At the very least, Donald Trump derailed the Socialist train and bought us precious time. If he only does half of what he's promised, we'll still be legions ahead of where Obama has dragged us. Already countries who held us in contempt are lining up to be found in the favor of America.

So for you liberal lurkers and you half-assed fence-sitters, kiss off. You had your big hurrah and now your party is over.

For you staunch Republicans *in office*, don't gloat so much yourselves. You've been put on notice by the American people that we're fed up with ALL YOU BASTARDS, and if you don't start putting America first, you do so at your own peril. You might want to buy a copy of George McGovern's autobiography and see how shocking and humbling it can be for a professional politician to try to find legitimate work once he falls from grace.

This election was pure, unadulterated AMERICAN. Hillary was beaten and AMERICA won the election.

You can claim he's not "your president" all you want, but unless you forfeit your American citizenship, YES, HE IS!!!! Go cry a river some place they need water.

By George Roof, Chief Master Sergeant (Retired) USAF

For those of you who never think about our founders and what they gave and sacrificed in the creation of this great country, this piece will mean nothing to you. Your history books refuse to tell you the truth because the men and women behind them today are liars and fools.

Their goal is that this country become "their" One World Order leaving freedom and equality at the borders as they allow illegals to share in our earned wealth helping to change our country into something it was never, ever meant to be.

Too bad this piece couldn't embrace the evil done by the elected especially since the Kennedy's years. Both sides of the political farce have passed legislation setting up the next to carry it one step further as to not cause "shell shock."

And all you entertainment types who make your living off of the American population and continue to say you are going to leave America if you don't get your own way – what are you

still doing here? Just creating more havoc and discontent.

As Americans, we don't want or need you here and we insist you honor your promise to leave – AND don't let OUR door of Liberty hit you in your backside as your leave. We will be just fine after you are gone.
