

Prism of America's Education: The Carousel of Hell

Where have all the statesmen gone?

I have never been so disgusted with a group of people as I am with this Do Nothing Useful congress. President Trump is getting knocked around daily, and congress does absolutely nothing. Do they not realize that 2 years is a very short time till the next election??

President Trump is doing Executive Order (EO) after EO, to get us out of the mess OBiden put us in, and Congress does what? Watches? If Congress doesn't turn these EO's into law, the next RINO or Democrat President can cancel them all! Once again, we will end up on the Carousel of Hell, going round and round, feeling like we're ready to throw up already. We've all experienced this as kids. You know, you eat too many sweets and a milkshake or 2, and whoa, that awesome carousel. Yeah, round and round, and there you go!

[Does Congress care? I think not. The Debt is meaningless to them.](#) What's a few more trillion to throw away? Elon Musk dared to take a hard look at the bloated, corrupt government agencies and what did he get for it?? His cars and showrooms were torched. His stock took a serious slide, and Congress did nothing. Actually, they made it worse, by refusing to make the

DOGE cuts permanent.

President Trump has over 200 lawsuits filed against the administration. The judges who should be defunded or impeached will always side with the Left. They could care less what happens to America, they only want to "GET TRUMP". Do you realize that by getting Trump, they are really destroying Americans? They are greedy, and don't care. Here is an action alert from Dr. Rich Swier:

TAKE ACTION: Tell your members of Congress to DEFUND ACTIVIST FEDERAL COURT JUDGES

PLEASE SHARE THIS WITH FAMILY, FRIENDS AND ON ALL OF YOUR SOCIAL MEDIA PLATFORMS

Remember: It takes 67 votes in the US Senate to impeach activist Federal Court Judges. However it takes 50 votes, plus JD Vance, to defund and eliminate all of them! Call your Senators and Representatives today, and tell them to defund them all NOW!!

[Newt Gingrich argues for cutting down district courts to curb judicial overreach](#)

[Florida has finally recognized the biggest lie of them all, "The Covid Vaccine is safe" Lie.](#) Governor De Santis is being proactive in dealing with both CHEMTRAILS and COVID injections. Where is Congress?? Where is the investigation into Fauci's activities? Why are we paying that genocidal maniac \$445,000 a year for his pension?

These issues and more, could be resolved if Congress was not full of RINOS. What is a RINO you ask? A RINO represents his donors, NOT his constituents. A RINO is a Republican In Name only, votes with the Left, and supports Socialist programs. I hope NC wakes up, [Tom Tillis is my RINO of the week. Who is yours?](#) Call Tom and tell him what you think.

Today's show and podcast are dedicated to RINO REMOVAL!!! My 2 guests are Daniel Jens and Gem Balboa. They are giving us a RINO education, and suggestions on how to purge them from Congress. [Daniel wrote the RINO Song](#):
