

Pro-Hamas/Palestine Protesters: Ignorant Dupes

By: Devvy

May 6, 2024

First thing on the madness we've been seeing on campuses of lower learning. Two factions. One is ignorant students who are actually enrolled in one of the colleges/universities and second are paid professional cockroaches who travel around the country. Their job is to whip up violence, rioting, spew hatred on college campuses while promoting Marxism/collectivism.

It's important to remember what started this: Oct. 7, 2023. An UNPROVOKED attack by Hamas on a holiday.

This was not Russia firing off missiles at Ukraine while Ukraine's military on the ground in the 'meat grinder' are shooting at Russian troops. It was not troops from two countries engaged in an actual war shooting at each other day in and day out.

No. Those savages outright murdered HUNDREDS of innocent mostly young adults at a *peace music festival*. Those sub-humans hauled off the pretty Israeli girls to rape and when done there, hunted down average, ordinary people who happen to be Jewish, firing off their rifles having a good old time shooting old people in the face, killing families, including babies, asleep in their beds and even killing family dogs. Hamas pigs hate Jews but don't seem to have a problem raping their women for their own sexual gratification.

For the psychopaths who belong to Hamas, the most vulnerable are just another target for a bullet. After all, they're just Jews. *Hamas murderers are Satan's Pimps who shall burn in his Hell for all eternity.* Forget the 72 virgins BS. Perhaps the next attack will be on OUR soil by Muslim zealots against Catholics. Or maybe Baptists will be the next target by Hamas cold-blooded murderers.

Will we see thousands of ignorant college students doing what we've seen the past few weeks celebrate murder against Catholics at a cathedral or Baptists at some large gathering by Hamas butchers? Wouldn't bet fifty-cents on that one.

Oh, gosh, we're only rioting, screaming and yelling against "apartheid" Israel. Just ignore the signs that say: Exterminate the Jews. Be careful what you wish for when it comes to Muslims who lie better than career criminal, Joe Biden and that's saying a lot.

["This Hamas Commander](#) says this is not about land, not just Palestine. "The entire planet will be under our law, there will be no more Jews or Christian traitors. Only then, if everyone adopts his law, will there be peace."

[Rashida Talib – What People Are Ignoring](#) – "This is an accurate well-written article: [Truth about Mohammed: rape, murder, molestation, beheading](#)

"Mohammed was "a psychopath (with) Allah (as) nothing but his own alter ego," according to Ali Sina, ex-Muslim, webmaster of FaithFreedom.org. Islam's prophet Mohammed (various spellings are given to his name, some being "Muhammad") was the David Koresh and Jim Jones of his time.

"Mohammed's Allah's religious activism prescribed for his disciples? "Fighting is prescribed for you. . .it is good for you." Koran 2:216. That is the baseline of Islam: killing, fighting, slaying, murdering, slaughtering, leveling, conquering, overcoming for the bloodletting. The baseline

includes Muslim slaying Muslim such as in “honor killing” – slitting the Muslim female’s throat if Muslim males conclude she has dishonored the clan.

“Read the daily news to see the killing cult enveloping the globe. Millions upon millions are in this marching “Islam world rule” army. They threaten every democracy. And who is Allah? Allah is Satan for he is the antipathy to the Bible’s loving God. When analyzing the Koran’s god, one discovers the devil as described in the Bible: “father of lies,” murderer, hater, insane, King of the Pit, Beelzebub, “that old snake,” the Book of Revelation’s “dragon,” overseer of the lake of fire and brimstone.”

“Ali Sina continues, “Muhammad invented this bugaboo deity to fool people and ride them. Allah is no god. Muhammad was a deranged man. He concocted this whole lie to fool people. He was no different from Charles Manson.” Do take the time to read the rest. And ask yourself this question: **What kind of religion forces you to be a believer or face death?** Not Christianity whatever denomination. Not Judaism. Only “Islam”.

Think you’ll be spared just because you protested while a student at some Ivy League college? Then you have NO idea just how blood-thirsty Muslims are in their quest for a world caliphate.

The other thing to remember is the people in Palestine elected Hamas to be their official government. 2006 didn’t get Hamas a majority of votes but those terrorists did win a majority of seats in their version of a legislature. Yes, Hamas, just like ISIS, Hezbollah and all the various blood-thirsty terrorist organizations think nothing of killing anyone who doesn’t believe their pedophile god, allah, is king of the universe.

In 1988, Hamas issued their covenant. Introduction: “Israel will exist and will continue to exist until Islam will

obliterate it, just as it obliterated others before it” (The Martyr, Imam Hassan al-Banna, of blessed memory).” [Page 1]”

Sound familiar? Nazi racial ideology bloomed under butcher Adolph Hitler who believed Jews were nothing but “parasitic vermin” and therefore must be killed so as to keep Germans the “pure race”.

How’s things working out for the average Muslim in Palestine since Oct. 7, 2023, when your government leaders – Hamas, the terrorists you elected – pulled that *unprovoked* attack? Have they come to your rescue to provide food, medicine, support? [Hamas leaders worth staggering \\$11B revel in luxury – while Gaza’s people suffer](#), Nov. 7, 2023

“While their people languish in poverty and are treated as human shields, the leaders of Hamas live billionaire lifestyles. The terror group’s three top leaders alone are worth a staggering total of \$11 billion and enjoy a life of luxury in the sanctuary of the emirate of Qatar.

“The emirate has long welcomed the leaders of the terror group and installed them in its luxury hotels and villas at the same time as it hosts a vast American military presence. One of the sons of Hamas leader Ismail Haniyeh lounges in a luxury hotel suite in Qatar. Haniyeh is worth more than \$4 billion.”

“ Hamas leaders live the high life while many of the more than 2 million residents of Gaza City live in abject poverty.”

While I haven't owned a propaganda box (TV) for eight years, I've seen so many videos the past few weeks of the rioting, tent encampments, the violence which grew faster than mushrooms spread across college campuses.

Young adults protesting wearing table cloths over their shoulders similar to the head diaper worn by terrorist Yasir Arafat; a terrorist probably most of those 18–23-year-old young adults have never heard of nor do they know how evil he was:

[Yasir Arafat's Timeline of Terror](#), Nov. 13, 2004

“Members of the media are focusing much attention on Yasir Arafat's legacy. Many of the historical briefs and timelines being published whitewash his decades-long involvement in terrorism. While they note that Arafat led Fatah and the PLO, the terrorist acts committed by these groups are often ignored.

“For example, a Nov. 4 [AP timeline](#), reproduced in the publications and Web sites of many different media outlets, lists only one failed act of sabotage in 1965, 3 suicide bombings in December of 2001 and one in 2002.

“In fact, groups under Arafat’s direct or indirect command – including Fatah, Black September, Tanzim and Al Aqsa Martyrs Brigade – were

responsible for hundreds of bombings, hijackings, assassinations and other attacks, including the 1972 murder of 11 of Israel’s Olympic athletes in Munich, the 1973 murder of the American ambassador to Sudan, Cleo Noel, and the 1985 hijacking of the Achille Lauro cruise ship (resulting in the murder of wheelchair-bound Leon Klinghoffer).

“The AP timeline instead highlights Israel’s anti-PL0 actions without providing the reason – decades of terrorist attacks against innocent civilians. Not only is the PL0’s history of international hijackings, kidnappings and child murders ignored, the terrorist organization and Arafat’s leadership of it are actually praised: Feb. 4, 1969: Arafat takes over PL0 chairmanship, transforms it into a dynamic force that makes Palestinian cause known worldwide.”

There is a difference between being stupid (like putting your hand over a flame on the stove) and being uninformed. What I’ve seen these past weeks in my America makes me sick beyond words. Check this:

[Columbia University Apartheid Divest: Who we are](#), Nov. 14, 2023 – “Columbia University Apartheid Divest is a coalition of student organizations that see Palestine as the vanguard for

our collective liberation. We are a continuation of the Vietnam anti-war movement and the movement to divest from apartheid South Africa. We support freedom and justice for the Palestinian people, and for all people. We know that true collective safety will arise when everyone has access to clean air, clean water, food, housing, education, healthcare, freedom of movement, and dignity...

“We are committed to creating a multi-generational, intersectional, and accessible space dedicated to fighting for abolition, transnational feminism, anticapitalism, and decolonization, and also to combating anti-Blackness, queerphobia, Islamophobia, and antisemitism.

“We keep each other safe. We do not believe that prisons, police, profit over people, militarism, war, colonialism, or imperialism will keep us safe. We reject the United States Immigration and Customs Enforcement Agency’s weaponizing of the United States’ racist immigration laws to prevent our international comrades and peers from speaking up.

“We reject the violence of the Israel Defense Forces-trained, police-industrial complex that chokes our communities and disproportionately enacts brutality against people of color. We believe that true, collective safety will only arise when we divest from death-making institutions and invest in life-affirming institutions—when everyone has access to clean air, clean water, food, housing, education, healthcare, freedom of movement, and dignity. There can be no exceptions.” Get the international **comrades**? What you’re seeing is the making of the ‘new Soviet man’ and vermin like the CUAD should be run off Columbia U’s campus.

Over the decades of writing columns, I have referred readers to the work of Jeri Lynn Ball who was so right and we are seeing the fruits of the Communist International Party ripening on college campuses, rotting the minds of your children. [Masters of Seduction: Beguiling Americans Into](#)

[Slavery and Self-destruction](#) was written by Jeri in 2000. I have all her books, but Jeri wrote a 25-page introduction from her book, Masters, EVERY AMERICAN – especially college kids – need to read. **What Jeri wrote is America today.** Jeri is one of the most accurate researchers I've known since I began my journey for the truth some 31 years ago.

“Prior to the Communist attack upon families and education, children were raised and educated to be principled individualists. From the founding of this nation until well into nineteenth century, children attended private schools, and they were prepared morally, intellectually and socially for productive lives in a free society. They received sound training in grammar and composition, history, mathematics, science, economics, and other disciplines.

“Parents used “strong, secure” disciplining and instilled into their children American values and virtues, including the “work ethic” (productiveness, self-reliance and other virtues), honesty, integrity, and independence. Parents did not tolerate welfarism in their homes and taught their children to earn all of their own money and material possessions “through successful work experiences.”

“In Masters of Seduction I have described the methods and techniques of American parenting experts, who make it possible for parents to raise their children to be happy, healthy, confident, competent, principled individualists.

“Communitarians have deliberately sought to undermine schools and universities and eliminate the intellect-oriented approach to education. They are methodically destroying family relations, creating juvenile delinquency, and shifting the raising of children to community groups and organizations. They denounce strong, secure disciplining and promote permissiveness because they want to turn America into a nation of dependent, brainless, directionless barbarians...

The Effects of Communistic Psychological Warfare on Americans

“In order to create their New World Order, Communists must destroy America’s fundamental ideas. Why? Because a nation whose citizens are governed and sustained by the principles of the Ten Commandments and which upholds and defends individual and economic freedom, is difficult to transform. Principled individualists think for themselves and are independent and self-reliant. They have integrity and self-respect.

“They’re loyal to their families, their leaders, and to their nation. A nation which upholds and defends principled individualism and laissez-faire capitalism has a high ethical standard. Its citizens will fight to defend their principles, their freedom and their unalienable individual rights.

“Today, most Americans are embracing the communitarian moral code, and this country is now in a process of disintegration, making it vulnerable to a takeover. Communists have sought to degrade the nation and to produce the maximum chaos. Communist psychological warfare has wreaked havoc in the lives and families of virtually all Americans. Human casualties—the drug addicts, criminals, alcoholics, suicides, neurotics, psychotics, the ignorant and the illiterate—number in the tens of millions.

“In his book, *The Index of Leading Cultural Indicators: American Society At the End of the Twentieth Century*, William J. Bennett writes, “[S]ince 1960...we have seen a 467 percent increase in violent crime; a 463 percent increase in the numbers of state and federal prisoners; a 461 percent increase in out-of-wedlock births...more than a doubling in the teenage suicide rate...and a drop of almost 60 percent on SAT scores.” The rate of divorce has “more than doubled.” The number of adults in prison now totals 2 million. Research studies show that drinking, drugs, and casual sex have become national vices.

“Since 1992, when Clinton and Gore began their bombardment of communitarian propaganda, teenage drinking and drug use has soared. Illegal drug use is now not only an urban problem; the use of alcohol, cocaine, crack, inhalants, marijuana, methamphetamines and other hard drugs has reached epidemic proportions in small towns and rural areas.

“Tens of millions of Americans are suffering from mental disorders, such as anxiety, panic attacks, depression, phobias, obsessive-compulsive disorders, eating disorders, manic depressive psychoses, and schizophrenia. Countless others are marked by aimless lack of purpose.

“The Communists—Using Every Means to Destroy America and to Create Global Totalitarian Police State. Masters of Seduction shows that our adversaries are not only fulfilling their vision of human reconstruction, but are using every plan and policy, every program and course of action, every law and institution—in short, every means to create a world police state. Communists are striving to achieve, among other things, the following ends: banish the traditional nuclear family, composed of a father, mother, and children; transfer the care and rearing of children to the community and to Communist-led youth organizations, such as the Boys and Girls Clubs of America and Big Brothers Big Sisters of America; gain control of the educational system, communize textbooks, and indoctrinate teachers with the Communist communitarian ideology; infiltrate and subvert all other cultural and social institutions, including the churches;

“achieve government control over the health care industry; gain control of the newspapers, publishing houses, motion picture industry, radio, television, and the Internet; use the environmental movement to gain control or ownership of private land and production and to wipe out industrial civilization.”

Never in my life could I have ever imagined seeing what I’ve

been seeing for a couple of weeks on college campuses. Signs: Kill the Jews, Death to America, Free Palestine, burning of the American flag. Efforts to fly the Palestine flag everywhere which thankfully has been stopped by real American students on campuses. **How absolutely shameful my America should resemble Nazi Germany under Hitler.**

Outside paid professionals coaching these kids how to hate, how to spew their hatred and cause violence. [Who was behind the wave of pro-Palestinian protests across the US?](#) “The group behind the [large-scale protests](#) is called A15, a movement that called for a coordinated economic blockade on April 15 in an effort to free Palestine. “There is a need to shift from symbolic actions to those that cause pain to the economy,” the group wrote online.”

[Nostalgia for the Mud](#), May 4, 2024 (Best column of the weekend): “It turns out, actually, that at least half the troops inside were not students at all, but rather semi-pro activists paid up to \$7,000 each by George Soros’s Open Society Institute and other overtly insurrection-themed orgs...” [Politico mocked for being surprised on who is funding anti-Israel protests: ‘Surprising to who?’](#)

My closing words on this: SHAME on any American student on

any college campus for supporting terrorists because Hamas is a big player in the game and they are nothing but dirty, filthy savages. *Hamas is the official government of Palestine so yes, you useful fools, you are supporting terrorists.*

No student at any college, university or community college in this country whether, black, white, brown, Asian, Republican, Democrat, Libertarian, Green Party, no party, Baptist, Methodist, Catholic, Jewish, Native American should ever be bullied by cowards wearing face diapers keeping them from going to class *because of investment decisions by a college/university.* A Jewish female student at UCLA was beaten unconscious so bad she had a concussion and hospitalized. SHAME on the cowards who did that.

Good for all the students who've stood up to those bullies and thugs chanting USA, USA and [singing the National Anthem](#).
