"We'll know our disinformation program is complete when everything the American people believe is false." -William Casey, CIA Director, 1981

How telling can this be? Saturday's [The Sons of Liberty radio show](#) was censored for exposing the mainstream media's conspiracy theories that turned out to be true (Jeremiah 11:9). This happened all in the face of the viewers' responses stating: "The Sons Of Liberty ought to be required listening."

As you well know, the CIA controlled media has a long history of propaganda, blatant lies, half-truths and even attempting to cover for conspirators (John 8:44). They helped prove the point again on Bradlee Dean's radio show.
