

RINO Republicans Helping Crockett in TX??

Congressional RINOS Show Their TRUE COLORS

[The National Republican Senatorial Committee just confessed they've been working behind the scenes for months to get Rep. Jasmine Crockett \(D-TX\) into the Texas Senate race.](#) In their great wisdom (yes, sarc), they decided that Crockett was "cryptonite", and running her would automatically save John Cornyn's seat.

This is **ignorance, magnified**, for two reasons:

FIRST, check out Cornyn's voting record, if you are not already familiar with it. His voting record "grade" is on the graphic above. He fails at conservative voting. Period.

WHY, THEN, would we work to save Cornyn, **especially** when his **primary opponent is Ken Paxton, the America First AG of Texas**. Cornyn has been in the US Senate since 2006. [Conservative Review's Liberty Score® grades members of Congress on the top 50 votes over a rolling six-year term. A letter grade is assigned to each member to help you quickly determine whether a lawmaker is supporting conservative principles.](#)

SECOND, Crockett might just accidentally get elected. Remember, some in TX worked hard in the past to sponsor a lot of fraudulent votes. The Left is purely insane, and just might

take Crockett's nomination and make something out of it.

Since last July, the NRSC admits that they began an orchestrated attempt to pressure the Left to nominate Crockett for the US Senate, with phone calls, texts, etc.

What the RINOS in the NRSC don't want you to know is that *Ken Paxton (an America First man)* is in a near dead-heat with Cornyn for the Texas Senate seat, and with the grace of God, just might win the Republican nomination. So, the RINO/Marxists decided to help their boy, John Cornyn, along. By pushing the nomination of the ridiculous Jasmine Crockett.

NSRC Chair is Tim Scott, SC. Vice Chairs are Marsha Blackburn, TN; Katie Britt, AL; Pete Ricketts, NB; Bernie Moreno, OH; and Jim Banks, IN.

The Comms Director is Sen. Johanna Rodriguez from Puerto Rico. She wants it understood that this is all about protecting Cornyn. Gee, thanks.

Here is their mission statement: "We provide invaluable support and assistance to current and prospective Republican U.S. Senate candidates in the areas of budget planning, election law compliance, fundraising, communications tools and messaging, and research and strategy. Guess jazzing Jasmine falls under "strategy"?

When you get over the wave of nausea welling up as you read, grab your phone!

ALL SITTING US SENATORS ARE MEMBERS OF THIS GROUP, if your state has a "Republican" Senator, it is YOUR job to tell them what you think of this! In the next 24 or so. Give them something to think about over our Christmas holiday.

If you think it's all just a clever move, then great. Those Senators already love themselves, so you won't have to call, BUT, if you think, as I do, that this is playing with fire,

then let them know. America needs Ken Paxton, not a failing fake “conservative.”

PLEASE. The Marxists are gunning for your freedom now. Don't let these poseurs fool you into jumping on their idiotic and dangerous bandwagon!

We have a country to save. Please help!
