And They Are Fighting Back!
And They Are Fighting Back!

America First conservatives spoke up in a public session, held outside of the Hilton in Orlando, Friday, 11/7, where the Republican Party of Florida was holding its quarterly meeting. This I see a master stroke to expose the Anti-American perps in the State Party, who have been taking out MAGA patriots, as they planned their next moves.

Multiple sources revealed that AT LEAST ONE OF THOSE EXPOSED had to be carried out of a bar after the event. The message may finally be hitting home. Stay tuned to learn who required sober escort.

Several hundred angry and frustrated Florida Republicans – who had been removed from elected offices, ignored for meeting requests and even prohibited from running for offices – gathered to tell their story. Coastal Conservative News covered the event. At the end of the event, CCN's reporter, Michelle Pozi, even spoke of her own bad experiences with the RP0F, as she tried to become involved in Conservative politics in the state . Unexpected, but very telling.

The gathered patriots are demanding the resignations of RPOF Chair, Evan Power and its Executive Director, Bill Helmich. "Power hungry" and "The Bull" need to go.

SAY IT OUT LOUD: RON DESANTIS'S RPOF IS PURGING TRUMP REPUBLICANS FROM THE PARTY.

PRESIDENT TRUMP NEEDS TO KNOW. I will be posting this on Truth Social and "X".

To "Purge" is to rid of whatever is impure or undesirable; cleanse; purify.

No further explanation required. The RPOF thinks that Trump conservatives are 'undesirable', even "impure". I will hold off on saying what I think of them.

Twelve citizens spoke of their experiences in being unlawfully removed from elected offices; being disallowed from running for offices; being ignored, slandered, even physically attacked by the Party. The date following their name represents when they were treated illegitimately and unconstitutionally by the bad actors in the RPOF.

1. Robin Lumb – Duvall (Sept 2024)
2. Connie Brunni – Sarasota (Sept 2024)
3. Bob Valenta – Lee
4. Melissa Thorne – Volusia
5. Tom Lord – Osceola
6. Trent Wayman – Manatee (March 2025) [Trent Wayman] – wife jennifer spoke for me
7. Jacki Heisse – Manatee (March 2025)
8. Rick Lacey – Brevard (Oct 2025)
9. Barbara Vaughn – Sarasota (speaking on behalf of the SW America First Club about the lawsuit the RPOF brought against them.)
10. Cathi Chamberlain – Pinellas (Sept 2025)
11. David Kalin – Charlotte (Oct 2025)

Lou Marin, current Chr. of the Florida Republican Assembly

Following these speakers, the event ended with an impromptu testimony from the Coastal Conservative Reporter covering the event. Michelle Pozi told of her own experience with mistreatment by the RP0F.

During the RP0F quarterly meeting, with the wronged citizens outside, Evan Power spoke about all the money the RP0F had spent on fighting those “Clubs stealing the RP0F brand”. Guess he meant, MAGA Republicans that they had been working so hard to disenfranchise. I’m sure that took lots of money, but the Power-hungry fool actually had the gall to address increasing fundraising because of all they’d spent on wronging their own citizens! Anyone else feel a wave of nausea at this news? I sure did.

Just Wow.

Power also spoke of PROMOTING Vote-by-Mail (which neither his constituents nor our POTUS want!); and insinuated that the Party had something to do with the voter rolls that showed 1.4 million more Republicans than before 2022 . In reality, it was thanks to a citizen group which developed and provided each county SOE with a computer program with which to clean their own rolls of invalid registrations. Most reading this may already know that fact. Leave it to the RP0F to either not know it, or try to hide it and claim the roll increases as their success.

The above information is from notes taken by attendees.

After the meeting, EVAN POWER DRANK HIMSELF INTO NEAR OBLIVION at a hotel bar, upset by what was being said outside, and had

to be helped out by friends. This tells me the man either has a guilty conscience or a huge drinking problem, neither of which is a good look for the chairman of a state political party.

The above is from several observers of the disgusting scene.

Apparently, we must assume that DeGov was MIA at the meeting, or dared not speak with hundreds of his citizens outside proving misdeeds of his RP0F. That, in my mind, is a pretty disgusting scene as well.
