

Sayonara Obama, and Don't Let The Door. . .

By Coach Dave Daubenmire

December 12, 2024

The real story of the 2024 election is not about Joe Biden or Kamala Harris. It is not about abortion, transgenderism, DEI, wokeness, or the criminalization of Donald Trump.

No, my friends, it is not about any of that. The big story is the overthrowing of the man-behind-the-curtain and the “fundamental transformation of America.”

It is not about healthcare, COVID, Ukraine, Russia, Russia, Russia, or the weaponization of the FBI. It is not about Alvin Bragg, Fani Willis, Merrick Garland, or Whoopie Goldberg.

It is not about Hollywood, child-trafficking, P Diddy, Epstein Island, Dr. Fauci, or Bill Gates.

Now don't get me wrong...it IS about all those things. But at the center of the circle is the expose' of the Man Behind the Curtain. Barack Hussein Obama.

With the exception of the years 2017-2020 when outsider Donald Trump somehow, against all odds, won the White House, Barack Obama and his cabal of anti-American government mafiosi's have been in control of American politics.

That, my friends, is twelve of the last sixteen years the White House has been under the control of Barry Soetoro and his anti-American demonic minions. Listen for yourself, [here](#).

He kept his word. We just did not understand what he meant..

As a former football coach, I understand the need to teach our players the “fundamentals” of how to play the game. Webster’s defines FUNDAMENTALS as:

*Pertaining to the **foundation or basis**; serving for the foundation. Hence, essential; important; as a **fundamental truth or principle**; a fundamental law; a fundamental sound or chord in music.*

The Bible tells us in [Psalm 11:2-3](#) “For, lo, the wicked bend their bow, they make ready their arrow upon the string, that they may privily shoot at the upright in heart. **If the foundations be destroyed, what can the righteous do?”**

For nearly two decades Obama and his un-Christian brethren jack-hammered the Christian foundation of this once Christian nation as he kept to his promise to “fundamentally change” America. Hope and change was simply a synonym for “uproot and destroy” all that made America great.

With the un-election of Kamala Harris, Barack Obama has been booted, not to the back of the bus, but ejected from *controlling* the bus. He is no longer sitting in the driver’s seat of the American way of life.

Don’t you get it? Can’t you make the connections? Why else was their no primary in the Democratic Party when it became obvious to EVERYONE that the man in the White House was cognitively not at home.

Come on now...think with me. Remember when Joe Biden was running for election in 2016, he was doing horribly in the primaries. But low and behold, after he won his ONLY Primary in South Carolina it was OBAMA who declared Biden the nominee. ([Read it for yourself](#).) Obama knew that the only way HE could remain in power was to elevate “Dementia Joe” to the office. Joe was the mannequin, and Obama was the puppet master and the

“fundamental transformation” of America continued under the control of the “man behind the curtain.”

How else can you explain it? Does America 2024 look anything like America 2008? Is it just me or is the Biden administration staffed with holdovers from the original Obama administration?

That is why the Luciferian-controlled media went all-in for the destruction of Donald Trump. They looked the other way as the 2020 election was stolen, the locked-up anyone who questioned it, even going as far as to shut down the American way of life through a created-plandemic to assure that Obama and his demonic hoard remained in control.

When it became obvious that Dementia Joe was not going to be re-elected, Obama and his minions replaced him with Biden’s goofy DEI VP whom they were sure they could control. No open primary, no “democratic” election of the DEMOCRAT candidate. No, my friends, they needed someone in the Oval Office that Obama could control...hence Kamala.

It was the most UN-DEMOCRATIC thing that those who are constantly chanting “DEMOCRACY” could do. But they do not care. They are liars. Their FATHER was the originator of lies and they still serve him today.

I tried to warn people in 2008 that Obama was about as Christian as a poached egg. Sadly, many Christians were not even able to identify what a Christian fraud that Obama truly was. Has anyone ever heard Obama mention the name of Jesus?

But God, in His undeserved mercy, has once again saved America from the clutches of the Evil One. The question is, what will the Christians in America DO to return America to our foundational Truths? *If the foundations be destroyed...*

We could start by making our CHURCHES CHRISTIAN AGAIN!

For the entire 21st century the Christian Foundations of this nation have been under assault. Look around, our nation is tearing down statues of our national heroes and erecting statues to the degenerate. [Look at this!](#)

The ball is our court. All Mighty God has given once-Christian America a reprieve. What will we do with this opportunity?

It is time to FUNDAMENTALLY REFORM America now that Obama's communist hands are off the levers of power.

Sayanora Obama...and the horse you rode in on!
