“It is enough that the people know there was an election. The people who cast the votes decide nothing. The people who count the votes decide everything.” -Josef Stalin

You can rest assured that nine times out of ten when the mainstream media and their useful idiots are telling you that something is not true, after digging into it, you will find that it is true and vice-versa. There is no truth in them (John 8:44).

The same goes with their said CIA-controlled “fact checkers,” who are doing their best to combat the truth in hopes of covering for the crimes of conspirators (Jeremiah 11:9).

Just last week, we found that [Pennsylvania voting machines are shutting down and flipping votes for judges in North Hampton](#). Nothing new to see here.

Without belaboring this article, because I want to get you to the link below, I would have you consider all of the lies that have been told to you by the mainstream media in denying the criminal acts of voter fraud, and this on a massive nationwide scale (Isaiah 5:20).
