

# What Independence?

I can and will celebrate the sacrifices that so many made for us in the past... but I struggle to celebrate our current generations on July 4th. Every July 4th for years now, I can't help but wonder if we even deserve the fruits of freedom, purchased for us by only a few, so long ago.

## Birthrights? What a Mess!

Fox News is reporting, Trump to begin enforcing birthright citizenship order this morning. The only order from the Supreme Court on the matter is a slap-down of the lower courts that have been trying to unlawfully run the country from their bench, without any such power or authority. The actual issue of what is or isn't a "birthright citizen" has yet to be ruled on by the high court.

## I, For One, Will NOT Stand Down On WHAT Is Called The "Pride" Agenda

Friends, the rainbow that the Lord gave was not a sign given as a celebration for the abominable, but it was a reminder of His righteous judgments upon the heads of the guilty! I, for one, will NOT stand down on what offends my God, nor His

children (Luke 17:2).

## **June Is The Month To Be Proud, Accomplishment Is What Grows Pride**

I hereby submit that what we should celebrate is PRIDE OF ACCOMPLISHMENT. Pride of having reached a milestone after real effort. Pride in a family member who has done good things. The world is chock full of things for which we can and should be proud. Pathetic folks dancing down the street with plastic breasts stuffed under tight sweaters, sporting garishly painted faces, is not one.

## **What's Up With the Post Office?**

But now, Amazon has developed their own delivery service. # **What Lies Beneath**

There is not a baby in the world born with hate in his or her heart. Hate is taught. Hate is learned. What we have been witnessing—really since Obama made his ignominious debut in our body politic—was that the hate that is learned has remarkable staying power. It transcends education and objective reality and cold hard facts. It is animating and energizing.

# **Give Back to Caesar What is Caesar's**

Elon Musk is right about the Trump-backed “One Big Beautiful” bill being a fiscal disaster. If President Trump continues down this path of more federal spending, deficits, and debt, America is finished. The only way out is an alternative monetary system.

# **Is This What We Voted For?**

The Muslim Brotherhood, which effectively controls Qatar's Al-Jazeera television network, gave rise to terrorist organizations such as Hamas, the officially designated Foreign

Terrorist Organization (FTO) that launched the October 7, 2023 attacks on Israel. However, the Muslim Brotherhood is not an officially designated FTO, even under Trump.

## **What A Friend We Have In Jesus**

Also in the Old Testament, we have the Psalms, the Song of Solomon, and Ecclesiastes, all song-related books. In the New Testament, we read of Jesus and His disciples singing in Matthew 26, the apostles singing in Acts 16, the angels of heaven singing when Jesus was born, recorded in Luke 2, and more song lyrics in Revelation 5, 7 and 15.

## **New Transparent Government? What about KAL Flight 007?**

It's taken 62 years to release the files who really killed President Kennedy? A 62-year cover-up. Yes, promises have been made to release everything that's been withheld, 63,400 pages which I haven't read. However, many who are combing through those pages say it's pretty much nothing we haven't known for decades.
