

See, I Told You So!

I wish I had been wrong, and I certainly don't mean to gloat.

In football we call it spikin' the ball. I don't want to do that. As humble as I can be I want all of the naysayers to admit that we were right.

The called us names...conspiracy theorists...anti-government...anti-vaxers...dis-informationalists...anti science...

Yet. All along we were simply PRO-TRUTH. We weren't anti anything. We were pro-truth...pro-life...pro-honest science...pro-freedom...but cautious about the Government/Medical complex.

We did our own research. We trusted but verified. We asked questions. We read the literature. We listened to the Holy Spirit. We trusted Jesus, not Big Pharma.

We were right. Is it OK to say that? They lied to us. We sensed it all along. What doesn't the government lie about? How many of your friends and relatives are now dead because of blind faith in those in whom they should never have trusted?

Money drives everything...the LOVE of it is the ROOT OF ALL EVIL. Follow "the science" and it will lead to the money. The Government/Medical Complex is wicked. Pharmacia is Satanic. [The Bible calls it](#) "witchcraft" and "sorcery."

Did you ever notice how hard the Government/Medical complex fought the idea of natural remedies... "[alternative treatments](#)"

they called them, as a form of prevention? Ivermectin.
Hydroxychloroquine. Colloidal silver. Essential Oils.

Just as “The Man Behind the Curtain” in the Wizard of Oz used fear...*Lions and tigers and bears, Oh My...* to manipulate Dorothy, the Government/Medical complex used *Lies, deception, and fear, Oh My...* to destroy the American way of life.

Does it seem like gloating for me to say it again...WE TOLD YOU SO!!

Well, today [the Government released a study](#) that spills all the beans. The entire PLANDEMIC was a government orchestrated hoax. This isn't speculation...or my opinion...or my own research...or disinformation. This is the government admitting it was all a hoax...lies, deception, and fear.

Millions of dollars made...millions of people dead. This is critical for you to understand. People died WITH covid...not FROM it. The treatment killed the patients. Again...it was all FAKE...the man-made virus and the man-invented response to it. Here are some lowlight admissions from the fraudulent, Christ rejecting American government. You can find these within the report. Again...here is the [Government Report](#). I encourage you to read and share it.

Here comes the TRUTH—directly from the report.

COVID-19 ORIGIN: COVID-19 most likely emerged from a laboratory in Wuhan, China. The virus possesses a biological characteristic that is not found in nature.

The Proximal Origin of SARS-CoV-2” publication – which was used repeatedly by public health officials and the media to discredit the lab leak theory – was prompted by Dr. Fauci to push the preferred narrative that COVID-19 originated in nature.

EcoHealth – under the leadership of Dr. Peter Daszak – used

U.S. taxpayer dollars to facilitate dangerous gain-of-function research in Wuhan, China.

NIH's procedures for funding and overseeing potentially dangerous research are deficient, unreliable, and pose a serious threat to both public health and national security.

The Paycheck Protection Program was rife with fraudulent claims resulting in at least \$64 billion of taxpayers' dollars lost to fraudsters and criminals. Overall, Fraudsters cost the American taxpayer more than \$191 billion dollars.

\$200 million of taxpayers' dollars were lost as a result of the SBA's inability to conduct proper oversight.

The lab leak theory – was prompted by Dr. Fauci to push the preferred narrative that COVID-19 originated in nature. (Fauci lied...people died).

EcoHealth – under the leadership of Dr. Peter Daszak – used U.S. taxpayer dollars to facilitate dangerous gain-of-function research in Wuhan, China. (We PAID for the fake research)

The "6 feet apart" social distancing recommendation – which shut down schools and small business across the country – was arbitrary and not based on science.

There was no conclusive evidence that masks effectively protected Americans from COVID-19. Prolonged lockdowns caused immeasurable harm.

The Biden Administration even employed undemocratic and likely unconstitutional methods ... to fight what it deemed misinformation.

Vaccine mandates were not supported by science and caused more harm than good.

Public health officials engaged in a coordinated effort to ignore natural immunity.

More than 160,000 businesses closed due to the pandemic – with 60% of those closures classified as permanent.

The administration's CDC broke precedent and provided a political teachers organization with access to its scientific school reopening guidance. Testimony revealed that AFT President Weingarten (Teacher's union President) had a direct telephone line to contact former CDC Director Walensky.. (Teachers stayed home and got paid).

Standardized test scores show that children lost decades worth of academic progress as a result of COVID-19 school closures. (Dumbed down the citizenry). Mental and physical health concerns also skyrocketed – with suicide attempts by 12-17 year-aged girls rising 51%.

You get the drift...the government officials are lying, Satan-serving scum bags...Read the report for yourself.

OH...how about this one that just surfaced today that was not included in the Government Report...[100 MILLION fully-vaxed](#) Americans now have irreversible permanent heart issues.

I'm not gloating...I'm weeping. Watch this. [I Told You So...](#)

We need the Nuremberg Trials 2.0. Government officials need to hang...
