

# Self-Deporting      Illegals: Solution Has Been Ignored Since 1993

*"THESE are the times that try men's souls. The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of their country; but he that stands by it now, deserves the love and thanks of man and woman. Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict, the more glorious the triumph."* –Thomas Paine

It sickens and disgusts me to see those who claim to be Americans have become crazed supporters and doing everything in their power to protect and keep ILLEGAL aliens from being deported. ILLEGAL means just that and the INVASION which took place, as planned, during the illegitimate Biden administration can only be fixed with a permanent solution by the GOP in Congress who need to find their spine.

**Let me go back in time because this on-going nightmare could have been avoided had immigration laws been enforced. But, of course, that was never the goal of the shadow government. Points from my column below:**

[Illegal aliens: declaring war on the enablers](#), Mine, April 30, 2010: "It's going to change our lives," said Emilio Almodovar, a 13-year-old American citizen from Phoenix. "We can't walk to

school any more. We can't be in the streets anymore without the pigs thinking we're illegal immigrants."

"The pigs? All to protect criminals. When was the last time you saw massive demonstrations and mayors come out in support of bank robbers?

"Thieves steal what doesn't belong to them. The same applies to the 22 million illegal aliens who have invaded our country openly and in-your-face, stealing jobs, natural resources and bankrupting the states in welfare, food stamps and medical care. Not to mention the massive amount of drugs coming across the border as well as gangs and terrorists. Arizona should just roll over and do nothing while their citizens suffer such madness? There is no difference. A thief is a thief.

"Oh, make no mistake about it, illegals are in an uproar and things are likely to get very ugly. Back on March 27, 2006, I wrote a column titled [When Illegals Go Berserk, Will Your State be Prepared?](#) Well, the situation is moving into a dangerous direction. [Go watch to this harridan shout](#), "We will not stop! We will take up our shovels and pickaxes and we...we will use them against you! Believe that!"...

## **Enablers**

### [Should officials of the FDIC be prosecuted? April 19, 2005](#)

"The Federal Deposit Insurance Corporation is encouraging banks to sign up illegal aliens in the banking system, calling the growth of the market "a compelling incentive for U.S. banks to enter this largely untapped market." And the FDIC program demonstrates that unbanked Latin American immigrants can be brought into the financial mainstream.

"But there are clear laws on the books for the integrity of the immigration system. United States criminal code, "It is a crime punishable by 10 years in jail for aiding and abetting someone in this country illegally for commercial gain." And

the Bank Secrecy Act of 1972 makes it clear banks must know their customer, and any illegal activity must be reported to the government.”

[Why haven't these state legislators been indicted? December 21, 2009](#)

“But, what about state legislators who have voted to give these criminals driver’s licenses so they can work? Remember what the usurper in the White House, Obama/Soetoro said, “When I was a state senator in Illinois, I voted to require that illegal aliens get trained, get a license, get insurance to protect public safety. That was my intention. The problem we have here is not driver’s licenses. Undocumented workers do not come here to drive. They’re here to work.”

“They’re here to work? They have no right to even be in this country, much less help themselves to jobs that belong to Americans; violation of immigration law. Comrade Obama wants to reward them by stealing the fruits of your labor to train them, give them driver’s licenses and steal American jobs. This is the morally bankrupt individual people voted for to bring “change” and “hope.” Marxist Obama brought more of the same and worse. Juan McCain stands right next to him on this issue...

“But, what about state legislators who have voted to give these criminals driver’s licenses so they can work? Remember what the usurper in the White House, Obama/Soetoro said, “When I was a state senator in Illinois, I voted to require that illegal aliens get trained, get a license, get insurance to protect public safety. That was my intention. The problem we have here is not driver’s licenses. Undocumented workers do not come here to drive. They’re here to work.”

“This rot has seeped into the state houses as well. Four states of the Union allow these criminals to have driver’s licenses: Hawaii, New Mexico, Washington and Utah. Those state

legislatures are aiding and abetting criminals who have violated federal laws. Those legislators and the governors have signaled loud and clear that it's a good thing to reward those who break the law and rub it in our faces. What happens when an illegal with a Utah driver's license hits and kills an American citizen in San Diego and then skips across the border? Are we then supposed to thank Utah's legislature for the carnage they let loose?"

### [Why hasn't the Director of the U.S. Census Bureau been indicted? February 2, 2010](#)

"Keeping with the Obama Administration's mission to conduct the most diverse outreach campaign in history, the director of the U.S. Census Bureau is touring Mexican border towns with high illegal immigrant populations to personally assure that those who fill out questionnaires this spring will not be deported. (Updated note: That way illegals can continue to steal the sweat of YOUR labor by taxing Americans and naturalized Americans into penury.)

"This is a safe thing for everyone to do regardless of your immigration status," the president's handpicked census director (Robert Groves) told residents of a renowned illegal alien "colonia" in south Texas this week. He visited several dilapidated makeshift homes off of a dirt road in a Laredo neighborhood called San Carlos to stress that census data will be kept confidential and not turned over to immigration authorities."

### [Nebraska Hustles To Keep Illegal Alien Medical Coverage – April 19, 2010](#)

"On the heels of a federal crackdown, lawmakers in Nebraska are scrambling to pass legislation that will allow pregnant illegal immigrant women to continue receiving free, taxpayer-financed medical care. The state has for decades offered the costly perk to pregnant illegal aliens, whose "anchor babies"

are automatically United States citizens. However, the federal government recently notified the state that it was illegally determining eligibility for publicly-funded medical care known as Medicaid.”

“Nebraskans: How does it feel to be raped by the enablers in your state legislature?”

[County Gives \\$100k To Group That Aids Illegal Immigrants April 20, 2010](#) – End but there is a long list of more of this lawlessness in my column.

WHO let all of them get away with this? Congress and DOJ. And who was in charge of the Dept. of InJustice back then? Eric Holder was the Attorney General. [Longtime Federal Attorney: Eric Holder Protects Corrupt Prosecutors](#) – “Not only has Mr. Holder failed to make any of the reforms he promised in the wake of his forced dismissal of the indictment against former Senator Ted Stevens, the changes he has made have been for the worse. Absent a dramatic about-face, Holder will leave the Department of Justice littered with corrupted prosecutions and prosecutors, his own contempt of Congress, numerous Supreme Court reversals, and scathing rebukes from federal judges.” Well worth the time to read.

I voted for Donald Trump three times but that doesn’t mean I worship the ground he walks on but I always give credit where credit is deserved. THIS is a slap in the face to all Americans and those like both sets of my grand parents who came here legally. President Trump has proposed paying ILLEGAL aliens to self-deport: [Trump signs EO offering illegal migrants ‘exit bonus’ in first-ever self-deportation program](#) – Homeland Security said earlier this week that migrants would be offered a \$1,000 stipend each to leave the US

And a free plane ride: [‘Book your free flight now!’ Trump tells illegals how to self-deport](#), May 9, 2025.

Yes, it would save We the People a lot of money we've been raped for over the decades but rewarding illegal aliens isn't necessary. Oh, I know, weep, weep: Most don't have the money to return to whatever country they came from but *they sure as hell found the money to get here with their expensive fancy phones*. In California they get cash no questions asked and that is a fact I found in my research. Violation of federal immigration law.

[JUST IN: Kristi Noem Issues Stern Warning as Trump Admin. Launches Landmark Investigation into California Providing Federal Benefits to Illegal Aliens](#), May 12, 2025

Call the George Soros Foundation or some of these pro-illegal non-profit organizations and tell them to pay your way home because illegal means just that and if you entered this country illegally, you are subject to being deported.

Of course, many of the scum bags in Congress are screaming their brains out (what little they might have) to protect illegal aliens. That sow in the red outfit needs to be charged: ["Definitely on the Table" – DHS Spox Says Members of Congress May Soon Be Arrested For BODYSLAMMING Female ICE Agent \(VIDEO\)](#), May 10, 2025. The videos are proof and both of those congress rats need to be charged with assault on federal agents. Got that DOJ? Those maggots don't give a damn about the people. *It's all about future votes for the Democrat/Communist Party USA.* [There's More Footage of the Dem Insurrection at a NJ ICE Detention Center. They Assaulted Federal Agents](#), May 11, 2025

When Eisenhower deported 1.3 MILLION illegals there was none of this photo op crap and elected officials aiding and abetting illegals. When liar and cheat illegitimate president, Hussein Obama, deported 3 million illegals where were all these weeping AOC's?

If I sound cruel or mean, I've watched and written about this

issue for more than two decades **while Republicans did nothing to stop the invasion** which went into full gear the minute illegitimate president and life long career criminal, Joe Biden, was sworn into office. That is a FACT. Oh, a lot of BS during endless hearings but the GOP held the majority in Congress three times with a GOP president and could have permanently fixed the problem just like they can again now.

[A Bill: Stop all Public Welfare in Any Form for Illegal Aliens](#), Mine August 24, **2014**. I was referring to a bill introduced by career crook (now deceased) Dirty Harry Reid [D-NV) that would **stop all welfare at any level for illegal aliens**. Go read his press release at the top of the article where he hammers against illegal aliens:

“Safeguards like welfare and free medical care are in place to boost Americans in need of short-term assistance. These programs were not meant to entice freeloaders and scam artists from around the world. Even worse, Americans have seen heinous crimes committed by individuals who are here illegally.”

“His statements were to announce a bill he introduced back then titled the [Immigration Stabilization Act \[S.1351\]](#). I’m betting it was not written by Dirty Harry, but by lawyers who know what they’re doing and the sure to come legal challenges. It covers the whole gambit of turning off the trillions spent over the past 28 years since Reagan sold us out. There were 3 cosponsors for the bill. Then Dirty Harry did a 180 and became a champion of illegals.

I sent page one of the bill with a letter to more than a dozen GOP senators and dozens of GOP House reps over the years who claim during boob tube interviews how we have to close the border! The last one was to Rep. Chip Roy [R-TX]. After Trump was elected in 2016, I sent it to him twice and twice to Stephen Miller at the WH. I’ve never received ONE SINGLE RESPONSE FROM ANY OF THEM. Trump I understand as he has staff who open the mail.

And here we are today with partisan hack judges siding with illegals for “rights” they aren’t entitled to because they came to our country illegally. AND YOU AND I HAVE BEEN FOOTING THE BILL FOR THEIR LAWYERS.

Well, what a shock two weeks ago when Michael Berry on his morning show on a Lubbock, TX radio station actually mentioned Harry Reid and his bill to stop all welfare (began with Prop 187, 1994 in California) for illegals because ***it is the big magnet***. Unfortunately, he didn’t devote a decent amount of time explaining the bill because it has a very important section:

#### TITLE X—CITIZENSHIP

##### SEC. 1001. BASIS OF CITIZENSHIP CLARIFIED.

“In the exercise of its powers under section 5 of the Fourteenth Article of Amendment to the Constitution of the United States, the Congress has determined and hereby declares that any person born after the date of enactment of this title to a mother who is neither a citizen of the United States nor admitted to the United States as a lawful permanent resident, and which person is a national or citizen of another country of which either of his or her natural parents is a national or citizen, or is entitled upon application to become a national or citizen of such country, **shall be considered as born subject to the jurisdiction of that foreign country and not subject to the jurisdiction of the United States within the meaning of section 1 of such Article and shall therefore not be a citizen of the United States or of any State solely by reason of physical presence within the United States at the moment of birth.**”

The U.S. Supreme Court is going to hear oral arguments on the scam called anchor babies who are NOT U.S. citizens on May 15, 2025. I hope the Solicitor General hammers on the history of the Fourteenth Amendment – as in read the damn Congressional

Record – and the intent of Congress at the time. No doubt the Marxists on the court will vote in favor of the anchor baby scam and **it will not surprise me if Roberts and Amy Coney Barrett votes with them.** [‘Bombshell’: John Roberts slapped with lawsuit, accused of ‘unconstitutional shadow agency’](#), May 6, 2025

[Protecting the meaning and Value of American Citizenship, Trump Executive Order, Jan. 20, 2025 \(Text of Trump’s EO\)](#) – It was covered by FOX news stating it “will almost certainly face an immediate legal challenge from civil rights and immigration activist groups...” Of course, and that’s just what happened and what the “Supreme Court” will hear oral arguments on the 15<sup>th</sup>.

Supporters of lawlessness and illegals regardless of country of origin don’t give a damn. [All Hell Broke Loose When ICE Showed Up in This Town](#), May 11, 2025. Here comes the mob ready to assault federal agents. The woman is here illegally so her only right is to be taken into custody and shipped out of here. Too bad if she owns a house or a car or has a job. She has ZERO right to remain in our country. [DHS says Massachusetts city council member ‘incited chaos’ as ICE arrested ‘violent criminal alien’](#), May 11, 2025

Minors of illegals: **Blame your parents for violating OUR immigration laws.** Separation of families: Go with parents because you should be with your mom and dad (if there’s one around), but if you’re here illegally, you are going to get deported.

What needs to happen. Asylum seekers are given 30 days to go back to Mexico to wait for a court date; *93% of those cases*

are thrown out. Scamming the system. [Court Blocks Remain in Mexico Reimplementation](#), April 17, 2025. But **it was fine during Trump's first term which caused thousands to head to Mexico to wait for court dates. Oh, no, some damn partisan judge now says no.** BS. So, once again you, me and our children will pay for asylum seekers life styles while they wait for court dates as far out as five years. We are little better than indentured servants to support illegals by taxing us to death.

**Republicans in the House and Senate need to introduce a bill that stops ALL welfare, federal or state in ANY form.** Employers will be fined \$25,000 for each illegal picked up while working for their company. **Get it passed so Trump can sign it.** Know what will happen? Not a decade of ICE raids and potential violence such as what happened at the town mentioned above, but we will see MILLIONS of illegals self-deport to Mexico and Canada where they crossed the border. Let those countries deal with the disaster *they created by allowing train loads and caravans of illegals to our borders.*

Not to mention our dedicated ICE agents fighting against the drug cartels while the 'new' female president of Mexico hides her cowardice behind 'strong words'.

**I don't know about you but I am sick and fed up with sissies and weak-kneed cowards in Congress and state legislatures who allowed the invasion under Biden, not to mention giving out driver's licenses and hiring illegals. Fed up with partisan judges and cowardly judges with their BS about due process for illegals who are NOT legal citizens of our country. Fed up with the death and destruction and being taxed to death to support the freeloaders, terrorists, vicious gang members, criminals and the world's trash.**

No doubt such a bill if signed into law would immediately be challenged by pro-open border lawyers with more lawsuits, but maybe not. As I said in my column from 2014 about stopping

all welfare, I don't believe for a second it was written by Dirty Harry Reid **but attorneys (obviously Democrats) to withstand any court challenges.** Got that Republicans in Congress? (In my 2014 column I did recommend a few changes and wrote new sections for Reid's bill [which you can read here](#)).

**DEMAND this from Congress and stay on them with phone calls, faxes, emails.**
