

Shut Down All Moslem Immigration Now

New York Senator Chuck Schumer, author of the "Diversity Visa" that allows 50,000 'lucky' lottery winners a free ride into America, just got eight Americans and tourists killed and 12 wounded by Sayfullo Habibullaevic Saipov from Uzbekistan, a Moslem country where terrorism remains a way of life.

The most outrageous aspect of this terrorist attack stems from the fact that Saipov carried no education, skills or value to America. We paid for his flight, his housing, food and transportation once he arrived.

The Diversity Visa Lottery randomly allows 50,000 third world immigrants a free ride into America annually, where they may remain on welfare for the duration of their lives.

Each year, 14 million people from all over the world enter the lottery hoping for their chance at the "Golden Ticket" into America.

Moslem Saipov drove a rental truck over women, children and old people walking on a bike-hiking path in Manhattan. He screamed "Allah-Akbar" after jumping from the truck before police shot him down in the street.

With endless and multiple random terrorist acts committed by

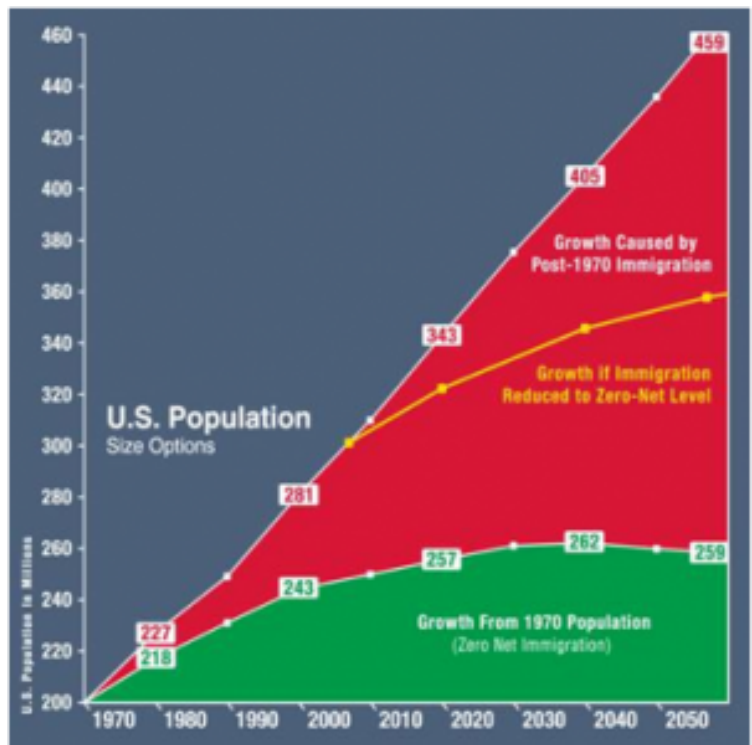

Moslem immigrants in Paris, Nice, Brussels, London, Hamburg, Orlando, White Cloud, Fort Lauderdale, New York City, Chicago, Ohio State, Garland, San Bernardino, Detroit, Fort Hood, Madrid, Moscow, Mumbai, etc.--why do we import more Moslems to kill our own citizens? Why does our U.S. Congress continue to import Moslem terrorists?

Unfortunately, the more Muslims we import, the more terror events. It's the nature of the religion. It's not going to change, because, as their numbers grow, so does their ability to use 2,200 Mosques all over America for cover and planning of terrorist acts. The greater their numbers, the more they practice or push for Sharia Law: the most barbaric religious paradigm on the planet. There's no way to soften their prime directive: "Convert or kill all non-believers." One look at Europe shows you our future.

Journalist Daniel Greenfield wrote, "When you turn on the evening news and see a running death toll, it's happening more and more often. The new brand of Islamic terror only needs one thing... Muslims. Lone wolf terrorism operates off the existing Muslim population in a particular country. The bigger the Muslim population, the bigger the risk. The FBI or other law enforcement agencies cannot monitor even a fraction of the Islamic settler population sympathetic to terror. As the Muslim settler population in the country increases, the number of cases will grow." (Source: Right Side News, Stop Lone Wolf Terrorism by Ending Muslim Immigration, August 2, 2016)

Who wants to be the next Moslem Orlando Gay Club Massacre? Who wants to attend a Christmas party at the next Moslem San Bernardino Killing Fest? Who wants to get stabbed while walking down a path at the next Moslem Ohio State University Rampage Event? Who wants to be a passenger on the next Moslem 9/11 Fly Into the Twin Towers Event? How about a Moslem Fort Hood Shoot Out?

Anyone in any country that accepts Moslem immigrants can add rapes, murders, beheadings, be-handings, honor killings at 20,000 annually in the Moslem world, stoning of women to death, acid in women's faces, female genital mutilation, arranged marriages of little girls to old men...and the list grows.

What possible sane reason could America or any Western country present to continue Moslem immigration?

Understanding Muslims: St. Juan de Ribera: "As we have seen, Muhammad had neither supernatural miracles nor natural motives of reason to persuade those of his sect. As he lacked in everything, he took to bestial and barbaric means, which is the force of arms. Thus he introduced and promulgated his message with robberies, murders, and blood shedding; destroying those who did not want to receive it, and with the same means his ministers conserve this today, until God placates his anger and destroys this pestilence from the earth.

"Even if all the things contained in his law were fables in philosophy and errors in theology, even for those who do not possess the light of reason, the very manners (Islam) teaches are from a school of vicious bestialities. Muhammad did not prove his new sect with any motive, having neither supernatural miracles nor natural reasons, but solely the force of arms, violence, fictions, lies, and carnal license. It remains an impious, blasphemous, vicious cult, an

innovation of the devil, and the direct way into the fires of hell. It does not even merit the name of being called a religion.”

Yet, the 1.5 billion who follow Islam, never speak against the violence, but silently condone it. They say it in Arabic, “It’s Allah’s will.” Everything remains “Allah’s will.” Perhaps they need to maintain that “will” in their own countries because we’re sick and tired of them invading our countries with terror.

Therefore, we need a national call to shut down all Moslem immigration. We do not need them, do not want them, and we cannot survive their barbaric religion or its mandated violence. It does not fit into the American, Canadian or European ways of life.

Call your senators and House rep: 1 202 224 3121 or 1 888 995 2086. Demand a stop to all immigration, all diversity visas and chain-migration.

Definition of slogan: “Immigration Shutdown Now means the American people want a total shutdown on all legal and illegal immigration. That means we want all illegal immigration stopped by arresting, prosecuting and jailing employers of illegal aliens. We deport all illegal aliens by taking their jobs away and as we catch them. We want English mandated as our national language. We demand a cessation of Muslim immigration in order to protect our culture, language and way of life. We can’t save the world but we can save or destroy our civilization. We demand a stable population that allows everyone to live, work and thrive into the 21st century. Especially our children.” FHW

Muslims cannot in any way become Americans. The Koran forbids

it. Their entire context of political-religious-economic Sharia Law demands subjugation to their religion with no allegiance to the U.S. Constitution. The Koran forbids women's rights, marital choice, free speech, gay rights and religious rights. Our way of life remains completely out of bounds to Islam. If you would like me to speak at/in your city, conference, social group or clubs about the consequences of mass immigration into America, please contact me. My program: "The Perfect Storm Descending Upon America" articulates the consequences of adding 100,000,000 (million) legal immigrants to America within the next 30 years. It spells out what we face as to shortages in water, energy and resources. It spells out the sociological chaos created by mixing 196 (the number of countries exporting their citizens into our country) different cultures, languages, religions and worldviews from those 100 million immigrants. It illustrates our dilemma as environmental and quality of life consequences.
