

Somalians Threaten Politicians Who Treasonously Helped Aid & Abet Them

By Bradlee Dean

January 14, 2026

“Mohamed warns (the said representatives) that if they continue down this road, their ‘community’ will be FORCED to reexamine their political relationship.”

While Americans are being led about by the scoundrel politicians on both unconstitutional sides of the aisles (Mark 3:25) concerning the Somalians that have been treasonously ushered into this country by design, it is becoming obvious that this is a very dangerous game that is being played on American soil.

Instead of the American people seeing this for what it is, treason (Article III, Section 3), and bringing these scoundrel politicians to justice, we are now finding that these Somalians are not playing the same game (Deuteronomy 28:43).

Recently, in the face of the massive fraud that is being exposed on a nationwide basis, we find that in the state of Maine that the Somalians have come out in droves, demanding that city officials NOT investigate one of their own. In other words, these Somalians are not here to assimilate. They are, as they declare, here to conquer, which is to be found as an act of treason, as well.

Mohammed (on the video below) warns Democrats that if they continue down this road, their 'community' will be FORCED to reexamine their political relationship. In other words, you play by our rules, or we are not going to vote for you again.

These individuals who are demanding that these said representatives do the Somalian biddings do not have the numbers to put anyone in, or out of, office. There is massive voter fraud taking place in this country, which causes their enemies (you and me), with the use of the mainstream media's propaganda narratives, to believe that there are more of them than there are of us. It's just not true.

In the state of Minnesota, there are 5.9 million natives. There are only 108,000 Somalians. Yet, what do we see? The treasonous governor, lt. governor, attorney general, Minneapolis mayor, Ilhan Omar, etc. all standing in the corner of the Somalians who have defrauded Minnesotans of over 9 billion dollars in defiantly defending them in their crimes. There is clearly a coordinated federal and state agenda (Isaiah 28:18).

The people of the state did not vote them into office. They are clearly being installed in doing what it is that they are guilty of doing.

Furthermore, the Somalians then come into this country, only to war against those who granted them asylum by calling them racists, xenophobes, Islamophobes, haters, etc. after being found out for the crimes that they have committed. No more, people, no more! Read Psalm 94:16.

Video below:

Other videos for you to consider.

Know your history, friends. Read Hosea 4:6. This is not happening by chance.
