It has truly been a privilege to work with The Sons of Liberty and Bradlee Dean. He is single-minded and seeks to honor God by proclaiming His Word and applying it to the issues we face today. As editor of SonsOfLibertymedia.com, I post articles that Bradlee and I write, along with numerous contributors from all over the US. Recently, the [10th Annual Christian Media Conference](#) selected *The Church in America is Just as Complicit to that of the Germans in the 1930's* as Best Justice – Sanctity of Life and also *Best News and Journalism Mini-Documentaries* as winners in their categories.

[The Sons of Liberty](#) Have been awarded in these areas and we give the glory to our Father (Acts 17:28), who has seen fit to use this video in the lives of thousands of people to open their eyes to the dangers we now face, but we also point to the solutions to deal with the scoundrels and dangers we face via the Bible and the US Constitution. Apart from Him, we can do nothing (John 6:63; 15:5).

If you have not seen it yet, take a look at this multi-award-winning documentary and share it with others!
