

Spring Arrest of Trump Rumors

By Ms. Smallback

March 20, 2023

This week should prove interesting if all of the reports, rumors and conspiracy theories play out. Right now I'm just going to report on the reports and rumors. It's not an endorsement, but it's not a denial either.

Friday, March 17, 2023

On Friday, March 17 at 3:09 p.m., Donald J. Trump [posted on his Facebook page](#) the first time since January 6, 2021. It was two words: "I'M BACK!" with a twelve second video excerpt of him saying "*I'm sorry to keep you waiting, complicated business, complicated.*" [Are those words clues? Just think about those words alone and the last two-plus years here in America.]

THE MAN IN THE ARENA

It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; who errs, who comes short again and again; who spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement, and who at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who neither know victory nor defeat.

THEODORE ROOSEVELT

Those in the Q movement are aware that date stamps are frequently interconnected to other meanings. There's a four year delta for [Q post 3097](#) (delta is a delay) that simply says: "*What day is it today? How much more obvious can we make it?*"

Another aspect of decoding messages from the Q circle is to look at the time stamp. The time stamp of 3:09 would correlate to [Q post #309](#) which simply reads: "**Justice.**"

At 4:58 p.m., [Elon Musk tweeted](#) the lyrics to “Dream the Impossible Dream”, only he replaced dream with meme so it reads, “*Meme the impossible meme.*”

Then at 10:43 p.m., former Trump Chief of Staff Dan Scavino [tweeted a video](#) featuring Trump where Theodore Roosevelt’s speech excerpt known as “The Man in the Arena” was read in the background. If you’re unfamiliar with it, here’s what it says:

Saturday, March 18, 2023

OUR NATION IS NOW THIRD WORLD & DYING. THE AMERICAN DREAM IS DEAD! THE RADICAL LEFT ANARCHISTS HAVE STOLEN OUR PRESIDENTIAL ELECTION, AND WITH IT, THE HEART OF OUR OUR COUNTRY. AMERICAN PATRIOTS ARE BEING ARRESTED & HELD IN CAPTIVITY LIKE ANIMALS, WHILE CRIMINALS & LEFTIST THUGS ARE ALLOWED TO ROAM THE STREETS, KILLING & BURNING WITH NO RETRIBUTION. MILLIONS ARE FLOODING THROUGH OUR OPEN BOARDERS, MANY FROM PRISONS & MENTAL INSTITUTIONS. CRIME & INFLATION ARE DESTROYING OUR VERY WAY OF LIFE...

Page 2: NOW ILLEGAL LEAKS FROM A CORRUPT & HIGHLY POLITICAL MANHATTAN DISTRICT ATTORNEYS OFFICE, WHICH HAS ALLOWED NEW RECORDS TO BE SET IN VIOLENT CRIME & WHOSE LEADER IS FUNDED BY GEORGE SOROS, INDICATE THAT, WITH NO CRIME BEING ABLE TO BE PROVEN, & BASED ON AN OLD & FULLY DEBUNKED (BY NUMEROUS OTHER PROSECUTORS!) FAIRYTALE, THE FAR & AWAY LEADING REPUBLICAN CANDIDATE & FORMER PRESIDENT OF THE UNITED STATES OF AMERICA, WILL BE ARRESTED ON TUESDAY OF NEXT WEEK. PROTEST, TAKE OUR NATION BACK!

At 5:55 a.m., [President Trump posted](#) to Truth Social this message:

Now Q followers will be especially tweaked by this because there are five errors in the message. There is an extra L in stolen and a repeat word (our) and an unnecessary A in border. In an earlier Q post from 2018, Q instructs to pay attention to misspellings. He says, “*Misspellings matter. Sentence formation matters. Learn.*” [See [Q post 831](#) and [1141](#).]

I don’t know if I have the right decode, but when you use the simple alphabet decode of every letter equaling a number, the letters L O U R A are 12+15+21+18+1, which equals 55.

Interestingly, Trump's post was at 5:55 a.m. and [Q post 55](#) is the infamous *"Look to Twitter: Exactly this: 'My fellow Americans, the Storm is Upon Us.....' God bless."* This is the trademark phrase Q gave his followers for how to know the offensive (vs. defensive) actions to save America would begin in the public sphere. [I'm sure others may have a better explanation for this.]

Also interesting is that [Q post 555](#) simply says *"We are WITH YOU."* [We meaning the white hats, or patriots for the cause of America and its liberty.]

At 10:07 a.m., Speaker of the House [Kevin McCarthy tweeted](#) that the charges [against Trump] are an abuse of power pursuing political vengeance, indicating the arrest rumors had teeth.

At 11:14 a.m. President Trump shared a post that John Cardillo posted that reads, *"NYC law enforcement sources telling me that the Manhattan DA's office is "in chaos." They're telling me about 60% of the office wants no part of this and wishes Bragg and Reiss would just stop the nonsense. They all know there is no crime. Apparently all being driven by a small group of radicals at the top. Very similar to RussiaGate."*

Interestingly, the corresponding [Q post of 1114](#) is instructive on how to read Q posts and instructs that some posts are meant as future markers. It's by an anon poster on the chan boards and Q adds nothing to it and corrects nothing in it. It reads:

Keep in mind that every crumb is not meant to be solved before the event. Some of the drops are things for anons to dig on and make connections with, others are markers for future reference. >[future proves past] Some drops are just simply communication to the anons. What needs to be understood to appreciate whats going here is the fact the Q is basically creating a circular flow diagram that can be

referenced and cross-checked with news releases. Q can't just disclose specifics about a situation or operation without violating security protocol. Instead they drop questions and statements that lead to answers that can be understood once the subject becomes public. This provides the validation necessary for the public to believe The Great Awakening is legit. Disinformation and misdirection with Q is real. In other words Q is pointing over there but really the focus is here and only until you publicly get the news can you go back and understand. (Think SA drops) All of this is accomplished without giving up specific details about the operation. It's quite genius.

If some are just joining in or have dropped out of this, er, game of sorts, and are rejoining, it's like a friendly reminder to pick back up from the point of earlier instruction. Five years hindsight may give understanding not available five or less years ago. It's like followers are being reminded that deltas are a real thing, timestamps are a real thing, that there is purposeful misinformation in Q posts, and there's a deliberate method to the alleged madness of /pol/ posts by [an] anonymous intelligence agent(s) named Q.

At 11:29 a.m. [Trump posted](#) on Truth Social:

Donald J. Trump
@realDonaldTrump · 4h

IT'S TIME!!! WE ARE A NATION IN STEEP DECLINE, BEING LED INTO WORLD WAR III BY A CROOKED POLITICIAN WHO DOESN'T EVEN KNOW HE'S ALIVE, BUT WHO IS SURROUNDED BY EVIL & SINISTER PEOPLE WHO, BASED ON THEIR ACTIONS ON DEFUNDING THE POLICE, DESTROYING OUR MILITARY, OPEN BORDERS, NO VOTER I.D., INFLATION, RAISING TAXES, & MUCH MORE, CAN ONLY HATE OUR NOW FAILING USA. WE JUST CAN'T ALLOW THIS ANYMORE. THEY'RE KILLING OUR NATION AS WE SIT BACK & WATCH. WE MUST SAVE AMERICA!PROTEST, PROTEST, PROTEST!!!

At 3:29 p.m., [Scavino posts](#) the Man in the Arena video again. I don't think the timestamps are what we're supposed to be paying attention to here, because they don't make sense with the themes rolling in. Scavino* posted nothing else in this

time span, and the last he posted before was five days earlier. This is indicative of a repeat post, something that Q did. Once.

On December 17, 2019, Q posted the exact same post to the chan boards at exactly the same time. In part it reads, "*First arrest will verify action and confirm future direction. They will fight but you are ready.*" [See posts [3716](#) and [3717](#).] Remember Q's instruction in 1114? *Q is basically creating a circular flow diagram that can be referenced and cross-checked with news releases.* By all practical applications, this is exactly what is happening with Scavino's tweets in relation to current events with Trump and America.

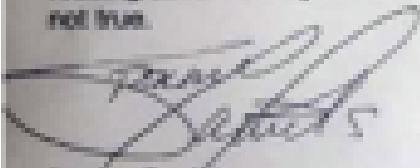

Trump has announced and others have corroborated that the New York D.A. will be arresting him on Tuesday, March 21, according to leaks from the D.A.'s office. If the decode is correct, Scavino is confirming this is how to read that by his duplicate post. He's pointing out that the first arrest post is about to come to pass.

TO WHOM IT MAY CONCERN:

I recently became aware that certain news outlets are alleging that I had a sexual and/or romantic affair with Donald Trump many, many, many years ago. I am stating with complete clarity that this is absolutely false. My involvement with Donald Trump was limited to a few public appearances and nothing more. When I met Donald Trump, he was gracious, professional and a complete gentleman to me and EVERYONE in my presence.

Rumors that I have received hush money from Donald Trump are completely false. If indeed I did have a relationship with Donald Trump, trust me, you wouldn't be reading about it in the news, you would be reading about it in my book. But the fact of the matter is, these stories are not true.

Stormy Daniels

Interestingly, there are 28 hours and 46 minutes between Scavino's duplicate tweets. If that in itself is another clue (and I'm not saying it is – I'm just a novice decoder, there are far more adept than I), then Q post 2846 could be relevant. In that post, Q references a tweet from a subsequent

suspended twitter account called "Lion of Judah" that has a screen shot from a FBI TV series with these words: **"Q. Who the hell is Q?"** Q then says in the same post: *"Be ready for the 'Q', Anon(s). Eyes on increasing +each day. You are the news now. Handle w/ care."*

At the time of that original post (Feb. 21, 2019) there was an increasing media and social interest in Q. There was a daily increase of visits and followers to the Q posts, and a common

phrase Q coined ten days earlier resurfaces: You are the news now. This means the obvious: that mainstream media has failed in educating and informing the public, and people trust their friends, family, and invested sources more than MSM, so be careful how you handle informing the masses and educating publicly.

The question he is referencing, of course, is *who is Q?* This has been asked and answered much, but since the 2020 election the Q phenomenon has settled down and has not been center stage. If Trump's arrest on Tuesday is the lynch pin that unlocks the alleged "plan" Q communicated in his /pol/ posts, then Q will quickly become a center stage interest again. Perhaps the warning is being refreshed to Q followers to be careful in handling the coming events with the utmost care.

The five year delta of March 18 from 2018 simply says, "**Panic mode. Enjoy the show.**"

Q followers believe there is a sequence of events pre-planned for the taking back of America from treasonous actors within its highest ranks. The implication is Trump's arrest attempt indicates the deep state powers that be are in panic mode, and there will be forthcoming moves and countermoves, some of which will cause unrest and upheaval across America.

Fox covers this story [here](#).

Also of interest is the interview where they quote Maxine Waters as saying Trump is trying to organize "domestic terrorists", furthering the absurd and anti-American liberal talking point that conservative protesters are "domestic terrorists". [Video [here](#) – Maxine Waters speaks at 1:23]

Tuesday, March 21, 2023:

At current writing, it is anticipated President Trump will be arrested for alleged "hush money" payments in the really, really old story of Stormy Daniels [i.e. Stephanie Clifford]

by the New York District Attorney's office.

In a 24 hour window, Trump has publicly called for protests.

[It's interesting that the date for the arrest leaked is March 21. If the powers that be are really aligned with occult practices and gain their "power" from rituals conjoined with dates and events, March 21 happens to be a [ritual date for human sacrifice](#), and it also happens to be a new moon. I just mention this as something for consideration.]

Interestingly, the five year Q delta, [Q960](#), for this Tuesday says, "Enjoy the show. Expect a lot more. Panic." And it references the March 18 post saying the same thing. (Talk about full circle!) The three year delta, [Q3895](#), simply says, "Do not fear." With a link to a [youtube song](#) entitled "Victory of Life" by a group called Future World Music.

My personal thoughts....

I wonder if they're going to continue with their arrest ambitions now that so much publicity has been paid to it. Following through on Tuesday would in some ways lend credibility to Q, and certainly be a threat to their attempt at villainizing Trump. Even Elon [Musk went on record](#) saying if they arrest Trump it will seal a landslide election victory.

And if they do arrest Trump Tuesday, what does that imply for the Q movement? Doesn't it at the bare minimum indicate credibility to the intel? How would the Q team have known five or more years ago what would come to pass at such a precise time?

I don't presume to know the answer. I've gone on record before and been wrong. I've taken the last couple years to sit back, watch and learn. I know there's a conservative base that finds Trump's calls for "Protest! Protest! Protest!" dangerous. There are still conservative Americans languishing

as political prisoners with no due process of law for the last time he called for protests.

Maybe keep an eye on key players' social media posts in the next 48 hours for more information. [Donald Trump, Don Jr., Scavino, maybe even Elon Musk... There are others. Reach out to me if you want ideas of people to keep an eye on.]

I merely present the current information for observation and consideration. If I were to offer any advice, it would be to seek God for the coming days. I think we're going to need more wisdom and protection than we realize.
