

Stop all Muslim immigration into the USA

This week, enraged Ohio State University student Abdul Razak Ali Artan, a Muslim immigrant from Pakistan, ran over pedestrians before jumping out of his car to take a butcher knife to stab 11 fellow students. Three remain in critical condition.

Ironically, talking heads at Fox News, CNN and the other mainstream media, couldn't figure out if Artan's actions equated to terrorism or a lone-wolf attack. "We can't figure out his motive," said one talking head.

Here's his motive: Islam advocates violence and terror toward anyone who fails to accept their Quran. Artan followed the Quran's prime directive, which states, "Convert or kill all non-believers." Fact: there are no 'moderate' Muslims. With growing numbers, every one of them follows the Quran's deadly edict.

The Quran directs its followers toward endless violence and terror in order to conquer infidels (unbelievers).

Quran 8:12 – I will cast terror into the hearts of those who disbelieve. Therefore strike off their heads and strike off their fingertips.

Quran 3:56 – As to those who reject our faith, I will punish them with terrible agony in this world and in the Hereafter, nor will they have anyone to help.

The Quran contains at least 109 verses that call Muslims to war against nonbelievers for the sake of Islamic rule. Some very graphic: with commands to chop off heads and fingers and kill infidels wherever they may be hiding. Allah will send them to Hell if they do not join the slaughter.

Artan's knife and car attack aren't the first this year that a Somali refugee hacked people with a large knife in Columbus.

In February 2016, The Horn News, Columbus, Ohio, reported that a Somali-born Islamic terrorist stormed a Jewish-owned restaurant in the same city and brutally slashed four people with a machete.

In 2015, police arrested a 23-year-old Somali-born man from that same refugee community, Abdirahman Mohamud, for plotting an ISIS-inspired attack on local American soldiers.

And in 2007, yet another Columbus-based, Somali-born refugee, Nuradin Abdi, was convicted of conspiring with an Al Qaeda terror cell to bomb a Columbus shopping mall while providing material support to the organization.

Moderate Muslims kill 20,000 women annually via honor killings advocated by the Qur'an according to the United Nations report on Honor Killings. They cut all their girls with female genital mutilation, which proves barbaric beyond human understanding. They arrange marriages for little girls to 40-year-old men as a matter of course. They kill gays. They subject and beat their women into submission at all times. No one enjoys freedom of speech, thought, clothing, spouse or religious choice in Islamic dominated countries.

If they can't find infidels to slaughter, they vanquish millions of their own. Shiites, Kurds and Sunni's killed each other for the past 1,000 years.

In the 21st century, the question arises, "Why are Western countries inviting this 6th century barbaric religious-economic-warring tribal band of Muslims into their countries, when they KNOW Muslims create terror, murder, chaos and conquest in every host country?"

Violence, terror and killing remain the essential mandates of the Quran and all who follow it. It's proved those mandates in

hundreds of terrorist acts since the 1972 Olympics to Paris, France to Brussels, Belgium to Nice, France to San Bernardino, California to the Boston Marathon to Ohio State University this week—with thousands of barbaric terrorist attacks worldwide that fail to make the mainstream news.

You Cannot Escape This Fact

The more Muslims we import, the more terror events. It's the nature of the religion. It's not going to change, because, as their numbers grow, so does their push for Sharia Law. There's no way to soften their prime directive: "Convert or kill all non-believers." One look at Europe shows you our future. Journalist Daniel Greenfield wrote, "When you turn on the evening news and see a running death toll, it's happening more and more often. The new brand of Islamic terror only needs one thing... Muslims. Lone wolf terrorism operates off the existing Muslim population in a particular country. The bigger the Muslim population, the bigger the risk. The FBI or other law enforcement agencies cannot monitor even a fraction of the Islamic settler population sympathetic to terror. As the Muslim settler population in the country increases, the number of cases will grow."

Therefore, the American people along with Canadians, Australians and Europeans must demand their leaders "Stop All Muslim Immigration" into their countries.

Islam accelerates as an incurable disease of the mind and body of 1.5 billion people living in the Dark Ages of the 6th century and a madman prophet named Muhammad. He raped, murdered, tortured and beheaded anyone who opposed him. He embodied Hitler, Stalin, Mao, Mussolini and other historical figures that committed mass murder upon fellow humans.

You wouldn't import tens of thousands of Ebola-stricken immigrants into the USA. You wouldn't import hundreds of thousands of polio-stricken immigrants. You wouldn't import

tens of thousands of AIDS-infected immigrants. Why would you import hundreds of thousands of Islamic-Quran-following Muslims into America?

It's time to "Stop All Muslim Immigration in the USA" immediately. We don't want them killing our kids at Ohio State University or at our Christmas parties at San Bernardino or at our nightclubs in Orlando, Florida. We don't want more blasts at the Boston Marathon or Navy recruiting centers being shot up by Muslims of every stripe. We don't want underwear or shoe bombers and we don't need NY Times Square blown up by a car bomber. We do not want another 9/11.

Call your senators and House rep: 1-202-224-3121. Demand a stop to all immigration and stop to any Syrian immigration.

Definition of slogan: "Immigration Shutdown Now means the American people want a total shutdown on all legal and illegal immigration. That means we want all illegal immigration stopped by arresting, prosecuting and jailing employers of illegal aliens. We deport all illegal aliens by taking their jobs away and as we catch them. We want English mandated as our national language. We demand a cessation of Muslim immigration in order to protect our culture, language and way of life. We can't save the world but we can destroy our civilization. We demand a stable population that allows everyone to live, work and thrive into the 21st century. Especially our children." FHW

That's why you need to take action. Send this series to everyone in your network. Educate them. Urge them to take action by joining these websites to become faxers of prewritten letters and phone callers. We must force Congress into an "Immigration Shutdown Now!
