

# Stupid is As Stupid Does

The days of *"One nation UNDER GOD, indivisible, with Liberty and Justice for all"* is simply a hollow meme from the past. That nation, to which we pledge fidelity, is none of the things mentioned in the Pledge of Allegiance.

**One nation UNDER God**

**Indivisible**

**With Liberty and Justice for all.**

Words. Those are simply words that they taught us to mouth in elementary school. The American Government represents none of those values. Zero. NADA. A total meaningless fraud.

America is a captured nation. A nation no longer controlled by the Christians who founded it, but, as the Scriptures warn us, [Evil men who have crept in unawares](#) and have turned our nation into something that it never was intended to be.

A secular nation is a godless nation. Although, according to recent studies at least [65% of Americans identify with some form of Christianity](#), (down from 80% a generation ago) our Government is atheistic. That was decided by the SCOTUS in 1947 when they determined in [Everson V Board](#) that there was a "separation between the church and the state."

Almighty God was evicted from his position of King of Kings and relegated to the role of just one of the many "gods" that

Americans served. This is the rotten fruit of the atheistic government-run indoctrination system controlling your LOCAL schools.

Jesus Christ, the most essential figure in the history of Western Civilization...the man by whom all time is measured around the world...BC AD...is not even mentioned in your PUBLIC funded educational system.

Jesus is just another guy to hang out with...Buddha...Mohammed...Lucifer...pick your deity in modern American democracy...

If America was really a nation UNDER GOD, would it be important to identify whom that Deity might be? The pledge says GOD...singular...not gods plural. America has become one nation under many gods...or no gods...whatever floats your boat.

What makes a behavior or action "right or wrong"? Who determines that? By what standard do our judges and "lawmakers" base their decisions? The [Bible asks](#) us "***Can two walk together less they agree?***" What is the American standard by which right and wrong are measured? We call that MORALITY. What makes something moral...or immoral? An unelected judge? What is his/her standard?

Look. Individuals are Christian...or not Christian...based on their system of belief. Since the birth of our nation the standard of determining right and wrong has been the Bible. Government morality is not determined by a vote of Congress, or a terrorist in a black robe, but by an eternal standard upon which a national government is formed.

America is a nation of majority Christian citizens now being ruled by an atheistic government. Caesar is now KING over the American people.

There was a day in America when EVERY child in the "public" schools began the day by reciting:

***"Our Father, who art in Heaven, hallowed be Thy Name. Thy Kingdom come, Thy will be done, on earth as it is in Heaven. Give us this day, our daily bread, and forgive us our trespasses as we forgive those who trespass against us. And lead us not into temptation, but deliver us from evil. For THINE is the KINGDOM, and THE POWER, and THE GLORY FOREVER. Amen.***

Every child. Every school. Every day. Until the courts said we were violating the law...

I understand multi-culturalism. I understand many different gods. But by what standard is the American Government going to operate? How about we taught every American child these simple rules: ***Honor Thy Father and Mother, Don't Murder, Don't commit adultery, Don't steal, Don't Lie, Don't Covet.*** Aren't those values good for atheistic children as well?

What if we demanded our elected officials do the same? Did you know that 88% of Congressional members identify as Christian? [HERE](#). Why don't we demand that they act like it?

Can someone please explain to my why the Christian values of 88% of Americans are barred from the education of THEIR OWN children? Why does a government *of, by, and for, the people* teach atheism to their children?

The Founders did get one thing right. There IS a Separation between the church and the State. But we have applied the premise in reverse. The Christian God is OVER the government...not under it.

"The wicked walk on every side, when the vilest men are exalted." [Psalm 12:8](#)

To paraphrase Forrest Gump...Wicked is as wicked does.

Say what you want to about the depth of President Trump's PERSONAL Christianity...I am not here to debate that...but he has

clearly opened the door and welcomed Christianity back into our government. No wonder the phonies in both parties are kicking against the pricks.

Will we accept the invitation? Will a nation of Christians demand the obedience to Christian values from our government? Will we begin again to teach Christian values to our children?

The ball is in our court. Will the CHRISTIAN CHURCH answer the bell? Stupid is as stupid does.
