

Tax & Spend Democrats control Both Chambers in Oregon

By Oregon Senator Diane Linthicum

December 28, 2025

We all know that increasing taxes is a bad move, especially when there is no need.

This should be a **political truism**. This is obvious to all except those in **positions of power**. They just can't **escape their passion for spending** your money.

Just last month, the quarterly revenue forecast showed Oregon's ending balance is **higher by \$309.5 million than last forecast**. You might think Gov. Kotek would be satisfied.

Yet like all collectivists, there is always a government agency (ODOT comes quickly to mind) or bureaucracy that **needs your money** to keep Gov. Kotek's socialist fantasies alive. Gov. Kotek and her Democrat allies in the Legislature are desperate to **sustain the unsustainable by increasing hardworking families already needlessly high taxes**.

The **Democrat majority controls both chambers of the Oregon legislature**. Therefore they control all of the laws, rules, regulations and taxes that are hounding you and your family.

Take this chance to fight back by using the [2025 Political Tax Credit](#). This credit simply removes \$50/single or \$100/married of your tax dollars from the State's coffers and allows you to redirect that money to a Candidate or PAC that supports your values.

Use your \$50 the way you want – Use it or Lose it!

When using Tax Form 40, the Political Tax Credit contribution is noted on line 26. You and your spouse can both claim a **\$50 tax credit for your contributions.**

For your Political Contribution Credit, **fill in your total political contributions, but not more than \$100 on a joint return or \$50 on all others**, for contributions made during the 2025 calendar year.

Contributions to the following apply:

♥ A qualified candidate (or the candidate's principal campaign committee) for federal, state, or local office to be voted for in Oregon.

♥ **This is the LAST year you can use this Credit!** [Use it Today!](#)

♥ It may not be **claimed for tax years beginning on, or after January 1, 2026.**

Thanks for standing with me to support our Traditional and Conservative Values!

We are stronger together – thanks for your support!

My best wishes for a healthy, happy and prosperous New Year!
