Forsake not the assembling together ...as you see the day approaching

The good old days are not coming back. However, Jesus IS. His return for His Church is imminent. We are now a bit past the end of the sixth day, 6000 years since Adam was created. The rapture, and the seven year Tribulation period is imminently upon us. The New World Order's brief kingdom and lasting infamy has been thoroughly prepared and ready to descend upon this unsuspecting generation.

A couple articles ago, I mentioned that a digital currency is being rolled out this year. We all noticed the recent bank failure the last couple days in California as well as the news that other banks could fail as well. Certainly, a designed failure of the banking and currency system is required to coerce people into using their new digital currency. This will bring about the New World Order Beast system. Are you watching?

By all evidence, the jab, the required shot will soon become the mark of the beast. Without the shot that also gets you ID Chipped, those left behind after the rapture will not be able to buy or sell in the new digital money system. If you cannot wave your chipped hand over the scanning machine at the checkout, you cannot access your digital account. You cannot

buy or sell unless you swear allegiance to the AntiChrist as God. Your digital account will be canceled. You and your family will be hungry, homeless and hunted. So, don't miss the rapture!

So no, writing your congressmen will avail you nothing. Most of them have already been clued in and are on what they see is the winning side. Pretesting in the street will merely identify you as those troublemakers to be refused access to this brave new world.

All of the tech to implement this new system is already in place. The Patriot Act era year 2000 gives these plotters the quasi legal authority to do whatever they want.

"They" have been planning for this day for generations. Those elderly among their top leadership just cannot wait any longer. Their natural time has about run out. They all are heavily deluded that they will become immortal gods and will live forever once this New Age of digital cyborgs begin to replace the elite of the human race.

The next step in their plan is to spread another man made enhanced virus and then bring out their new treatment plan that will also have the tracking chip. This device looks similar to a one inch square band aide. However, it has tiny barbed hooks on the under side which secure the patch onto the person, giving them their daily dose of this "faux vaccine."

As it says in the Bible, this "mark" is both On and In the right hand or forehead! Why this location? Because only these two locations are always exposed to the air. This heat difference exposure between the body and the outside air is necessary to power the tiny chip thus imbedded in the back of the hand or forehead. Think of this device as the microprocessor chip in your computer. This is the beginning of making people into cyborgs. Once the persons body has been altered by this gene editing biological software, a person is

no longer completely human, they can no longer be saved by Jesus shed blood. Remember how that Noah was the only person left whose genetic makeup was still completely human? That had been and now still is the goal of the demon indwelt people. This thought should make you gasp and your blood run cold when the reality of this situation sinks in. This device was first announced a few months ago and is in human trials today.

Why is today the day; the last final days, weeks or months before the rapture of the church and the AntiChrist's kingdom? I'm glad you asked that question.

As I alluded to at the beginning of this article, we are at or even a bit past six thousand years from Adam. There are only seven days, or seven thousand years in God's plan for mankind. Abraham came at the end of the second day, era two thousand years after creation and two thousand years before Jesus. Jesus came at the end of the fourth day. Jesus will come back at the end of the sixth day, and reign in the millennial kingdom on the seventh day, the Millennial Kingdom.

The sixth day may have already ended, and we may be in double overtime! Our ancient calendar is not exact. Jesus died in the year thirty AD. The year 2030 will be two thousand years from then. The context of Jesus comment in Matthew ch 24 about "no man knows the day nor the hour" was concerning the exact day of His second coming,.

However, No, we really do not know exactly the day Jesus will be coming for us in the rapture. He did say, however, that we are to watch faithfully. Revelation chapter three states that while the world will be surprised, we the faithful watchers will not be surprised, we will know when He is coming. Jesus rebuked the Pharisees that they could discern the weather, but were blind that they could not see His coming. Even so, everything around us shouts that Jesus coming

is IMMINENT.

### **Why we are the final generation**

Ezekiel chapter thirty six God is telling the land that was long desolate that He would bring His Hebrew people back to the land after centuries in exile. Ezekiel chapter thirty seven tells The Hebrew people that He would bring them back to His land Israel. In Ezekiel, chapter four, verses four to six, He tells His people they would be chastised 430 years because of their sins. The chastisement began in 606 BC. In Leviticus chapter twenty six, God also states that "if, after a time of chastisement my people do not repent, I will multiply the chastisement seven times." After returning from the Babylon captivity, the Hebrew people did not repent. So now the 360 years of chastisement left after Babylon was multiplied by seven times. This resulted in 2520 Hebrew years of chastisement, and also dispersal into the nations a generation after they killed their Messiah. This was a total of 907,200 days. In God's provision, the Hebrews re-established their nation In Israel 907,201 days after the return from Babylon. This was May 14<sup>th</sup>, 1948.

How long is it from 1948 to the end of the sixth day from Adam? Somewhere around fifty years, How long is a generation? Biblically, Psalm 90:10 says between seventy to eighty years at the most. So therefore the second coming should be somewhere around eighty years after 1948, or about 2030. Our Rapture should be seven years before that.

So yes, we should be Very close... Are you paying attention? Are you faithfully witnessing to all the lost people around us?

There are different levels of rewards, or status in heaven. Our rewards in heaven depend upon our faithful works down here in our generation.

Daniel 12:3 KJV: And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever
