

The April 8, 2024 Solar Eclipse Across America

By George Lujack

April 9, 2024

This 2024 solar eclipse, in conjunction with the 2023 and 2017 solar eclipses, along with the steep moral decline of the United States, is poised to be the biggest heavenly sign from God in our lifetimes. Corrupt, incompetent, usurper President Joe Biden just used a pagan holiday, Easter, to promote an abomination, transgenderism, saying, Trans people are the fabric of our nation in his "[Trans Day of Visibility Proclamation](#)". It is not a stretch to say that America, on a national level, is not going to repent of her national sins and will continue to promote them.

Sometimes God sends a prophet to warn a nation, as He did with Jonah. In other times, in the absence of a prophet with direct revelation from God, He warns by showing a sign in the heavens. The world is not going to see its next prophets until the Two Witnesses appear – Revelation 11.

Jonah's prophetic message to the people of Nineveh was also most likely accompanied by a solar eclipse over Nineveh, which is why the people of Nineveh feared Jonah and heeded his warning, as the solar eclipse caused them to believe that he was a true prophet from God.

If the last three American solar eclipses and the cities and places they passed over are not a sign from Almighty God, then Genesis 1:14 is a meaningless verse for believers to observe.

If God acts according to His pattern (He is the same yesterday, today, and forever – Hebrews 13:8), then 40 days after the April 8, 2024 solar eclipse, on May 18, there will be a major earthquake in the United States.

This is based on the Jonah warning of forty days, Jonah 3:1-4.

According to other prophetic events that must first be fulfilled, America's destruction is not coming just yet. Scripture Truth Ministries is predicting God will pre-judge America, by renting the nation first, as He once tore the Temple in two after the Jewish religious authorities had Yeshua (Jesus) crucified. This will be God showing His displeasure at America, a nation that has turned its back on Him.

For believers, who will be dwelling in the central region of the USA on or about May 18, some advice: pray to God for divine protection and stay away from tall buildings.

I, George Lujack of Scripture Truth Ministries, am so sure that a major earthquake is coming in the central region of the United States that I am willing to make the call in my video. I know if nothing happens, people will be emailing me, calling me a false prophet.

I do not claim to be a prophet with direct revelation from God. I claim to be a prophecy analyzer who studies hard and comes to Scripture-based, scientific-based, signs-based, historical-based, logical, and reasoned conclusions.

There's much more, that is not covered in the featured video ...

On April 8, 2024, the "[Devil Comet](#)

On April 8, 2024, [CERN](#) will test-fire its particle accelerator searching for invisible matter and other secrets of the universe. Some speculate they are seeking to open portals in time or open portals in the spiritual realm. Some fear they

may create a black hole and destroy Planet Earth. This is not going to happen, as Scripture prophecy proclaims that the Earth will remain until Yeshua's (Jesus') return. Something biblical comes to mind about the CERN experiments: the Tower of Babel, where man wanted to challenge God and become like God.

On April 8, 2024, when it gets dark during the day, [seven planets will be aligned](#) in the sky. Mars, Saturn, Neptune, Venus, Mercury, Jupiter, and Uranus will be lined up along with the eclipsed Sun.

On April 8, 2024, [NASA](#) plans to launch three rockets during the total solar eclipse, from its Wallops Flight Facility in Virginia, to study the solar eclipse's effect on the atmosphere.

On or about May 18, 2024, 40 days after April 8th, according to the warning issued by Jonah (Jonah 3:4), this ministry believes that there will be a massive earthquake in the central region of the United States.

On or about May 18, 2024, 40 days after April 8th, billions of cicadas are set to emerge in the central region of the United States ([43-second video](#)). NOTE: Cicadas are not safe for humans to eat, as they do not possess hind, leaping legs as grasshoppers and locusts do: (Leviticus 11:20-23; Deuteronomy 14:19). This emergence of cicadas appears to be a secondary curse, besides the earthquake this ministry is predicting, similar to the locust plague of Egypt (Exodus 10:1-14).

NUMEROLOGY:

If America has a number, its number is 18. Two chapters in Scripture are exclusively written about America: Isaiah 18 and Revelation 18. Isaiah speaks of the second woe, the woe coming to the land shadowed with buzzing wings (commercial airplanes) a nation which is divided by many rivers – America, and the American rapture (Isaiah 18:7). Revelation 18 speaks of

America as the great nation that has blessed the world with its wealth, that will be destroyed in one hour, and when it is destroyed the merchants of the earth will weep, because no one buys their merchandise anymore. This ministry believes that America, on May 18, will experience a major earthquake (a prediction), and will simultaneously be plagued by billions of cicadas (a scientific fact of nature).

Hope you enjoy this presentation and share it with all who are interested in Scripture prophecy and these end-times signs. Please share it with your skeptic friends too. As always, Scripture prophecy is not meant to scare, even though it does sometimes, but to prepare. How do we prepare?

Get right with God. Repent of all sin. Live righteously according to all His commandments, as best as humanly possible. Believe in Yeshua (Jesus) for salvation.

PSALM 46:10:

Be still, and know that I am God.

LUKE 21:36:

"Watch therefore, and pray always that you may be counted worthy to escape all these things that will come to pass, and to stand before the Son of Man."
