

The Bull, the Cape and the Matador

Authored by Devvy Kidd not AI

What do we see below? We see the raging bull – the people of America. We see a matador standing there, cool and untouched. The matador is waving a cape in front of the American people which continues to draw their ire and anger, or lulls them into complacency and a false sense of security. The American people, because they haven't been given the facts and the truth about the privately owned "Fed," the planned destruction of our republic by the UN, WEF, Trilateral Commission, the Council on Foreign Relations and many others, all architects of a proposed one-world government, continue to huff and puff at the cape. Sometimes they even charge the cape. ([World Economic Forum Finally Tells the Truth About Covid: It Was a 'Test' of Our Obedience to Rapidly Forming New World Order, Sept. 7, 2024](#))

While the raging bull continues to be frustrated that the cape appears over and over, a distraction manufactured by the clowns. The clowns are the majority of the U.S. Congress and those who

serve in the 50 state legislatures over the past decades as well as governors. While the bull is raging over today's distracting narratives by the prostitute media (out of desperation, the Democrat Communist Party USA has resurrected yet another Russia collusion hoax), the globalists and their banking partners continue on with their diabolical plans to strip America of its absolute sovereignty.

Who knows what will be plastered all over the propaganda box (TV), cable "news" networks this coming week. The much-anticipated debate between Ho Harris, a professional liar and queen of the casting couch and bull dozer, Donald Trump, has been the big headliner the past few days. The boob tube and Internet will be filled with who "won". More lying by Ho Harris' running mate, coward (Stolen Valor) Tampon Tim Walz whose own family came out publicly last week and all said they're voting for Trump, has been covered by independent media. The Mockingbird media ignores it like the plague.

The next day the cape will find something new to blast with their click bait headlines and articles and columns filled with *provable lies*. Then the next day is another cape which is a partisan pretend-fight over protecting social security

and Medicare and who has the best plan to save it. Or, a cape that says the Republicans care more about national security than the Democrats. The clowns are smart – they never get too close to the matador if they want to get elected/re-elected. Like the cowards that they are, they simply throw the bull what he wants to eat or drink, play, the bull backs down and goes back to the cape. The matador continues to stand untouched.

Then we have a cape that serves up an Internet bonanza of pornography guaranteed to keep tens of thousands glued to breasts and butts. The bull tries to charge but again the clowns distract the bull with the usual menu of lies and deception. The clowns in Congress, state legislatures, slick “news” anchors and probably half of Americans believe our legal form of government is a democracy, so for them, *whatever the mobs want, they can be bought for 30 pieces of silver*. Thirty pieces will guarantee the clowns make up the rules as they go, while our laws enshrined in the U.S. Constitution and our God-given rights as reinforced by the Bill of Rights, are flushed. In the meantime, the matador continues to move at the speed of a shooting star towards a totalitarian world dictatorship while the bull continues to focus on the cape of the day.

On other days, the bull isn't raging. He/she are what I call Unreachables. They just stand there glued to the cape, *not even knowing why*. Some feel good or on the other hand, the color red enrages the bull to charge. Fret not! For this scenario, the matador comes up with a new line-up of mesmerizing capes full of lies and deception to continue distracting the bull.

But *what* is the matador doing all this time? The matador is making sure the bull, whether he be Republican or Democrat, stays focused on the cape. A cape like liquid mercury, it waves Republican is the answer to smaller government and lower taxes even though the Republicans have done just the opposite

since taking power in January of 1995. It waves Democrats will give you free, unconstitutional welfare programs and breed you to dependence like an opiate. But like one drugged, the only concern of the day for the bull is the fix. *The one cape the matador never waves in front of the bull is the one that says truth.*

Once in a while the bull goes for the cape. In come the clowns with capes of deception like a “Republican Revolution and Contract For America” or “free” health care for every American from the communists (Democrats). A new cape tells the bull he’s better off without his horns [guns], because his horns kill people. The matador has convinced the clowns that inanimate objects like guns are the problem instead of the bad people who pull the trigger so we need more anti-gun “laws”. The bull gets tired, worn out and the fight is drained from him. The next day, the routine starts all over again.

The problem is, one day the bull will either be so drunk, full of drugs, so tired, silly happy with the stock market or decides to charge the cape in a real and aggressive manner, the matador will finally plunge the sword in his heart and the bull will die. Just like our great and glorious Republic is dying right before our eyes while most of the bulls in the stable stand and watch, waiting their turn for the sword.

United Nations

What *is* the real agenda of the matador? The matador is building a new world order – a diabolical plan I’ve been writing and speaking about for over 30 years. Some of my dear friends for longer. The matador is making sure his clowns perform well by lining their pockets with 30 pieces of silver and re-election. The clowns pass major pieces of legislation that aid the matador in bringing down

America: NAFTA, replaced by the destructive USMCA “Trade Agreement”, GATT and the never-ending attempt to call an Article V convention.

The matador buys and moves governments around at will because of the “money” it prints up for its own use while the bull continues to stand in rage focusing on the cape. Money buys the clowns whether they’re in America, Portugal, Spain, Russia, South Africa or Canada.

But, something has happened in this bull ring of deception: **The sleeping giant, the people of America, are waking up in unprecedented numbers and they don’t like what they see.** And it’s not just here in the U.S. Americans are fighting censorship and free speech. The people of the world are also starting to fight back.

[“The Blob” in Brazil: TGP Exposes the Million-Dollar US Censorship Industry Attacking Free Speech in Brazil as Half a Million Brazilians Protest for Freedom in São Paulo, Sept. 8, 2024](#)

I know you’re one of those Americans who has been watching, learning and looking for answers and solutions.

The threat to America is as real as the sun in the sky, yet most Americans are unaware of this danger lurking just over the horizon.

There are double digit millions of people who are working as hard as humanly possible to get the truth to our fellow countrymen – they are truly the *unsung heroes* of today. Once you understand the truth behind mechanisms like the *privately* owned “Federal” Reserve, the IRS, the UN and others, you will finally understand why America continues to slide further and further into moral decay and fiscal bankruptcy, the loss of our freedoms and our precious sovereignty as a Constitutional Republic. Despite the reprehensible and despicable actions of politicians and political talking heads on TV, [America is NOT a democracy!](#)

We the People of this nation must stand shoulder to shoulder, strong and firm in our commitment to restore America to a Constitutional Republic.

Consider these words by two very important players working diligently to bring US into a one world religion [Godless New Age], one world government [somewhere in Europe], one world bank and a one world robocop force – UN Hessian type troops which are slated to replace our military. No? Once you’ve done your homework, you will know that this is a true and factual statement. How could this happen? *America has been asleep and the trust they put into their elected public officials has been grossly violated.*

“Today Americans would be outraged if U.N. troops entered Los Angeles to restore order; tomorrow they will be grateful! This is especially true if they were told there was an outside threat from beyond whether real or promulgated, that threatened our very existence. It is then that all peoples of the world will pledge with world leaders to deliver them from this evil. The one thing every man fears is the unknown. When presented with this scenario, *individual rights will be willingly relinquished for the guarantee of their well-being granted to them by their world government.*” – Henry Kissinger in an address to the Bilderberger meeting at Evian, France on May 21, 1992. (Due to deep research by some of the best, I’ve

always believed Kissinger was a Soviet spy. Now he's dead and answered to God.

This was transcribed from a tape recording made by a Swiss delegate. *Unfortunately for Mr. Kissinger and his globalist masters, they have severely underestimated the grit and patriotism of the American people.* We will NEVER allow our country to fall to this "New World Order" regardless of the personal sacrifices that must be made.

"We are grateful to the Washington Post, the NY Times, Time Magazine and other great publications whose directors have attended our meetings and respected their promises of discretion for almost 40 years...It would have been impossible for us to develop our plan for the world if we had been subjected to the lights of publicity during those years. But, the world is more sophisticated and prepared to march towards a world government. The supernational sovereignty of an intellectual elite and world bankers is surely preferable to the national autodetermination practiced in past centuries." David Rockefeller speaking at the Bilderberger meeting in June 1991 in Baden Baden, Germany.

This meeting was also attended by Dan Quayle and Bill Clinton, who was introduced to these international traitors by none other than Vernon Jordan, known as "the fixer". These globalists, i.e. Henry Kissinger, Hussein Obama, the Bush family and the usual millionaires and billionaires have sold out America for their own lust of power and money. Reality check for them: America will NOT fall to her knees for these petty henchmen of the world order.

One issue that seems to have virtually disappeared is the destruction by those COVID-19 experimental gene therapy injections which have killed millions on this planet and left untold huge numbers of people, not just here in the U.S., but world wide with permanent disabilities and a life of hell.

Many lawsuits were filed to stop the forced jab or lose your job. IGNORANT judges sided with employers, ignored the [Nuremberg Code](#); the rotten, corrupt U.S. government and governors across the country simply threw our God-given rights out the window. When I say I ignorant I mean just that. I've written many, many columns on this which can be found [in my archives](#). DARPA (DoD) warned no one knows what will happen down the line because of the spike protein in those injections. [Email DARPA – Project Veritas – Maj. Joseph Murphy and Unclassified report to DARPA \(Defense Advanced Research Projects Agency\) Attorney General, Commandant of the Marine Corps, Fellow](#): “To me and those who informed my analysis, **this situation meets no-go or abort criteria with regard to the vaccines** until the toxicity of the spike protein can be investigated.” DoD distributed them anyway.

Pfizer and Moderna both stated on their SEC (Securities & Exchange Commission) filings that the FDA considered their product gene therapy which is NOT a vaccine. They are guilty of mis-labeling for (1) claiming those experimental gene therapy injections are vaccines and (2) for proclaiming how effective they will be in stopping the spread of COVID-19.

“I filed a Motion to Expedite Oral Arguments today. The Appellees did not file a reply Brief in Answer to my Reply Brief in the 30 days required to do so. The Appellees are not required to file a Reply Brief, but if they choose to do so, they are required to file it within 30 days.

WorldNetDaily now has a live news program on Rumble. [You might want to watch this one](#): **Monkeypox hysteria is beginning to trend, with the elite expert class drumming up real fear around it.** The WHO is declaring it a global emergency, saying they’re getting ready for a “MEGA lockdown”. This all feels vaguely familiar...what with an election in less than 3 months.”

Our beloved Republic is in grave danger and every sovereign citizen in this country has the obligation and the duty to safeguard our freedoms paid for with the precious blood of Americans before us. We must not shame their memory because of some “entertainment” on the propaganda box (TV), going to the mall or a round of golf has become more important than freedom.

We must dedicate ourselves to this fight for freedom, for all America has stood for in the past and for all we will stand for in the future. We the People must be the army of America, the leadership for America as William Wallace was for the people of Scotland. We can turn things around by learning to fight smart using the system our forefathers gave us that has held us for so long. Violence is not the answer; unity, dedication and commitment is our weapon.

What the media clowns and most members of Congress) continue to ignore as well as governors, mayors (for votes) and so-called “health experts” who work for your state paid for by you is the unimaginable numbers of death and destruction from those dangerous COVID-19 experimental injections.

(NWV’s cannot continue bringing you the most *accurate* information, data and the continuing efforts to destroy our republic and how to get involved without reader support. The evil doers are badly injured right now and will do anything

Two days from now is yet another “remembrance of Sept. 11, 2001. The masterminds are still walking free.

And speaking of being lied to by government agencies (FDA, CDC, FBI, Secret Service), there’s a very important web site focusing on 9/11, Truthlink.

“Our” government has lied to We the People about WACO, TWA Flight 800, KAL 007, OKC, the so-called Russian Dossier paid for by Hildebeast Clinton’s campaign to ruin Trump, the attempted assassination of Trump last month and **they’ve been lying to the world about 9/11 for the past 23 years.**
