

The CIA-Controlled Mockingbird Media Is At It Again

"Presidents are selected, not elected." -President Franklin Delano Roosevelt

If only the American people would open up their eyes to the games that are played on them (Jeremiah 5:21).

They complain about the establishment and yet, every election cycle, they get pulled right back into the very game that they claim to despise. That defines insanity.

In a nutshell, people in this country say that they want change yet, they fail to do what it takes to bring about the change. How do you help people that refuse to help themselves? (Jonah 2:8)

What's worse is they have not come to the realization that the few options that are given to them by the Mockingbird media and their useful idiots are only those that are already a part of the establishment of which they complain. For example, take the last election, you were given two options: 1) Treasonous Joe Biden, who is in the People's White House by voter fraud which no one can dispute; and then 2) you were given Donald Trump, a man who has literally done the opposite of what he promised to do in making America great again

(Isaiah 5:20).

If Donald Trump did what he promised to do in draining the swamp, Hilary and Bill Clinton (in that order), Barack Hussein Obama, and the establishment cronies would all have been brought to justice (Isaiah 26:9). Is that what happened? Absolutely not.

Furthermore, America would not be suffering the criminal abuse of Joe Biden today if the father of the vaccine and the advocator of the sodomite agenda, Donald Trump, would have come through on his promises (Proverbs 17:15). Then Americans have the temerity to wonder why we have the wicked walking on every side within the halls of government (Psalm 12:8; Proverbs 15:32).

Yes, over and over again, Americans are played by the powers that they tolerate, the dupes of ill-designing men, in allowing them to continuously drive and control the narrative by the Mockingbird media that controls 90% of the narrative globally, and that to their own demise (John 8:44).

To prove the point, please take note that during the last presidential election cycle, there were over 1,000 different presidential options and the only ones that you heard from were the ones that they wanted you to hear from, namely Joe Biden and Donald Trump.

The Mockingbird media kept people eager to watch the propaganda outlets which continued to promote the fight by filling the seats between two illegitimate candidates! Why were the other presidential contenders ignored, censored and or suppressed? These are questions that you are going to have to answer, and the answers are as plain as the nose on your face.

Friends, this cycle is no different than the last. There are

over 1,000 other candidates running for the presidency of the United States and you are only hearing about the clowns in the circus of their controlled political world.

[Thus far, concerning the options that are given](#), it is Joe Biden, Marianne Williamson (a self-help author and former spiritual adviser to Oprah Winfrey) and Robert Kennedy, Jr.

On the right, that is if there was a right according to the U.S. Constitution (We are a Constitutional Republic; Article IV, Section 4) we have Donald Trump, Nikki Haley, Ron DeSantis, Mike Pence, Chris Christie, Larry Elder, Doug Burgum, Francis Suarez (son of a Cuban immigrant), Will Hurd (Former CIA), Asa Hutchinson, Tim Scott and Vivek Ramaswamy. All of these, might I remind you, have been a part of the problems which they have to the present failed to correct.

What of the other [1,000 presidential candidates](#)? Why are they being ignored, suppressed and or censored? Why are we not hearing from them?

Have you had enough of the controlled propaganda narratives and the controlled outcomes, yet? Me too!

If you don't want to look at the facts and deal with them, then you can rest assured nothing is going to change (James 2:14-26). You can look the other way but you cannot say that you did not know.

America was warned long ago and has failed to come to the truth of the matter when it comes to what President Franklin D. Roosevelt blurted out in his confusion":

"Presidents are selected, not elected."

You are being lied to and mocked at every given step, my friends. Enough is enough!
