What Happens To Americans When The Devil Is Let Loose?

*"The robbery of the wicked shall destroy them; because they refuse to do judgment."— Proverbs 21:7*

Goodness gracious people, how many crimes and lies does this devil, Barack Obama, need to be found guilty of committing before the people hold him accountable?

He is, once again, leading other subversives to bring about more illegal censorship in advocating his treasonous propaganda. He is hoping to overthrow the First Amendment of the United States Bill of Rights.

Then again, Barack has been allowed to do so by the people in this country for over 16 years now without standing trial for his numerous, treasonous crimes against the people. This is what it looks like when the devil is let loose.

Friends, this is how a country is overthrown.

Ultimately, what this all comes down to is these devils hate the bearers of the truth that bring their evil deeds to the light (Ephesians 5:11)!

Barack Obama spews forth his doctrine of devils in hopes of leading people to censor the truth.

In fact, this is the very reason our forefathers established the First Amendment. Benjamin Franklin famously stated, *"Freedom of speech is the great bulwark of liberty; they prosper and die together: And it is the terror of traitors and oppressors, and a barrier against them."* This quote, often attributed to Cato's Letters, highlights the crucial role free speech plays in safeguarding liberty and a free government. Franklin, a printer and publisher, understood the power of the press and the importance of open discourse. He believed that freedom of speech was essential for wisdom and public liberty, and that without it, a nation's liberty could be overthrown.

What of George Washington, and what it is that he had to say of those who mean to suppress or censor our free speech?

*"If freedom of speech is taken away, then dumb and silent we may be led, like sheep, to the slaughter"* is a quote attributed to George Washington.

In conclusion: Friends, remember that our God-given rights are not taken away. If they go, it is because the people have forfeited them. If you are not willing that they be forfeited, then they must be fought for, and in this case, these criminals must be brought to justice while you still have time to do so!
