

The cult of diversity and multiculturalism

In this exclusive interview with George A. Phelps, retired US Army officer of the 1st Calvary, he examines the consequences of diversity and multiculturalism as an ongoing policy carried on by your elected Congressional critters as well as the current president in the White House. Notice none of them face actually “living” in the fragmented cities they forced this 21st century cult of diversity and multiculturalism.

The main reason I present these interviews: more and more Americans understand what I’ve been writing about for 30 years. We must stop mass immigration if we expect to survive this century.

Mr. Phelps, please give us an idea of our future with more diversity and multiculturalism with another 100,000,000 (million) legal immigrants within 34 years by 2050.

“It has largely been propagandized that diversity and multiculturalism is a good thing and leads to people understanding one another and living together in peace,” said Phelps. “That’s an erroneous philosophy propagandized by the left wing liberal establishment in this country. It has become entrenched in our school systems and our government to the point that this cadre of ideologues have been able to pass laws forcing the States and the citizens to comply or be punished and fined for resisting the implementation of these ‘laws.’

“Recently the States have been threatened by the Federal Government if they don’t comply with federally issued rules and regulations, not necessarily laws, regarding the use of public restrooms including those in our schools and universities. Even to the point that a business owner can be

prosecuted for non-compliance in his or her business.

“The perpetrators of these ‘regulations’ claim that it is in the interest of liberty and diversity which is in the best interest of those who are ‘fringe’ minorities, such as homosexuals, pedophiles, cross dressers and transsexuals.

“That is a major stretch of the definition of liberty and justice as stated in our Constitution.

“It is dangerous in that it can put women and children at risk of being attacked, raped, sodomized, tortured etc. by what I refer to as the ‘fringe’ minorities.

“So how do these left wing radicals intend to enforce their fresh new rules and regulations? They do it by intimidating the States, schools, university, businesses and any other institutions ‘subject’ to such nonsense. Their method of intimidation is to withhold Federal funds from the States. This in itself is unconstitutional, i.e. the Federal Government using threats to force compliance.

“Our out of control Federal Government has become a dictatorial ‘agency’ and is using Federal ‘power’ to force compliance with anything it/they want imposed on the citizens.

“Those who oppose these rules re: the issue of bathroom usage are being maligned, intimidated, fired from their jobs; teachers in particular, and silenced. That’s how treachery and tyranny work.

“In many cases Congress which is the legislative branch of government, is by-passed using Executive Orders, from the desk of the President and from the hidden government called Federal Agencies, and that’s another story, i.e. hidden government.

“So what do we do about it? VOTE! And contact your elected officials--constantly.

“Will they listen? You bet they’ll listen. If they hear from

enough protesting citizens they will listen. Why? It's simple; they will be in fear of losing their jobs, which provide them with enormous benefits off the backs of the American citizens."

If you don't want a Paris, France or San Bernardino event in your community, it's time to call for a total "Immigration Shutdown Now."

Call your senators and House rep: 1-202-224-3121. Demand a stop to all immigration and stop to any Syrian immigration.

Definition of slogan: "Immigration Shutdown Now means the American people want a total shutdown on all legal and illegal immigration. That means we want all illegal immigration stopped by arresting, prosecuting and jailing employers of illegal aliens. We deport all illegal aliens by taking their jobs away and as we catch them. We want English mandated as our national language. We demand a cessation of Muslim immigration in order to protect our culture, language and way of life. We can't save the world but we can destroy our civilization. We demand a stable population that allows everyone to live, work and thrive into the 21st century. Especially our children." FHW

That's why you need to take action. Send this series to everyone in your network. Educate them. Urge them to take action by joining these websites to become faxers of prewritten letters and phone callers. We must force Congress into an "Immigration Shutdown Now!
