

The Destructive Coronavirus Agenda

By J.W. Bryan

Is there an agenda in which Covid-19 has a role? And if so, what is that agenda?

Let's discuss the New World Order and Covid-19. World government, i.e., the New World Order is part and parcel of this virus. According to Arthur Thompson, CEO of the John Birch Society, "It is a steppingstone to world order." It definitely fits, and plays into the globalist's modus operandi.

One of the left's standard procedures or tactics for bringing about change is by using an existing issue to manufacture crises. If there isn't an issue which can be used, one can always be produced that will serve the purpose.

The way this begins to play-out, the issue is brought to the surface by propaganda agents, which is currently recognized as "Fake News." Many instances will be reported as evidence of the dire consequences people will be confronted with if remedial action is not immediately forthcoming.

At this point the solution planners, i.e., the ones who planned it all before the start, will surface with the solution to the issue. Invariably, however, the result will always be more control and less freedom for the people.

This is only one example of how the proponents of change are

able to incrementally destroy our society and replace it with a system that is diametrically opposed to individual liberty and independence.

It is quite evident that the forces behind the drive for global control, or world government, for some time, have planned to use something like the coronavirus to advance their plans for establishing a Global one World Government.

Dr. Anthony Fauci

Dr. Anthony Fauci, is an American physician and immunologist who has served as the director of the National Institute of Allergy and Infectious Diseases, within the National Institutes of Health. He has been closely connected to the World Health Organization (WHO) for many years, and is a good friend of the Director, Dr. Tedros Adhanom whose main advisor is none other than Dr. Ezekiel Immanuel, the man who included “death panels” in Obamacare. In 2015, Bill Gates [forecast a coming pandemic](#), and in 2017, Anthony Fauci [predicted a pandemic for President Trump](#) during a speech at Georgetown University, when he said, “No doubt Donald J. Trump will be confronted with a surprise infectious disease outbreak during his presidency.” (Dr. Fauci actually wrote adoring letters to Hillary Clinton after her Benghazi testimony and for years prior to that he had worked with Ted Kennedy on HIV/AIDS.)

Dr. Fauci was vaulted into prominence at the White House by Covid-19 Task Force leader, Mike Pence. He was made our infectious disease specialist in charge of our defense against the pandemic that he knew was going to happen, and quite possibly, because of the NIH’s grants to the Wuhan Lab, had been in on the planning.

The Goal is Control

The John Birch Bulletin reports that there are many examples of seminars, reports, and studies by globalists in the last few years that indicate they meant to use a pandemic to start

the process of permanent control on a worldwide basis. It includes many of the people within the American government health community, such as Dr. Anthony Fauci, director of the National Institute of Allergy and Infectious Diseases (NIAID), who has been seen daily at White House briefings and on the mainstream media.

The Birch bulletin stated, "Some of these studies have been in partnership with the Chinese Communists. The Youth Innovation Promotion Association of the Chinese Academy of Sciences, the China Scholarship Council, and the Natural Science Foundation of China have been cooperating with the Bill & Melinda Gates Foundation, the National Science Foundation, the National Cancer Institute, and the National Institute of Health in studies connected to pandemics." Dr. Fauci sits on the boards of many of these American organizations.

When you are cooking up a big mulligan stew, it attracts many participants. The high-sounding titles of the many entities shield the character and proclivities of many of those involved. For example, in studies connected to pandemics, why would the National Science Foundation, the National Cancer Institute, and the National Institute of Health be interested and involved in the studies of interest to the Bill & Melinda Gates Foundation and the Chinese Communists? The answer is revealing.

Following is a video of Bill Gates being charged with crimes against humanity in a session of the Italian Parliament. The legislator is speaking in Italian but subtitles are in English.

Bill Gates

James Corbett's [fourth installment of his series on Bill Gates](#) examines Gates' youth, family history, business strategies, and surprising personal connections (Jeffery Epstein for example). Altogether, they reveal a disturbing picture of

Gates' rise to fame, fortune, and power. Of particular interest is the fact that his banker father was the head of Planned Parenthood and that the family was connected to a group of wealthy [intellectuals who called themselves "Eugenicists."](#) They advocated so-called public-health programs to sterilize those who are considered by the elite to be unworthy of procreation.

This was the same program that was applied by Hitler to create a super race in Nazi Germany. After the fall of the Nazi regime, American eugenicists needed to distance themselves from Hitler's sterilization program, so they changed their vocabulary. Eugenicists henceforth were called Population Control. This finally connects the dots between present vaccine design and the Gates' life-long support of population control.

I personally believe that his population control support goes much deeper than just sterilization of the unfavorable.

According to James Corbett, Gates is generally portrayed as a kindly philanthropist who generously funds projects to improve health and fight poverty. As shown in this report however, the image and the reality are far different. The reality is that Gates, throughout his entire career, has been obsessed with the idea that the human population needs to be drastically reduced and that any means to this end is acceptable, including the creation of vaccines to sterilize people but offered to them as a defense against disease.

Vaccines

With the extreme scare tactics employed regarding Covid-19, we most likely are being set-up. The development of a vaccine that will meet Gates' specifications is being done. Gates saw the potential for using vaccines for yet another hidden purpose, for injecting microchips and data tattoos into the skin that, in addition to pushing pharmaceutical concoctions

into the blood stream, also embed digital data that can be read by scanners to identify every person on the planet. **Just think what else can be done with this technology.** [Link](#)

Thomas Jefferson rightly stated, "When the people fear the government – there is tyranny. "When the government fears the people – there is liberty."

We are definitely at the point at which the people fear the government. Why? Because the government, for all practical purposes has been taken over by hordes of reprobates, those who God has destined for damnation. They have no regard for the feelings, the rights, or the total well-being of anyone other than themselves, or those who support them.

Bill Gates is obsessed with the idea that the human population of the earth should be drastically reduced and any means to this end is acceptable.

Our Supreme Court supports this. According to G. Edward Griffin, in *Need to Know*, attorney Alan Dershowitz says we have [no constitutional protection against being forcibly vaccinated](#) because no one has a right to spread a deadly disease. The Court contends that the state has an obligation to use force, if necessary, to protect the lives of its citizens against the threat of a deadly disease. Totally and completely unconstitutional to God given freedoms.

This, supposedly, is a proper position, because the defense of life is one of the few proper functions of the just state, but there is no defense of the unborn, neither is there defense of the elderly. The problem is that this position is justified only if the deadly threat is real and not staged as a political ploy, and those who are staging the hoax are the ones who will decide if it is real. Even the polio vaccines and sugar cubes of the 60s were unnecessary...polio was on its way out, but they continued their damning vaccines ... vaccines they knew were grown on monkey kidneys and gave the recipients

soft tissue cancers.

Those who challenge them will be imprisoned for spreading false information that endangers public health and safety. Furthermore, in [Jacobson vs. Massachusetts](#) the court said that the threat doesn't even need to be real if those making the decision believe it is. That part of the ruling provided a loophole big enough to drive a truck through because it allows political criminals to escape punishment simply by claiming that they had bad advice. (All this per the comments of G. Edward Griffin)

Orwell's 1984

We have arrived in Orwell's 1984, and from the "Robespierre Public Safety ruling during the French Revolution, in which 25,000 Frenchmen were beheaded by the guillotine for acts against the ruling. There is no guarantee history won't repeat itself, especially with America's history daily being destroyed by anarchists.

I believe that during my lifetime, many of the members of the Supreme Court were people who had been turned over to a reprobate mind, otherwise they could not have ruled as they did in so many cases.

In my previous article, [Part 10 of The Path to Understanding](#), I said that Justice Kennedy, who wrote the majority opinion on the 5 to 4 ruling by the Supreme Court on the same-sex marriage case stated in his opinion that "gay people" have a fundamental right to marriage. Implicit in this statement is a veiled assertion that this right comes from God. Whether he and the other four justices who concurred in the ruling are aware of it or not, the reference to rights that are fundamental is a reference to God and His authority.

And then, there are all the pro-abortion rulings which many members of the court from 1973 to today will have to answer for. But they will have no answer – for there isn't one – they

will have to face the consequences at the Great White Throne judgment.

Many people have ridiculed scripture and the Great White Throne Judgment. They have laughed and made jokes concerning it. I can see in my mind's eye that when they approach the throne of God, He says to them, "I never knew you: depart from me, ye that work iniquity."

Conclusion

What I've written is only the tip of the iceberg relative to what we are being set-up for; the complete regimentation of society in which all individuals will act or react in unison with all others.

It is to prepare us for the future as world citizens. We will then do everything by the numbers; no one will have thoughts, or make comments that do not coincide with instructions passed down from the rulers.

Look at all the people wearing masks even after scientific reports have said that masks are completely useless and of no benefit whatever. The sheeple have complied. It is part of the scenario to establish the national mind-set that we are in crises that all people must be involved in for us to survive, despite the fact that fewer people have perished from Covid than perish from seasonal flu.

Next up, the corruption and cover-up of dangerous vaccines where a doctor is being threatened for exposing the truth of this agenda and the Covid-19 conspiracy. [Link](#)
