

The Governor, Attorney General & the Senator Are Under Investigation

"For success, focus has utmost importance, but distraction is disastrous."

It is very odd how we repeatedly see that when politicians are exposed for some sort of scandal, before you know it, there is something to distract us from holding them accountable for their crimes.

I remember when Michigan Governor Gretchen Whitmer was exposed for her unlawful, unconstitutional edicts by the State Supreme Court during the "plandemic" (Jeremiah 11:9). Before you knew it, she went from being the criminal to the victim. This happened after the FBI was responsible for engineering an alleged "kidnapping plot" to get all eyes off of Whitmer's crimes onto innocent Americans.

[Just a reminder: whom is responsible for engineering Jan 6 Gretchen Whitmer kidnapping plot the FBI](#)

Do you remember the Russian collusion hoax? Do you remember January 6th? What of the Mar-a-Lago raid? The Biden auto pen? The 2020 election? COVID fraud (30 million murdered)? Benghazi? Where's the justice, folks (Isaiah 59:14)? They're all played out by the spin doctors to keep the people

distracted and confused from staying focused on the guilty parties (Daniel 9:7).

I write this so we can keep our eyes focused on what is happening here in Minnesota concerning the school shooting incident that recently took place.

Did you know that the installed Minnesota Governor Tim Walz, who is from Michigan, is under more than 50 investigations with over \$1 billion in fraud)?

What of installed Attorney General Keith Ellison, who is from Michigan and [also under investigation](#)?

State Senator Amy Klobuchar is also under investigation.

A FEC complaint against US Senator Amy Klobuchar.

KLOBUCHAR FOR MINNESOTA takes \$3,946,364 USD in 46,448 Smurfing Contributions, from 5,160 Contributors.

AMY FOR AMERICA takes \$4,880,382 USD in 66,796 Smurfing Contributions, from 7,724 Contributors.

AMY KLOBUCHAR VICTORY COMMITTEE takes \$807,166 USD in 309 Smurfing Contributions, from 239 Contributors.

This is totaling \$9,633,912 of her federal campaign committees. Smurfing is criminally laundering money into her campaigns.

I know it is higher yet. This indicates that Klobuchar cheated, she committed massive election fraud and in no way is the duly elected US Senator from Minnesota.

Now, what we find despite these investigations is yet another distraction.

It is now national news concerning the transgender responsible for killing two kids at a Catholic School, and somehow, these same criminals who are under investigation and are responsible

for coaching these kids in their crimes (Deuteronomy 22:5), are now calling for gun control. Good little un-American Communists they are.

They are [using the law against the law and blaming the innocent for the crimes of the guilty](#) (Proverbs 17:15).

The media and these criminal scoundrels are continuously working together to defraud the people; it is what they have a long history of doing.

Everyone is guilty except them. Everyone is held accountable except them. This NEEDS to STOP! And only Americans are going to do this.

The people need to learn the reoccurring systematic method of these criminals. This only happens by taking the time to know the law, and enforce it against them by staying focused on what the distraction is really all about.
