

The Jihad Squad Now Runs The Democrat Party

Alexandria Ocasio-Cortez

That power to influence policy has always been the ultimate purpose of the Communist Party's infiltration. It was much more dangerous, and, as events have proved, much more difficult to detect, than espionage, which beside it is trivial, though the two go hand in hand. –Whitacre Chambers

I am not a critic of the West; I am a critic of the weakness of the West. I am a critic of a fact we can't comprehend: how one can lose one's spiritual strength, one's will power and possessing freedom, not value it, not be willing to make sacrifices for it. – Alexander Solzhenitsyn, [Warning to the West](#)

The jihad squad consists of four congresswomen – Reps. Ilhan Omar of Minnesota, Alexandria Ocasio-Cortez of New York, Rashida Tlaib of Michigan and Ayanna Pressley of Massachusetts. All of them wish to generationally change our country.

These jihadi Janes are committed communists. They willingly have abrogated their oaths of office in an ideology rooted not in Philadelphia, but in Moscow. Political jihad is their game, obvious in their hatred of our culture, our nation, our Constitution, and ultimately the white European founders of our magnificent country.

They are motivated by their desire to advance a leftist, globalist system that would relegate our liberty to the trash bin. These unaccountable jihadi Janes who share in their affinity for international communism have full contempt for the rule of law. They do not believe in America-first, and their opponents are immediately charged with being racist

bigots, including Speaker of the House Nancy Pelosi.

Pelosi Loses Control

Speaker Pelosi is being bullied by the new young jihadi Jane members, despite news of Alexandria Ocasio-Cortez (AOC) and Pelosi's ["gracious" meeting](#). Social media was recently ablaze regarding Nancy's open war with AOC and the "Justice Democrats," (a political movement advocating a gradual transition from capitalism to socialism by democratic means). Pelosi is struggling to retain control of her party.

She realizes that moving too far to the left will drive democrat voters into the arms of Trump. She has continually fought against bringing charges of impeachment against our President, knowing it could destroy the chances of retaining their House majority.

Pelosi exhibited considerable forbearance with AOC and the rest of the Squad for the first few months after they joined Congress. She had to put out a few fires for them, of course, including several conflagrations related to their propensity

to trade in anti-Semitic slurs. But the attacks on the Democratic caucus, not to mention Pelosi personally, by a staffer exhausted the speaker's patience. She [singled out](#) Chakrabarti in a closed-door meeting and told him, "Do not tweet about our members and expect us to think that that is just OK." [Link](#)

The mainstream media has shown their true democratic socialist colors by continually supporting and endorsing the jihadi Janes and those who agree with their radical stances. Pelosi has allowed her party to launch wave after wave of protests against our President and the Republican Party [shouting "racism" at every turn](#). Now she is feeling the brunt of that attack from these four jihadi Janes as they charge her with discriminating against women of color when she defies their totalitarian stratagems. Their continual hackneyed charge of racism has become so cavalier that the very meaning has been diluted.

Let's first take a look at "Alexandria O-C" including those who fund the her.

Alexandria Ocasio-Cortez

Ocasio-Cortez may seem ignorant and uneducated, but this would belie the fact that she auditioned and was chosen for this position and is funded by a wealthy trust fund kid. Don't be fooled by her, she is being heavily promoted.

Alexandria Ocasio-Cortez (AOC) was raised in Yorktown Heights, an affluent, mostly-white town in Westchester County, New York. She went on to earn degrees in both economics and international relations at Boston University. During her time as a student there, she also worked for the late Senator [Ted Kennedy](#) on matters involving immigration and foreign affairs.

In 2012 she started a publishing company, Brook Avenue Press (BAP), which produced children's books portraying the Bronx in a positive light. (The state of New York [dissolved](#) BAP in

October 2016, which occurs when a business fails to file a tax return or pay its corporate taxes. On July 6, 2017, the state placed a warrant on the company for non-payment of corporate taxes. As of March 2019, BAP still owed \$1,870.36.)

Chosen for Office

Like Obama, AOC was an effective community organizer. They both were taught [Saul Alinsky's communist tactics](#). AOC's run for Congress came into being as a result of a [recruiting campaign](#) organized by a group called [Justice Democrats](#) (JD), which in 2017 [began holding auditions for potential candidates](#) to run for various U.S. Congressional seats on its leftist political platform. (JD was founded in 2017 by [Cenk Uygur](#) of the "regressive" online news program [The Young Turks](#), Kyle Kulinski of [Secular Talk](#), and former [Bernie Sanders](#) presidential campaign staffers [Zack Exley](#) and [Saikat Chakrabarti](#). Their goal is to replace mainstream Democrats with socialist challengers.)

Recognizing her potential for eventually becoming an influential political figure, the newly formed leftist organization [Brand New Congress](#) (BNC), a PAC founded by Zach Exley and Saikat Chakrabarti, contacted her and encouraged her to run for a seat in the U.S. House of Representatives. That same year, Ocasio-Cortez served as an organizer for Senator [Bernie Sanders](#)'s presidential bid, and in December of 2017, she spoke at a Black Lives Matter rally.

Supporters and endorsers of AOC's 2018 congressional campaign were [Bernie Sanders](#), [Zephyr Teachout](#), [Cynthia Nixon](#), [Barack Obama](#), [MoveOn.org](#), [Our Revolution](#), the [Democratic Socialists of America](#), and [Black Lives Matter](#). U.S. Rep. [Barbara Lee](#) contributed money to the campaign.

Chakrabarti and Trust Fund Money

AOC is the leader of a movement, not just a congresswoman.

Saikat Chakrabarti, for his part, has been much more than Ocasio-Cortez's chief of staff—he's become the chief strategist of a generational insurgency.

Like her jihadi Jane sisters, AOC promotes the Green New Deal, (which is nothing more than [U.N. Agenda 2030](#)), Medicare for all, tuition-free colleges, limits to the Second Amendment, the dissolution of Immigration and Customs Enforcement (ICE) and the Department of Homeland Security (DHS) along with open borders, murder of unborn babies up to and after birth, and a 70% tax rate for those who earn \$10 million or more. Like her jihadi Jane sisters, she is anti-Israel/anti-Jew and has defended and praised the Islamist activist [Linda Sarsour](#).

AOC supports [Antifa](#) even after an Antifa activist attempted to carry out a terror attack against an ICE facility in Tacoma, Washington on July 13, 2019 and injured journalist Andy Ngo at a Portland, Oregon rally.

Wealthy trust fund kid Saikat Chakrabarti became AOC's congressional campaign manager in 2018, and her chief of staff in Congress in 2019. He sets the policy for the jihadi Squad, and he wants to eliminate Nancy Pelosi. Chakrabarti's [Brand New Congress](#) (BNC) and [Justice Democrats](#) were major supporters of Ocasio-Cortez's campaign.

BNC consists of Democrats who would bring “justice” to a deeply flawed nation that was “[founded](#) on slavery and genocide” and had “never been able to escape that legacy.” They claim the U.S. is replete with “establishment politicians who reject the racial

justice demands of the [Black Lives Matter](#) movement and sit by as racial inequality persists and even worsens.”

Chakrabarti stated, “The Green New Deal? We didn’t start that out as a climate thing. We started this as a means of reversing and overthrowing the economy. It’s an economic idea.” Thereby admitting what all of climate change is! He writes their speeches. They are his minions. He controls the money.

By the way, [AOC is being challenged](#). [Jamaican immigrant, Sherie Murray](#) is running against AOC in 2020. She was featured on Lou Dobb’s show on July 25th, 2019. Murray was a supporter of AOC in 2016, and voted for Barack Obama both times. She is not what Fox News is reporting her to be.

Chakrabarti helped establish two political action committees that paid a corporation he ran more than \$1 million in 2016 and 2017, federal campaign finance records show. And they were [right in Knoxville, TN](#). On March 6, 2019, the [Daily Caller reported](#) that according to corporate filings which it had obtained, AOC and her top aide had held “majority control over [Justice Democrats](#),” who were crucial to her election victory.

Chakrabarti resigned from JD's board, and the PAC's website no longer lists Ocasio-Cortez as a governor, but government documents show the two still hold majority control.

Former FEC Commissioner Brad Smith said AOC never disclosed her control of the PAC to the FEC. [Link](#) If she intentionally withheld that information from the FEC, both she and Chakrabarti "could be facing jail time." [Here is the Federal Election Commission \(FEC\) complaint.](#)

Conclusion

Jihadi Jane, Alexandria Ocasio-Cortez, is the leader of the jihad squad. Never believe she's stupid...she's being groomed and promoted; the rest of the squad will follow. Next up, Somalian Congresswoman Ilhan Omar.
