

The Muslims Are Colonizing Under Your Noses – Putting Muslim Representatives Into Position Only To Attack!

“As long as you remember that if you get involved in politics, you have to be very careful that your leader is for Allah. You don’t get involved in politics because it’s the American thing to do. You get involved in politics because politics are a weapon to use in the cause of Islam.” [Siraj Wahhaj](#)

Something is happening throughout America and Americans need to know what that is. America is literally and purposefully being invaded by Muslims like that of France, Germany, Sweden, England and Wales, Belgium, the UK, etc (Deuteronomy 28:15).

This, of course, is being done with the help of felons that are masquerading as representatives in this country who are illegally alluring them through sanctuary (Protecting criminals) cities and then handing off your country to them that mean to destroy and conquer.

These people are bringing their culture in with them, to the intent that they might conquer the very countries that they invade.

Speaking for that of Minnesota, we are noticing South Minneapolis, Northeast Minneapolis, Burnsville, Austin,

Rochester, St. Cloud etc. and all of this under the noses of Minnesotans with the help of the silent accomplices, the CIA-controlled media!

It is interesting to note that during the 90's and early 2000's we virtually heard nothing of the Muslims infiltrating America until Barrack Hussein Obama illegally took office (Stacking the government with subversive sodomites and subversive Muslims to governmental positions), and now in 2019 we see that they have been operating stealth like all while swelling their ranks (Deuteronomy 28:43) in forward motion to bring about a jihad.

They are quietly colonizing and then waiting it out until there are enough Muslims in certain demographics-districts to then vote in their own Muslim representatives (see the McCarran Internal Security Act), which, by the way, explains an Ihan Omar, and a Keith Ellison, Hodan Hassan, Mohamud Noor, etc.

Remember Americans, the goal of the Muslim Brotherhood is to infiltrate the American Government, implement Sharia & destroy us from within (Deuteronomy 28:63)!

"It is the nature of Islam to dominate, not to be dominated, to impose its law on all nations and to extend its power to the entire planet." –Hassan al-Banna

I have to say friends, they are only doing what you are, in fact, letting them get away with.

When they are put into position, by Muslim voters, they begin to [attack the government system into which country they have entered](#).

Without fail, they accuse the innocent of the crimes that they are perpetuating (Deuteronomy 19:19) in pulling down the American government, and all of this is done incrementally through a totalitarian siege by playing the victim (Deuteronomy 28:53). This first started, of course, on the backs of the homosexual lobby.

There are a projected 80,000 Somalis in Minnesota as of 2016. Many believe that number is now up to 120,000 today.

Nationally there are approximately 3.45 million.

Since 1998, the number of mosques in Minnesota alone increased from four to nearly 50 today.

Nationally, mosques have jumped up to 74% since September 11, 2001. The US survey 2011 counted a total of 2,106 as compared to 1,209 in the year 2000.

Again, what has been the fruit of these people that other countries have taken in?

- Denmark: 450% more crimes committed by Muslims than non-Muslims.
- Germany: Muslim migrants committed 142, 500 crimes in 6 months. This is 780 every day.
- Sweden: 480,000 sexual assaults in one year. 77% of all rapes by less than 2% Muslim.
- England and Wales: Over 56% of Syrian refugee's committed severe crimes in less than 1 year etc.
- Belgium: 35% of prison population is Muslim who make up only 6% of the population.
- UK: Muslims fill 44% of high-security prisons, out of a 5% population.
- USA: 91.4% Muslim refugees are on food stamps, 68.3% on cash welfare.

Muslim migration has doubled in the decade since 9/11 and 60% migrants to America favor sharia law (Deuteronomy 28:15-68).

Finally, this is not an article that attacks any particular people, it is about a particular people, namely the Muslims, that are attacking the very people that have given aid to them while playing the victim and, all the while, are in a full frontal attack in an attempt to conquer.
