

# The New World Order is Satanic

*"What is the Old World Order and why do we want to replace it with a new one?"*

What you are about to read will make perfect sense to some of you. Others, not so much.

A worldview is...well...the way an individual views the world. WHAT you believe shapes the way that you process information. It is the filter through which you run every thought and every issue.

New Ager Oprah Winfrey calls it YOUR Truth...as if two opposing viewpoints could both be true at the same time. Up cannot be down. Left cannot be right. Inside can never be outside. Once you walk IN you are no longer OUT. Once you are UP you are no longer DOWN.

It is basic science and logic. Provable. Testable. Verifiable. Your PERSPECTIVE, (viewpoint), can change, but UP can never be down and down can never be up.

A man can never be a woman and a woman can never be a man. No matter how much one BELIEVES it to be true. Bruce Jenner can NEVER be a woman...no matter how much HE or YOU believe he is. Simply believing something does not make it so.

There are many different worldviews. We call them things like

science, religion, philosophy, but ultimately EVERYTHING is subject to TRUTH. Here is a simple question we must all ask ourselves...is it possible to BELIEVE something that IS NOT TRUE? If so, how does one determine what is true? Science alone? Can Science be biased? Can Science be bought? Did the masks REALLY work? How do you know whom to believe?

This treatise is written with what is often called a BIBLICAL worldview. I believe the Bible is TRUE and that it is the foundation of all human knowledge. That is why it is called a BIBLICAL worldview. It is the way I VIEW the way the world functions. At the heart of a Biblical worldview is a CREATOR. An all powerful, omnipotent, everlasting, Alpha and Omega, beginning and end, King of Kings, and Lord of Lords. That belief system shapes EVERYTHING I do.

Americans used to believe that. We taught it to our children in school...every school...public schools...government funded schools. From the founding of this nation. Thomas Jefferson who penned the Declaration of Independence also wrote,

*"God who gave us life gave us liberty. And can the liberties of a nation be thought secure when we have removed their only firm basis, a conviction in the minds of the people that these liberties are of the Gift of God? That they are not to be violated but with His wrath? Indeed, I tremble for my country when I reflect that God is just; that His justice cannot sleep forever..."*

Could it be that the belief and worship of Jesus Christ was at the heart of the OLD WORLD ORDER and that it is the focus and goal of the Luciferians to insert LUCIFER as the head of this NEW WORLD ORDER? A government where Jehovah no longer rules in the halls of Congress, but children of the Devil usurp power and authority granted specifically to CHRISTIAN men? Read Mathew 5.

What was it John Lennon sang...imagine there's no heaven...isn't

that at the heart of the NEW WORLD ORDER?

*Imagine there's no heaven. It's easy if you try. No hell below us. Above us only sky. Imagine all the people living for today.*

*Imagine there's no countries. It isn't hard to do. Nothing to kill or die for. And no religion too Imagine all the people living life in peace.*

*You may say I'm a dreamer. But I'm not the only one. I hope some day you'll join us. And the world will be as one.*

*Imagine no possessions. I wonder if you can. No need for greed or hunger. A brotherhood of man. Imagine all the people sharing all the world.*

Klaus Schwab couldn't have said it any better. The Synagogue of Satan now rules America.

The New World Order isn't new at all. It is nothing more than a continuation of the battle spoken of in Psalm 2.

*"Why do the heathen rage and the people imagine a vain thing. The **Kings of the earth** set themselves and the rulers take council together **against the Lord and His anointed.**"*

From the beginning of time Satan has tried to steal what didn't belong to him. A Kingdom. He is still wrestling for it today.

Christianity, and it's influence, is almost non-existent in our government today. In fact, all the power of God's people has been surrendered to the Luciferians. The American government is tyrannical. It operates at the behest of Satan and his minions. A coup has been underway since 1947 when the SCOTUS ruled Jesus un-Constitutional.

There are only two teams on the field. Team Jesus and team Lucifer. Team Lucifer is now winning because Team Jesus has

refused to engage in the battle. As Bob Dylan warned us in the 60's...you gotta serve somebody. Who is the American government serving?

Most Americans don't believe in the Devil...not really...not in an-advancement-of-evil kind of way. The Luciferians have programmed us to focus on politics, as if it were the OTHER political party that was evil.

But they BOTH are evil. BOTH serve Satan. Jesus told us that "you are either for me or against me." BOTH parties serve GOVERNMENT. Both parties have agreed to govern apart from the Kingship of Christ.

Luciferian government supports baby murder, homosexuality, transgenderism, government theft through taxation, an unjust justice system, invasive wars, government sanctioned murders, pornography as free speech...just to name a few.

America was once the "shining city set on a hill" that gave light to the whole world. But we have allowed them to put a bushel basket over the light. If America goes down, we will descend into unimaginable darkness.

Lies, deception, and fear are the instruments of Lucifer. Are their three more appropriate descriptions of the weapons the American Government is displaying today?

Charles Finney Warned us nearly two centuries ago:

*If there is a decay of conscience, the pulpit is responsible for it. If the public press lacks moral discernment, the pulpit is responsible for it. If the church is degenerate and worldly, the pulpit is responsible for it. If the world loses its interest in Christianity, the pulpit is responsible for it. If Satan rules in our halls of legislation, the pulpit is responsible for it. If our politics become so corrupt that the very foundations of our government are ready to fall away, the pulpit is*

*responsible for it.*

Jesus is the Light of the World. We must turn the light back on in America.
