

The Rise of the Ex-Vangelicals

by Dave Daubenmire

The American Church is so compromised it has become good for nothing.

Not Christianity. Christianity is alive and well. But the building where people gather on Sunday has become almost as useless as a rotary phone. It is still a means of communication, but the line does not really connect to the person on the other end.

The American Church has become little more than a building...a place to gather...much like an American Legion Hall, or the Elks Club, or Dancing with the Stars. It is a place where people socially connect but very little supernatural activity takes place. To many American Churches have “a form of Godliness but deny the power thereof.” God’s Name may be above the door, but He makes only cameo appearances these days. Ichabod is written over the doorpost.

It grieves me to write this. The American Church no longer believes in the Supernatural.

The Devil runs America. He is in control of every one of the power sources in this nation. Jesus is THE KING OF KINGS in name only. The church attendees pray prayers of hope, but not of Faith. They believe that all things are possible with God...just not likely. Jesus is either Lord of all or not Lord at all.

Sadly, most “churches” believe the latter. “Faith is the

substance of things hoped for, the EVIDENCE of things not seen." Faith is evidence. Evidence leads to TRUTH. Jesus is TRUTH. Most church goers would not recognize Truth if HE sat down beside them. We have created God in OUR image. Man is supposed to be like God...made in HIS image. Today God is made in the image of man.

The Plandemic has exposed the Church. We are beginning to see what the non-believing world already knew. Much of Christianity is a fraud, a faithless factory that produces feeble footmen. If we cannot stand up for Truth today, what will we look like next year when the next medical hoax shows up?

If thou hast run with the footmen, and they have wearied thee, then how canst thou contend with horses? and if in the land of peace, wherein thou trustedst, they wearied thee, then how wilt thou do in the swelling of Jordan? Jer. 12:5

Most Christian men cannot run with the horses. American Christianity has weakened them. Testosterone is no longer welcome in the Evangelical Church. That is why millions of men are become Ex-Vangelicals. They are looking for a Christianity with a spine.

This is bound to cause trouble. The Government doesn't like it when people are disobedient. Especially Christians. [Read this article.](#) It is those crazy Christians who will not take the injections in their arms. That is why the Government has a target on the chest of the church. This does not bode well for a peaceful co-existence.

Only a confrontational Christianity will survive the coming purge. If the vaccine were such a good thing people would be standing in line to receive it. But they are not. They no longer trust the Government nor the Government agencies who monopolize the dissemination of information.

The Church long ago stopped being the purveyor of TRUTH. The

Church cannot even recognize lies because the Church no longer loves the Truth. Most pulpits are filled with Government-bribed changed agents who are slowly leading the lambs to the slaughter. They no longer contend for the Truth.

But the REAL sheep are fleeing the flock. They are not leaving Christianity, only the sheep pen. They are looking for an authentic Christianity that is ESSENTIAL to every aspect of their lives. Hireling Pastors who parry the party line will soon find themselves preaching only to goats. Jesus has followed Elvis out of the building.

We were warned by the Apostle Paul that we are to “have nothing to do with the unfruitful works of darkness.” Yet the established church is full of fruitlessness. No prayer, no passion, no public proclamation. A strong cloud hangs over the building...a cloud of [delusion](#)...a misleading of the mind that causes one to believe things that are not true. How can Christians be so gullible...so blind?

Homosexuality is still sin despite what your local school teaches. Abortion is murder no matter how many women choose it. Transgenderism is cross-dressing on steroids. It is a mental disorder. Does a sane person cut off body parts? Does a sane Doctor perform the surgery? Does a sane congregation hire a sexually confused person as a pastor? Really? Is Jesus “just all right with that?” Really?

The Pope is even worse. I wonder if he is even Catholic. All the powerful Catholics in Government are for baby murder and sexual deviancy.

I saw a sign in front of a “Church” the other day that perfectly explained the conundrum the American Church has created for itself. *“This church is a hospital for wounded saints.”* How pathetic. No wonder the Devil is winning. American Christianity spends all of it’s time treating the victims of the Devil rather than fighting him.

Next Monday a slew of us will be standing with Pastor Tony Spell as he appears in Federal Court in New Orleans. Pastor Spell was arrested and jailed for refusing to obey a "health order" from Governor Edwards who ordered the churches to shut down. Pastor Spell did not obey the un-Godly, un-Constitutional order. [Watch this video](#) of his arrest. He believes the Church is above the Government. Most Evanjellyfish side with the Government. That's why REAL MEN are fleeing the building.

According to Pastor Spell, NOT ONE PASTOR in Louisiana has come to his aid. We will not let him stand alone. Americans are already at war. We just refuse to admit it.

The church outside the church is alive and well in America. Christianity is getting ready to flex God's muscles. We are His children. We were given authority to overcome "all the power of the enemy."

No man can serve two masters. You either serve God or the Government. Three terrorists in black robes will determine whether God is over Government or the Government rules over God.

The Ex-Vangelicals have followed Jesus out of the building. That's a good thing. It is time to take off our slippers and put on our boots. [Join us in New Orleans](#). WE are the Church!
