

The Systematic Killing of America, Part 3

The shadow government is alive and well in America and has been since the early 1900s. “The Council on Foreign Relations (CFR) established six years after the Federal Reserve was created, worked to promote an internationalist agenda on behalf of the international banking elite. Where the Fed took control of money and debt, the CFR took control of the ideological foundations of such an empire – encompassing the corporate, banking, political, foreign policy, military, media, and academic elite of the nation into generally cohesive overall world view.” Carroll Quigley, “Tragedy and Hope”

As the House of Morgan with its ongoing ties to the House of Rothschild, took the lead in the creation of the Federal Reserve and it also spearheaded the formation of the Council on Foreign Relations (CFR). In post-World War I America, Morgan and Company wielded almost unlimited power. The wealth of Morgan, Rothschild, Carnegie, Rockefeller, and elites was unmeasurable. Through the years, the CFR remained under the domain of the House of Morgan, Rothschild, and eventually Rockefeller. These banking families controlled and financed it. They selected its staff, set its agenda, and arranged the placement of its members in key government positions.

Its purpose was to align America's foreign policy with the aim of the international money cartel in the same manner that the Federal Reserve aligned America's economic policy. Its activities were never benign and removed from their ultimate goal of accumulation of the world's wealth. The CFR became a place where enterprising bankers and businessmen gather to gain access to America's elite. In their arrival in their chosen professions, they would receive an invitation to join the CFR. At the CFR, they formed alliances with other members to shape public policy through lobbyist, political action committees (PACS) and political contributions.

The CFR became the first organization to unite private interests under the Houses of Morgan and Rockefeller with the purpose of influencing governmental decisions and directives. The Council on Foreign Relations has been described as a "front organization for the heart of the American Establishment." One author called the CFR as "a sort of Presidium for that part of the Establishment that guides our destiny as a nation. Policy and strategy are worked out by the Council and reach the President by way of the State Department, which, of course, is largely staffed and always directed by Council members.

Richard Harwood, managing editor of The Washington Post, wrote, CFR members are the nearest thing we have to a ruling establishment to the United States. The CFR has become in essence an agency of the United States Government and its productions are not objective but are directed overwhelmingly at promoting the globalists concept. "An end run around national sovereignty, eroding it piece by piece, will accomplish much more than the old-fashioned frontal assault."

Within the hallowed halls of the Pratt House, including its 55,000 volume library, a carefully selected group of candidates are groomed for prominent position of power in the federal government. Proof of this resides in the fact that by 2017, twenty-seven secretaries of state, nineteen secretaries

of the treasury, fifteen secretaries of defense and hundreds of other federal department heads have been CFR members, along with twenty-one of the twenty-four CIA directors, and every chairman of the Federal Reserve since 1951. In addition, studies generated by the CFR have resulted in the establishment of such international institutions as the United Nations, the World Bank, and the International Monetary Fund. Thanks to former President Dwight David Eisenhower and the Dulles brothers, the U.S. State Department by this time was firmly under the council's control.

When someone makes the statement that our President and Congress are going to wipe out the Deep State, or the establishment, or the shadow government, I just laugh and then cringe. The Deep State, the establishment or shadow government, or whatever you want to call it, has been controlling America and her politicians from President Woodrow Wilson to these modern times for many, many years, and has more power and money than the United States of America ever dreamed of having. We have been sold out by our Presidents, Senators, and House politicians, and manipulated by evil men for their personal gain of great wealth and power. The powers of darkness have invaded our land and the average citizen and church pastor and its members have no idea of the level of evil in this land.

The God we serve is all powerful but Jesus left His Body on this earth to manage it and Christians in America have not managed our land; instead they have been managed in deception. The fact remains that God many years ago has already spoken of our situation in America and how to solve it. It is found in Numbers 33:55-56, "But if you do not drive out the inhabitants of the land from before you, then it shall come about that those whom you let remain of them will become as pricks in your eyes and as thorns in your sides, and they shall trouble you in the land in which you live. And it shall come about that as I plan to do to them, so I will do to

you.” “Hath God Really Said?” Yes we just read it. I Corinthians 10:11, and Romans 15:4, states the Old Testament was written for our example and our instruction and that we may have hope.

America had better wake up and resist the enemy in our land. If we don't, then all these curses, demons, evil spirits, doctrine of demons, demonic strongholds, rulers, high places, witches, and all the powers of darkness from hell will overcome us and rule over us that will make the CFR and establishment look like child's play. We shall suffer greatly in torment, or rejoice in the glory of victory; the choice is ours to make. If the doctor gives you the wrong diagnosis and you get the wrong treatment, you will die. If Christians in America make the wrong choice or no choice, we die and God will not hold us guiltless!!!!

It is my hope that Christians in America see the brevity of this evil in our land. Our pastors and politicians have selfish ambition which has brought demons and the world's ways in our churches and nation. Pastors want bigger churches, more numbers, more money, bigger buildings, bigger budgets, bigger staff, and bigger programs, and politicians want more money and power. What's the difference between the pastors in America and our politicians? “If you haveselfish ambition in your heart, do not be arrogant and so lie against the truth. This wisdom is not that which come down from above but is earthly, natural, demonic. For where selfish ambition exists, there is disorder and every evil thing.” (James 3:14:16)

In America, the fleshly and worldly hearts of our pastors and God's flock are no longer right with God and our ineffective religious ways is an abomination to our Lord Jesus Christ. We are not living and operating by the Spirit of the Living God!! Our Lord deserves better. He deserves a people who are obedient to Him, in total allegiance to Him, and are committed to doing His will on this earth as it is done in heaven by

expanding His Kingdom of God on this earth, using the laws of heaven, and being a part of completing His eternal purpose on this earth – intimate relationship with Jesus and making disciples conformed to His image!!!

Jesus is not coming down here to bail us out by doing what He has commissioned His Body to do; He is here in each of us who call ourselves Christians. We must forsake what we are doing and get in on what our Head wants to do through us. Repent, get filled with the Holy Spirit, and use His resources He has provided to us – His power, His authority, His Word, His armor, and His Name. We will always triumph in Jesus' Name if we will meet Him at the battlefield. I hope this helps your fear of God. "And they overcame him (Satan) because of the blood of the Lamb and because of the word of their testimony, and they did not love their life even to death." (Revelation 12:11) YOU CAN'T HIDE OR PLAY SAFE FROM GOD!!!!

May God bless us as we get our hearts right with God, I remain His warrior and watchman, Glynn Adams (A big hearty thanks of appreciation to Pastor Rodney Howard-Browne and Paul L. Williams and their wonderful book that is so well documented with the true facts, "The Killing of Uncle Sam" I strongly recommend every Christian read this true history of this great nation presented in this book. My articles only touch a small part of our history – good and bad. Next week: Part IV of The Systematic Killing of America)
